Streetsville Review

122nd YEAR, No. 33

STREETSVILLE'S ONLY LOCALLY-OWNED WEEKLY - 93 Queen St. S.

WEDNESDAY, APRIL 2, 1969

New officers for curlers

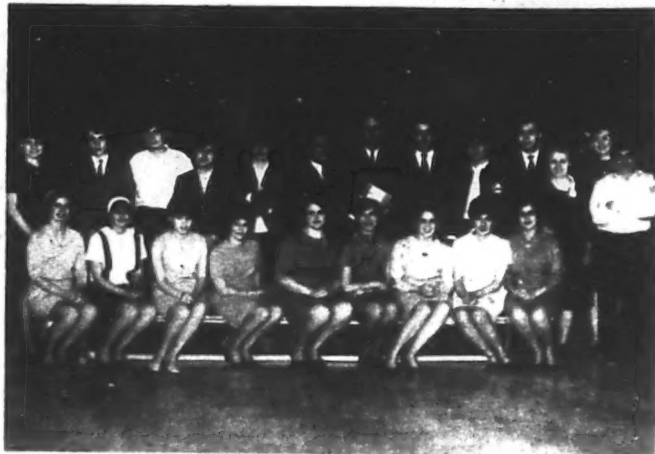

An evening of curling and dancing at Sherwood Curling Club on Saturday brought to a close the winter activities of the Streetsville Mixed Curling Club.

Ladies' rinks competing against men brought some interesting curling results.

Prizes were awarded to winners for the season as well as for the evening, with special awards given to the outgoing Presidents Florence and Don Hewson Sr.

New Executive for the 1969-70 season: President - Cathy and Frank Schofield; Vice-President - June and Howard Parker; Secretary - Treasurer Audrey and Don Rice.

A most enjoyable evening concluded with dancing followed by a buffet supper.

Streetsville Night School ceremonies were held on Thursday, March 27. Front Row left to right - Mrs. Wiggins (teacher), Dina Carreiro, Maria Caetano, Gisela Foehner, Liberia da Silva, Anny Schuck, Lodi Carreiro, Natalie Frias and Maria Carreiro. Back row standing - Mrs. McPherson (teacher) Gilbert Medeiros, Ivano Antonacci, Rafael Nassos, Joe Travassos, Joe Camarro, Councillor Earl McLean, Manuel Trias, Lino Rodrigues, John Costa, Miss E. Hoople (teacher), Mrs. Cunningham (teacher) and Joe da Sousa. JOHN LINDSAY Photo

Receive Certificates

Certificate Winners at Streetsville Night School are (left to right) - Mrs. Cunningham and Mrs. McPherson (teachers), Gisela Foehner, Maria Caetano, Anny Schuck. Mr. Earl McLean represents the Council. JOHN LINDSAY Photo

640 Tykes playing here

Six hundred and forty boys from all over Ontario are registered to play in the Streetsville Second Annual Tyke Tournament starting this weekend. The first game starts at 8 a.m. Friday morning and after three full days of hockey on Friday, Saturday and Sunday, April 4, 5 and 6, the tournament takes a few days off. The teams that are still in the running will go at it again Saturday and Sunday, April 12 and 13. The grand championship games will be held Monday evening April 14.

Thirty-six teams are entered and it is estimated that in the first three days of the tournament, a total of 6000 people, including players, will be added to Streetsville's population. So help roll out the welcome carpet for strangers around town this weekend. Be sure they find out that Streetsville is a friendly town.

It's time for those Easter Eggs

Again this year - the Ladies' Auxiliary of the 1st Streetsville Cubs, Scouts and Venturers have those delicious home-made Easter eggs for sale.

The eggs - cream filled, chocolate dipped and decorated were made this week by the mothers - they're good - and they sell for 35¢ each or 3 for one dollar.

For delivery of these Easter Eggs call Mrs. Lund at 826-4445.

Last year the residents of Streetsville bought 850 of these home-made Easter Eggs - this year the mothers have made over 1000 - and the money raised this way goes to provide trips and equipment for the Cubs, Scouts and Venturers.

It's that time again! "EASTER"! And all those Easter eggs made by the 1st Streetsville Cubs and Scouts Ladies Auxiliary look good to Jennifer Watkins. Try them! Buy for the children in the family and don't forget to buy extras as they are delicious. AL BETTS PHOTO

Drama Night at S.S.S.

The Theatre Arts Club of Streetsville Secondary School will present Drama Night on Friday, April 11 and Saturday, April 12.

Three short plays - "The Dear Departed", "Trifles" and "Passion, Poison and Petrification"

will be presented at each of the performances.

Curtain time is 8 p.m. Tickets, now available at the school, or at the door on either of the two nights are \$1.00 for adults and 75 cents for students.

Cancer campaign starts

During the month of April, volunteer canvassers in Streetsville will be contacting local residents and business establishments for contributions to the Canadian Cancer Society.

Last year the Streetsville Cancer Society went "over the top" as the people of Streetsville rallied behind their local canvassers and contributed generously to the annual campaign for funds on behalf of the Cancer Society. The volunteers are

hoping for some good results this year.

Movie time

A movie "Summer Magic" plus a cartoon will be shown (at 2 p.m. - and at 7 p.m.) on Monday, April 7 in the Streetsville United Church auditorium.

The movie will be sponsored by the 1st Streetsville Cubs, Scouts and Venturers.

Key Club convention

Thirteen boys from Streetsville Secondary School attended the 1969 Key Club Convention held at Barrie March 29, 31 and 32.

The boys travelled to Barrie by bus and were billeted in private homes. They attended lectures, meetings, banquets and dances before returning home on Sunday.

22 New homes!

The Streetsville Planning Board has recommended a rezoning and plan of subdivision by Breckon Developments Ltd. for erection of 22 houses just west of Mullett Creek,

south of Thomas Street.

The By-law will now go before Council for approval or rejection, probably at next week's Council meeting.

"Portuguese Style" night

A large crowd attended the dance "A Night Portuguese Style" at Streetsville Arena on Saturday, March 29. The Streetsville Lusitania Soccer Club sponsored the evening and the big prize of the evening was a draw

for a Floor Model Stereo. Adults aren't the only ones who enjoy dancing to The Atlantics (left) as the 'younger set' Anna Maria Oliveira and brother Manuel try out the music on the dance floor. Photo by BETTS

Language School holds closing ceremonies

Streetsville Night School of Basic English for New Canadians held its closing ceremonies on Thursday evening March 27, in the Russell Langmaid School auditorium. Representing the Mayor at this event was Councillor Earl McLean, who before awarding the various promotion cards and certificates, gave an interesting language demonstration of his own use of the Gaelic tongue.

The outstanding event of the evening was the presentation of certificates in English and Citizenship awarded by the Ontario Government to three of the graduating class as follows: Gisela Foehner (with high honours); Maria Caetano (with honours) and Anny Schuck (honours).

Promotion cards for steady attendance were presented as follows: From First year to Second - Mario Antonacci, Ivano Antonacci, John Costa, Norberto Couto, Maria Carreiro, Natalie Frias, Rafael Nassos, Almerinda Silva and Joseph da Sousa. From Second Year to Third - Joseph Arel, Joseph Camarro, Dina Carreiro, Manuel Frias, Lino Rodrigues, Abel Marques, Tony Martin and Liberia da Silva.

Graduating from Third Year were Maria Caetano, Maria Coelho, Gisela Foehner, Gilbert Medeiros, Anny Schuck, Joseph Tavana, Genaro Tavana and Joseph Travassos. Coloured movies on Canada, skits games and refreshments bought the happy evening to a close.

Kin Carabana in June

The March meeting of the Streetsville Kinettes was held at the home of Mrs. Roberta Pinarello in Milton, and in keeping with the unpredictable March weather, the snow was flying and the roads were slippery and most of the cars had shed their snow tires, but fifteen members were present. The meeting got off to such a late start that, in fairness to the guest speaker, the business portion was temporarily adjourned to hear Mr. Roy Wollaston from the Ontario School for the Deaf in Milton.

Mr. Wollaston is an most interesting speaker and obviously a dedicated man. He taught and received his training in England but is a supervising capacity here in Canada. Mr. Wollaston started his talk by explaining to the Kinettes the concept of deafness. To be born deaf means that you are denied the opportunity to learn language and when you think about it, there isn't anything you do that you don't use language in your mind. A deaf child doesn't think the way a hearing child does because he has never heard the language used. Milton is primarily an Oral School. Many schools believe this is too hard to teach and so they use the manual method or signing. The Milton School believes that for a deaf person to join the hearing population, he must learn to speak.

The Kinettes were invited to attend the Open House which is always announced in the papers.

Hilda Cook thanked Mr. Wollaston and presented him with a small token of appreciation from the Kinettes.

The business meeting was then carried on as usual and President June McDonald welcomed guest Nina Peterson to her first Kinette meeting.

Mimi Jones, Ruth Ann Tribe, Jessie Hayward, Ann Marrow, Marilyn Wood, Bernice Crawford and Donna Denny were missing and missed this month.

Dorothy Harkness thanked the girls for helping out the Streetsville-Meadowdale Hockey association by taking tickets at the Arena and warned them that although hockey is over, Lacrosse is starting so once more, the Kinettes will be busy at the Arena.

Val Howell told of how her family, the Wakelins, formerly of Streetsville and now residing in British Honduras had written telling of a thirteen year old boy who had just a short time to live unless he could be brought to Canada for an operation to repair a hole in his heart. Val and her sister contacted Marilyn Buttle, whose parents live in Meadowdale and who is supervisor at St. Michael's hospital. A specialist agreed to do the operation free if the boy could be flown to Canada, and a mercy flight was immediately arranged. Marilyn has given the mother accommodation at her apartment for the present time and now Kinette Val appealed to the Kinettes for help if any further accommodation, etc. is needed.

Inclement weather and a few minor personal problems seemed far away to the majority of the Kinettes when they listened to Val and also Mr. Wollaston telling about the problems of these children.

On a brighter note, the June Dance Committee has decided on a Caribbean theme and will call the dance Kin CARABANA. Dianne Mishaw and Hilda Cook are chairing the committee and it looks like the Kinettes will be knee deep in making palm trees soon.

The next meeting of the Streetsville Kinettes will be held at the home of Hilda Cook and will be Installation Night and Nomination night as well. The Kinettes were reminded of the Tri Service meeting on April 22.

Joseph Cemetery.

Announce New

Healing Substance:

Shrinks Piles

Exclusive healing substance
proven to shrink hemorrhoids
... and repair damaged tissue.
A renowned research institute
has found a unique healing sub-
stance with the ability to
shrink hemorrhoids painlessly.
It relieves itching and discom-
fort in minutes and speeds up
healing of the injured, inflamed
tissues.

One hemorrhoidal case his-
tory after another reported
"very striking improvement."
Pain was promptly and gently
relieved... actual reduction
or retraction (shrinking) took
place.

Among these case histories
were a variety of hemorrhoidal
conditions. Relief even occur-
red in cases of long standing,
and most important of all, re-
sults were so thorough that
this improvement was main-
tained over a period of many
months.

This was accomplished with
a new healing substance (Bio-
Dyne) which quickly helps heal
injured cells and stimulates
growth of new tissue. Bio-Dyne
is offered in ointment and sup-
pository form called Preparation H.

In addition to actually
shrinking hemorrhoids, Prepa-
ration H lubricates and makes
elimination less painful. It
helps prevent infection which
is a principal cause of hemor-
roids.

Just ask your druggist for
Preparation H Suppositories or
Preparation H Ointment (with
a special applicator).
Satisfaction or your money
refunded.

Mr. and Mrs. J. L. Riva of Cooksville announce
the engagement of their daughter Carolyn to
Mr. Lorie Jarvis, son of Mr. and Mrs. Don
Jarvis, Mississauga. The wedding will take
place on Saturday, May 3 at Cooksville United
Church. Miss Riva is the granddaughter of Mr.
John A. Temple of Streetsville. The couple
will reside in Toronto.

Some special events in
Square Dance Clubs this
month: To celebrate the
return of Callers Bill
and Barb Cooper and
Presidents Jack and
Snooks Bourne from
their Caribbean Cruise,
dancers of Swingin'
Squares, Port Credit,
appeared in hobo out-
fits. A "nocturnal" march
complete with placards,
demanded that all danc-
ers be included on the
next cruise!

Streetsville Strutters
(Don and Marg. Sher-
lock) were hosts March
18 at a happy party,
third in a series when
class dancers ex-
changed their newly
acquired skills with
friends from Guelph,
Acton and surrounding
areas.

Skyway Squares class
invites other class
dancers to a party April
15 when Max Forsyth,
Indiana, will be Guest
Caller; and Skyway
(Burlington) Interme-
diate Club plans a red-
letter evening with
Bruce Johnson of Calif-
ornia this month. Tor-
onto Squares of Willow-
dale, one of the "old-
timers" in modern
square dancing, cele-
brated its 14th birthday
March 22.

April 12 is an impor-
tant date - the annual
meeting and election of
officers for Toronto
and District Square
Dance Association, at
Agincourt. This orga-
nization trains new call-
ers, co-ordinates var-
ious aspects of square
and round dancing, pre-
sents the International
convention and prom-
otes square dancing in
countless ways through-
out the province. Mem-
bers are callers, lead-
ers of dance groups
and executives of clubs.

DOWLING - Ken and
Jeanne, of Brownsville,
are pleased to announce
the birth of their son
Shaun Calvin, March 5,
1969, at the Tillsonburg
Memorial Hospital.
A brother for Sandra,
David, Heather and Paul.

HAVE NEWSPAPER - WILL TRAVEL

That's the headline on a recent news item in Canadian Printer & Publisher. It's about David Scott, publisher of the Times-Review in Fort Erie, Ontario, and an idea he has.

It's a switch on the exchange-program or twin-cities idea. David Scott wants to exchange jobs for two or three weeks during the summer with some other weekly newspaper publisher in some distant

(to him) part of Canada - preferably British Columbia or Newfoundland.

Scott's idea is for the publishers to exchange cars and homes, and move the families by

air.

This is an idea that might have some possibilities for other town-folk - mayors and ministers, restaurant chefs and police chiefs, or even you and me.

Salty hints for Spring cleaning

When bath tubs and other enameled equipment turn yellow, rub with a sponge dipped in a solution of salt and turpentine to bring back their sparkling whiteness.

Clean wicker furniture with a solution of salt water. The salt not only cleanses effectively but stiffens the wicker for longer life.

If you have a piece of heat-stained furniture, apply a thin paste of salt and salad oil. Let stand for an hour, then remove. Unless the stain has really penetrated the grain of the wood, it will respond to this treatment.

Girl of the Week

Kathy Snobelen, age 16, of 2369 Genevieve Drive, Mississauga, has been selected as "Girl of the Week." She is in Grade 12 at T. L. Kennedy High School where she is a cheerleader. She hopes to attend University and become a Home Economics teacher.

Kathy's hobbies are piano, singing in a choir, teaching Sunday School and grade 9 Home Ec. She also likes all kinds of sports.

THE CORPORATION OF THE TOWN OF MISSISSAUGA PUBLIC NOTICE

TAKE NOTICE THAT:

1. The Council of the Corporation of the Town of Mississauga intends to construct as a local improvement the works described in Schedule 'A' below and intends to specially assess a part of the cost upon the land abutting directly upon the work.
2. The estimated cost of the work is \$8,500.00 of which \$5,368.00 is to be charged against all the rateable property in the Town of Mississauga Water Area, described below in Schedule 'B'. The estimated cost per foot frontage is \$3.00. The estimated annual rate per foot frontage is \$29.4286. The special assessment is to be paid in twenty (20) equal annual instalments.
3. Application will be made by the Corporation to the Ontario Municipal Board for its approval of the undertaking of the work and any owner may within twenty-one (21) days after the first publication of this notice file with the Clerk his objection to the work being undertaken.
4. The Board may approve of the work being undertaken, but before doing so it may appoint a time and place when any objections to the work will be considered.

DATED AT MISSISSAUGA this 26th day of March, 1969.

G. Lummiss,
Clerk,
The Town of Mississauga,
Municipal Offices,
100 Dundas Street West,
Mississauga, Ontario.

SCHEDULE 'A'

- a) 6-inch watermain on Inglewood Drive, from the existing 6-inch watermain to Minaki Road, a distance of 400 feet more or less;
- b) 6-inch watermain on Minaki Road, from Inglewood Drive to the existing 4-inch watermain, a distance of 330 feet more or less.

SCHEDULE 'B'

NOTE: The lands described in Schedule 'A'; to By-law 7008 being the lands forming the Town of Mississauga Water Area are set out below:

SCHEDULE 'A' TO BY-LAW 7008

COMMENCING at the point of intersection of the centreline of Steeles Avenue East, being the northwesterly limit of the Town of Mississauga and the Indian Line, being the limit between the Town of Mississauga and the Township of Vaughan;

THENCE southeasterly along the said Indian Line, being along the limit between the Town of Mississauga and the Township of Vaughan and continuing along the limit between the Borough of Etobicoke and the Town of Mississauga, to where the same is intersected by the centreline of Base Line Road East, as defined by Municipal Survey Number 844;

THENCE southwesterly along the said centreline of Base Line Road East and continuing along the limit between the Borough of Etobicoke and the Town of Mississauga, to its intersection with the centreline of the Etobicoke Creek;

THENCE in a general southeasterly direction downstream along the said centreline of the Etobicoke Creek in all its windings to where the same is intersected by the water's edge of Lake Ontario;

THENCE in a general southwesterly direction along the water's edge of Lake Ontario in all its windings to the point of intersection of the said water's edge of Lake Ontario with the centreline of the allowance for road between the Town of Mississauga and the Town of Oakville;

THENCE in a northwesterly direction along the said centreline of the road allowance between the Town of Mississauga and the Town of Oakville, being along the southwesterly limit of the said Town of Mississauga across the Concessions 4, 3, 2 and 1, South of Dundas Street, and south half of Concession 1, North of Dundas Street, to the point of intersection with the line between north and south halves of said Concession 1, North of Dundas Street;

THENCE easterly along the line between the north and south halves of Concession 1, North of Dundas Street, through Lots 35, 34, 33 and 32 to the westerly limit of Lot 31;

THENCE northwesterly along the said westerly limit of Lot 31, through the north half of Concession 1, North of Dundas Street and the south half of Concession 2, North of Dundas Street, to the line between the north and south halves of Concession 2, North of Dundas Street;

THENCE easterly along the said line between the north and south halves of Concession 2, North of Dundas Street, through part of Lot 31, to the northerly limit of Range 4, North of Dundas Street;

THENCE continuing easterly through Lots 1, 2, 3 and part of Lot 4, along the northerly limit of Range 4, North of Dundas Street, of the Credit Indian Reserve to the point of its intersection with the centreline of the Credit River in Lot 4, of the said Range;

THENCE northerly following the curves and windings of the Credit River through Lot 4, Range 5, North of Dundas Street, Lot 1 and part of Lot 2, Concession 4, West of Hurontario Street to its intersection with the southerly limit of the Town of Streetsville in Lot 2, Concession 4, West of Hurontario Street;

THENCE northerly along the easterly limit of the Town of Streetsville through Lot 2 to the point of intersection of the said limit with the line between Lots 2 and 3, Concession 4, West of Hurontario Street;

THENCE easterly along the said line between Lots 2 and 3, Concession 4, through part of the west half of Concession 4, also being the limit of the Town of Streetsville, to the point of its intersection with the centreline of Concession 4, West of Hurontario Street;

THENCE northerly along the easterly limit of the Town of Streetsville, through Lot 3, Concession 4, West of Hurontario Street, being also the centreline of the said Concession, to the point of its intersection with the line between Lots 3 and 4, Concession 4, West of Hurontario Street;

THENCE easterly along the line between Lots 3 and 4, through the east half of Concession 4, and the west half of Concession 3, West of Hurontario Street to the point of its intersection with the centreline of the Third Concession, West of Hurontario Street;

THENCE southerly along the said centreline of the Third Concession West of Hurontario Street, through Lots 3 and 2, to the point of its intersection with the line between Lots 1 and 2, in the said Concession;

THENCE easterly along the line between Lots 1 and 2, through the east half of Concession 3, West of Hurontario Street, to the point of its intersection with the westerly limit of the road allowance known as the Second Line West between Concessions 2 and 3, West of Hurontario Street;

THENCE southerly along the westerly limit of the road allowance known as the Second Line West, through Lot 1, Concession 3, West of Hurontario Street, to the point of intersection with the southerly limit of the road allowance between Lot 22, Concession 2, North of Dundas Street and Lot 1, Concession 3, West of Hurontario Street, known as Base Line Road West;

THENCE easterly along the southerly limit of the said road allowance known as Base Line Road West to the point of its intersection with the easterly limit of Lot 22, Concession 2, North of Dundas Street;

Hydro's lakefront staff sets new safety record

A new accident-free record has been set by members of Ontario Hydro's Lakefront Area staff.

The Area staff of 153 persons has worked for 945,527 manours without any lost time accidents.

This record was recognized by the Commission when a framed certificate was presented by Hydro's General Manager, Dr. J.M. Hambley, to Area Manager J. W. H. Kerr, Dr. Hambley congratulated the entire staff on their unique safety record, achieved over a 36-month period.

The Lakefront Area staff is involved in a variety of duties, many of which require much care to avoid accidents. The 153 staff members, directed by 18 supervisors are engaged in line, forestry, station maintenance, electrical inspection as well as office work.

Lakefront Area extends throughout Metro Toronto and also includes the towns of Mississauga and Oakville. Area Manager Kerr said that he was proud of the safe working efforts of Lakefront Area staff.

"They have been conscious of the importance of carrying out their work in a competent, thoughtful manner. The hazard factor in living can't be wholly eliminated, but much can be done to reduce it. The Lakefront Area staff have put a lot of individual effort into working safely and trying to avoid accidents," Mr. Kerr said.

Dr. J. M. Hambley, (left) Ontario Hydro's General Manager, presents a framed certificate as an award for leadership in the field of safety to J. W. H. Kerr, (centre), Manager of Hydro's Lakefront Area. Central Region Manager Frank J. Dobson (right), looks on. The award was presented for the achievement by the staff for working 945,527 manours without a lost time accident. (Ontario Hydro Photo)

will cover graphic design work being done by more than 40 advanced students. Will be open daily from Thursday, April 3 to Saturday, April 12, inclusive.

ANOTHER FAMOUS FIRST FOR SHERIDAN

A juried, diploma show for second year commercial art students of Sheridan College of Applied Arts and Technology will be another famous first for Sheridan. The free-wheeling new community colleges have made some innovations, but none has tried this before; nor has the Ontario College of Art. Not just a display of student work, but a formal exhibition juried and marked by a panel of professional artists, prior to the show's opening.

Official opening for specially invited guests will be held at 2 p.m. at the Oakville Centennial Library, 120 Navy Street, Oakville on Wednesday, April 2.

Mayor MacLean Anderson of Oakville, President John M. Porter of Sheridan, members of the College's board of governors, many civic officials of Oakville and other Halton areas plus other distinguished guests have been invited to attend the opening.

Come and see the new, the arresting, in-art and art trends. The show

Anyone for Nursery School training?

The Peel County Nursery Education Association is going to undertake a survey of people who wish to train in pre-school education for the purpose of teaching in nursery schools. There is a shortage of trained personnel in this field, and if sufficient people are interested, the P.C.N.E.A. will arrange with the local authorities to start the necessary courses of instruction. The March meeting of the P.C.N.E.A. was at Trinity Church in Streetsville when a film "Guiding Behaviour" was shown. The film was followed by a group discussion on the right and wrong ways of helping young children with their behaviour problems.

A slate of officers for the 1969-70 year was presented, and the following were nominated:

Honourary President - Mrs. Mary Horton (the founder of the P.C.N.E.A.); President - Mrs. Verda Bolton; 1st Vice President - Mrs. Jeanne Parr; Recording Secretary and Newsletter - Mrs. Ida Dundas; Treasurer - Mr. John Menzies; Social - Mrs. Dianne Christie and Mrs. D. Van Straten; Publicity - Mrs. Ivy Brown; Membership - Mrs. Dianne Skidmore; Program - still open.

The Annual Meeting will be at Sunnyside Nursery School, Mississauga Road on April 14. For further information phone Ivy Brown at 278-0313.

O. P. P. NEWS

MOTORCYCLIST INJURED

On Saturday, March 29 at approximately 2:20 p.m. Robert Cramer, age 19 of 3051 O'Hagan Drive in Mississauga, was southbound on Hwy. 10 operating a motorcycle. Near Troy Ave. Cramer lost control of the motorcycle and fell, suffering a fractured collar bone, head injuries and multiple bruises and abrasions. He was

taken to South Peel Hospital. Prov. Const. W. Skelley of OPP Port Credit estimated the damage on the motorcycle to be \$75.00.

FATAL HIT AND RUN

On Monday, March 31 an Enfield Avenue, Toronto man was charged with "Failing to Remain at the Scene of an Accident" by OPP Port Credit Detachment.

Robert Henry Rogers, 21, has been charged in regard to a fatal accident which occurred on Friday, March 28 on the Q.E. Way westbound lanes near the Monument Bridge. John Spoerr, age 36 of 16 Cabot Ct. Islington was killed while changing a flat tire.

Rogers will appear in Provincial Judge's Court in Toronto on Thursday, April 3.

THENCE southerly along the said easterly limit of Lot 22 to the point of intersection with a line between the north and south halves of Concession 2, North of Dundas Street;

THENCE easterly along a line between the north and south halves of Concession 2, North of Dundas Street, and through Lots 21, 20, 19, 18, 17, 16, 15, 14, 13 and 12, to the west limit of Lot 11 in the said Concession;

THENCE northerly along the west limit of the said Lot 11, to the point of its intersection with the northerly limit of the Base Line Road East;

THENCE easterly along the said northerly limit of the Base Line Road East to the point of its intersection with the easterly limit of the H.E.P.C. right-of-way in Lot 1, Concession 2, East of Hurontario Street;

THENCE northerly along the easterly limit of the H.E.P.C. right-of-way, through Lots 1, 2, 3, 4, 5 and 6, Concession 2, East of Hurontario Street to its intersection with the line between Lots 6 and 7, Concession 2, East of Hurontario Street;

THENCE easterly along the line between Lots 6 and 7, through the east half of Concession 2, and the west half of Concession 3, East of Hurontario Street, to the point of its intersection with the centreline of the Third Concession, East of Hurontario Street;

THENCE northerly along the said centreline of the Third Concession, East of Hurontario Street and through Lots 7, 8, 9, 10, 11, 12 and 13, to the point of intersection of the said centreline and the lot line between Lots 13 and 14 in the said Concession;

THENCE westerly along the said lot line between Lots 13 and 14 in the Third, Second and First Concession, East of Hurontario Street and Concession 1, West of Hurontario Street, to the point of intersection of the said lot line with the centreline of Concession 1, West of Hurontario Street;

THENCE northerly along the said centreline of Concession 1, West of Hurontario Street, through Lots 14 and 15, to the centreline of Steeles Avenue West;

THENCE northeasterly along the said centreline of Steeles Avenue West and continuing along the centreline of Steeles Avenue East, being along the northwesterly limit of the Town of Mississauga to where the same is intersected by the Indian Line, being the limit between the Town of Mississauga and the Township of Vaughan, also being the point of commencement.

EXCEPTING thereout and therefrom all those parts of Lots 4 and 5, Concession 3, South of Dundas Street, annexed by the Corporation of the Village of Long Branch (now the Borough of Etobicoke) and FURTHER EXCEPTING thereout and therefrom the Town of Port Credit.

PROVINCIAL COURT

CRIMINAL DIVISION

TEEN-AGERS IN THE DOCK

At 3 o'clock in the morning, Ross Keleher, 18, crept into the tack room of a horse ranch on the Second Line East in Mississauga and emerged with a brown leather Western saddle, valued at \$300. In the afternoon of the same day, the police checked the trunk of a car in which Mr. Keleher was a passenger. They came up with the saddle which was the property of a Toronto horse-lover who boarded his horse at the ranch in question. Mr. Keleher admitted the theft and was fined \$50 and costs by Provincial Judge Carl Walsberg.

Morris McLean and David Turner, 16 and 17 years of age, pleaded guilty to breaking and entering the premises of a local golf club. Their haul consisted of \$99.90

and three packages of 18, who was released cigarettes. Before they from the Ontario Re-had a chance to enjoy formatory at Guelphon-the spoils, the pair ly a short while before were nabbed with the This time he stole a young men's freedom is travel alarm clock, a going to be severely part-bottle of whiskey, curtailed for a while. and a wallet with an-Judge Walsberg, in other man's driver's placing them on proba-tion, ordered each to be home by 6 p.m. every six months in jail. After his release, Judge Walsberg ordered supervision by the proba-tion department for an additional two years.

ROYAL BANK AWARD FOR CARDINAL LEGER

His Eminence Paul-Emile Cardinal Leger, the simole orist from Valleyfield, Quebec, who last year renounced his position as Archbishop of Montreal and one of the most influential prelates of the Catholic Church to become chaplain of a leper colony in Africa, has been named recipient of the \$50,000 Royal Bank Award for 1969.

The announcement was made by The Honourable J. V. Clynne, chairman of the Selection Committee, who said that "his achievements, his devotion and efforts to create goodwill and tolerance for peoples of all religions, his self-sacrificing life, has been a model for all Canadians. His works on behalf of the poor and down-trodden are a measure of the man's unselfishness and have given him a place of eminence and honour not only in the eyes of all Canadians, but also to all peoples throughout the world."

"The award is not for any single achievement, but for a life of devotion to the common man - a life which has been marked by a multitude of achievements, not only resulting from his progressive influence in Church matters, but from his energy and determination to better the lives of ordinary people. For examples one has to look no further than the creative role he played in the deliberations of the second Vatican Council, and his efforts in the

establishment of such practical projects as Montreal's Foyer de la Charite, St. Charles Borromeo Hospital for men and the Porte du Ciel for women."

The Royal Bank award was established in 1967 to mark, in a most significant way, the celebration of the Centennial of Canadian Confederation. It is awarded annually and its purpose is to recognize outstanding achievements of such importance that they are contributing to human welfare and the common good. In addition to the cash award, the recipient receives a gold medal specially struck by the Royal Canadian Mint in Ottawa and an inscribed diploma.

Informed of his selection as the recipient of the 1969 award by a cable directed to the leper colony in the Federal Republic of Cameroon, West Africa, Cardinal Leger signified his acceptance of the Award, saying, "I am happy to accept this honour, and will be pleased to visit Canada in the Fall to attend the presentation."

Presentation of the gold medal and the \$50,000 cheque will be made to the Cardinal at a special dinner to be held in the Fall.

THE RED CROSS SERVES FOR YOU

A Letter From Home

By a Member of the
Mississauga Historical Society

Dear Ruth:

It was so nice to hear your voice, the time goes all too quickly though. Telephone is a wonderful invention. The first telephone I can remember was in my great grandfather's home on the Middle Road in 1917. My great aunt Amy put a call through to cousin Winnie and let me talk to her. It was a real experience for me. I tried to hear everything she was saying but I found it very difficult. Aunt Amy was frying pork chops and the "sputtering" didn't help the situation. The telephone of that day was a far cry from our phones today. In "Credit Valley Gateway" by Betty Clarkson, on page 15, she states that there were 100 phones in Port Credit in 1912. So Great Uncle Ross Goldthorpe must have been among the earliest people to acquire a phone. In 1902, her book states

that St. Lawrence Starch Co. Ltd., Lake Road, had telephone #1. Dr. Sutton (our Dr. Sutton's father), a resident of Cooksville had phone #5.

Do you like my little poem to our paper? Incidentally, schools with pools, reminds me of the High School I attended in Streetsville. Of course, we didn't have pools but we had "built in slides" down the steep cliffs of the Credit and our "flying saucers" were the old metal shingles from a nearby barn. It was dangerous perhaps, but our activities were self-initiated and if you suffered an injury, this was your problem and you didn't whine at home either because your parents were far too busy earning a living to listen to you. You were very much aware of this.

The pupils who attended from the Cooksville, Burnhamthorpe

and Dixie area caught the 8.03 westbound mail train at the C.P.R. station. In the winter I was driven to the station by cutter drawn by a white pony named Dolly. It was half a mile from our home, but our pony could make that trip in five minutes. My mother would clock us since she could see the cutter when it crossed the track at the station.

For languages and geography we had a very learned, devoted man who had taught for years and was now nearing retirement. Of course in those years there was no pension for retirement, so you kept going until you dropped. No medical sick leave either. If you weren't able to save enough for your old age out of your meagre salary, you were really up against it! About 2.30 in the afternoon it was not unusual for him to doze off to sleep. Of course we had our work to do but, you can imagine how much Latin and French seat work was accomplished then! But you didn't make too much commotion for after all this would arouse the dear old gentleman. However, on the whole I would say he was a good teacher. He was humorous and he told this story that happened on a trip to Spain. It seems he was travelling by train to Barcelona, when the train was delayed. After waiting for what seemed like an unusual length of time, he got out and walked along the path beside the train only to discover the engine was gone. Upon making inquiry he learned that it was the engineer's mother's birthday so he had taken the engine and gone down into the village to buy flowers. But, our teacher was assured "He'll soon be back!"

The old high school was always dear to me. My grandmother as Martha Grafton had attended it when she was a girl. It was Grammar School then, while

writing up lessons in the science room, from behind the high cupboards the silence would sometimes be interrupted by "eek, eek, eek". I sometimes saved crusts for our little four-footed friends. Once I remember, John Lindsay and I attached a crust to a string and pulled it along the floor. Five mice came out from behind that cupboard! Just about then I realized that they were

becoming far too friendly and demanding; sometimes not even waiting for our lunch period, they were ready and eager to delve into our unopened lunches. However, I don't remember anything being done at that time to eliminate these critters and I suppose you would say they were mice with aspirations, eh?

I remember so well the concerts that were given by Streetsville

High School. I thought the acting was excellent and the scenery very colourful. The plays would first be presented in Streetsville and at a later date at our Cooksville town hall. There always was a full house. This was one of the real social events of the year. The students from Streetsville would come down by train, have supper (provided by the Cooksville parents) in the Sunday School room

of Cooksville Methodist Church and then a little would proceed to the Town Hall. Tell Karen that the story about the Irish Grandfather who rode to Arizona, just to break it in, will perhaps be told in my next letter. Oh incidentally, someone wants to know about Phoebe; it's our cottage at Little Lake, we would hear just at daybreak a sweet plaintive song, continuously delivered

in a regular pattern "phoe-o-be". No doubt, an Eastern Peewee, but to me he was a milque toast husband calling an errant wife (who was probably gadding about the country). And when you mentioned hearing "Phoebe's husband" in

your yard it reminded me of our wild life friends at Little Lake. Your bird was no doubt the Western Peewee, they are quite similar. I must close, with much love to all,

Your Mother

THE CORPORATION OF THE TOWN OF MISSISSAUGA PUBLIC NOTICE

TAKE NOTICE THAT:

The Council of the Corporation of the Town of Mississauga proposes to pass a by-law to stop up Block A as shown on a plan registered in the Registry Office for the Registry Division of the County of Peel as Number 759. The Council further proposes in the said by-law to authorize the sale of the soil and freehold of the said walkway to the owners of the land which abut the said walkway. The following is a copy of the proposed by-law:

THE CORPORATION OF THE TOWN OF
MISSISSAUGA

BY-LAW NUMBER

A By-law to stop up Block A as shown on a plan registered in the Registry Office for the Registry Division of the County of Peel as Number 759.

THE COUNCIL of the Corporation of the Town of Mississauga, pursuant to Clause C and D of Subsection 1 of Section 459 of The Municipal Act, R.S.O. 1960, chapter 29, ENACTS as follows:

1. That the walkway and parts of walkway described in Schedule A attached hereto and forming part of this by-law are hereby stopped up.
2. That the soil and freehold of the above stopped up walkway and parts of walkway be offered for sale to the owners of lands abutting for a sum and subject to conditions to be fixed by Council.
3. This By-law comes into force and takes effect when approved by the Minister of Municipal Affairs.

SCHEDULE "A"

All of Block "A", Registered Plan 759

The above by-law will be considered by Council at a regular meeting held not sooner than one month after the first publication of this notice and the Council shall hear any person or by his Counsel, Solicitor or Agent any person who claims that his land will be prejudicially affected by this by-law and who applies to be heard.

DATED at Mississauga this 5th day of March, 1969.

GORDON LUMMISS, Clerk,
The Town of Mississauga,
Municipal Offices,
100 Dundas Street West,
MISSISSAUGA, Ontario.

- a) A 10" diameter sanitary sewer on Oakes Drive from Mineola Road to Goldthorpe Rd., a distance of 1100 feet at an estimated cost of \$22,110.00.
- b) A 10" diameter sanitary sewer on Broadmoor Avenue from Pinewood Trail to Radley Road, a distance of 1475 feet at an estimated cost of \$28,350.00.
- c) A 10" diameter sanitary sewer on Radley Road from Crestview Ave. to Cooksville sanitary trunk sewer, a distance of 880 feet at an estimated cost of \$13,590.00.
- d) A 10" diameter sanitary sewer on Crestview Avenue from Glenview Drive to Radley Road, a distance of 440 feet at an estimated cost of \$9,180.00.
- e) A 10" diameter sanitary sewer on Glenview Drive from 200 feet east of Crestview Avenue to Broadmoor Avenue, a distance of 430 feet at an estimated cost of \$7,970.00.

SCHEDULE "B"

NOTE: The lands described in Schedule "A" to By-law 7478 being the lands forming the Town of Mississauga sewer Area are set out below:

Schedule "A" to By-law No. 7478
DESCRIPTION OF TOWN OF MISSISSAUGA SEWER AREA
(SEPTEMBER 1968)

ALL AND SINGULAR that certain parcel or tract of land and premises situate, lying and being in the Town of Mississauga (formerly the Township of Toronto), County of Peel and Province of Ontario and which said parcel may be more particularly described as follows:

COMMENCING at the intersection of the water's edge of Lake Ontario with the centreline of the allowance for road between the Town of Mississauga and the Town of Oakville;

THENCE in a northerly direction along the said centreline of the road allowance between the Town of Mississauga and the Town of Oakville, being along the southeasterly limit of the said Town of Mississauga across the allowance for road between Concessions 3 and 4, South of Dundas Street; the allowance for road between Concessions 2 and 3, South of Dundas Street; the allowance for road between Concessions 1 and 2, South of Dundas Street, in all a distance of 21,350 feet more or less to its intersection with the northwesterly limit of the original allowance for Dundas Street;

THENCE northeasterly along the said northwesterly limit of the original allowance for Dundas Street 6,660 feet more or less to its intersection with the production southeasterly of the northeasterly limit of the proposed allowance for Southdown Road, being the southwesterly limit of that part of Lot 1, Range 1, North of Dundas Street, in the Racey Tract, owned by The Board of Education for the Town of Mississauga;

THENCE north 46 degrees 27 minutes 40 seconds west along the said southwesterly limit of the lands of The Board of Education for the Town of Mississauga, 1400 feet more or less to the most westerly angle of the said lands of The Board of Education for the Town of Mississauga;

THENCE north 43 degrees 32 minutes 20 seconds east 660.36 feet to the most northerly angle of the said lands of The Board of Education for the Town of Mississauga, being a point in the existing division line between Lots 1 and 2, Range 1, North of Dundas Street, Racey Tract;

THENCE south 46 degrees 05 minutes 50 seconds east along the said division line between Lots 1 and 2, a distance of 230.52 feet to an angle in the limit of the said lands of The Board of Education for the Town of Mississauga;

THENCE south 46 degrees 53 minutes 10 seconds east continuing along the said division line 461.19 feet to a further angle in the limit of the said lands of The Board of Education for the Town of Mississauga;

THENCE south 39 degrees 19 minutes 30 seconds west 183.35 feet to a further angle in the limit of the said lands of The Board of Education for the Town of Mississauga;

THENCE south 46 degrees 40 minutes east 395.74 feet to a further angle in the limit of the said lands of The Board of Education for the Town of Mississauga;

THENCE south 40 degrees 06 minutes 30 seconds west 322.16 feet to a further angle in the limit of the said lands of The Board of Education for the Town of Mississauga;

THENCE south 45 degrees 17 minutes 20 seconds east 267 feet more or less to where the same is intersected by the northwesterly limit of the original allowance for Dundas Street;

THENCE northeasterly along the said northwesterly limit of the original allowance for Dundas Street to where the same is intersected by the centreline of the Credit River;

THENCE in a general northerly direction upstream along the said centreline of the Credit River in all its windings to where the same is intersected by the southeasterly limit of the right-of-way easement lands of The Hydro-Electric Power Commission of Ontario in Lot 4, Range 4, North of Dundas Street, Credit Indian Reserve;

THENCE in a general northeasterly direction along the said southeasterly limit of the right-of-way easement lands of The Hydro-Electric Power Commission of Ontario, across part of Lot 4, Lot 5, and part of Lot 6, Range 4, North of Dundas Street, Credit Indian Reserve; across the right-of-way lands of the Canadian Pacific Railway; continuing across part of Lot 6 and Part of Lot 7, Range 4, North of Dundas Street, Credit Indian Reserve; across the allowance for road between Ranges 4 and 5, North of Dundas Street, Credit Indian Reserve (McCon-

nell Road); across part of Lot 7 and part of Lot 8, Range 5, North of Dundas Street, Credit Indian Reserve; across a road confirmed by Justices in Session, May 3, 1836 (Creditview Road); continuing across part of Lot 8, Range 5, North of Dundas Street, Credit Indian Reserve; across the unopened allowance for road along the east side of the Credit Indian Reserve; across Lots 23, 22 and 21, Concession 2, North of Dundas Street; across the allowance for road between Lots 20 and 21 Concession 2, North of Dundas Street (Mavis Road); across Lots 20, 19, 18, 17 and 16, Concession 2, North of Dundas Street; across The King's Highway Number 10 (Huronario Street); and across Lots 15, 14, 13, 12 and 11, Concession 2, North of Dundas Street, in all its irregularities 24,130 feet more or less to where the same is intersected by the southwesterly limit of the allowance for road between Lots 10 and 11, Concession 2, North of Dundas Street;

THENCE northwesterly along the last mentioned southwesterly limit 2,639 feet more or less to where the same is intersected by the southeasterly limit of Base Line Road East, according to Municipal Survey Number 844;

THENCE southwesterly along the last mentioned southeasterly limit to where the same is intersected by the production southeasterly of the southwesterly limit of the allowance for road between Concessions 1 and 2, East of Huronario Street (First Line East);

THENCE northwesterly to and along the said southwesterly limit of the allowance for road between Concessions 1 and 2, East of Huronario Street (First Line East) to the most northerly angle of Lot 5, Concession 1, East of Huronario Street;

THENCE northwesterly in a straight line across the allowance for road between Lots 5 and 6 (Britannia Road East) to the most easterly angle of Lot 6, Concession 1, East of Huronario Street;

THENCE northwesterly continuing along the southwesterly limit of the allowance for road between Concessions 1 and 2, East of Huronario Street (First Line East) to the most northerly angle of Lot 7, Concession 1, East of Huronario Street;

THENCE northeasterly in a straight line across the allowance for road between Concessions 1 and 2, East of Huronario Street (First Line East) to the most westerly angle of Lot 7, Concession 2, East of Huronario Street;

THENCE in a general northeasterly direction along the division line between Lots 7 and 8, Concession 2, East of Huronario Street to the most northerly angle of Lot 7, Concession 2, East of Huronario Street;

THENCE northeasterly in a straight line across the allowance for road between Concessions 2 and 3, East of Huronario Street (Second Line East) to the most westerly angle of Lot 7, Concession 3, East of Huronario Street;

THENCE in a general northeasterly direction along the division line between Lots 7 and 8, Concession 3, East of Huronario Street to the most northerly angle of Lot 7, Concession 3, East of Huronario Street;

THENCE northeasterly in a straight line across the allowance for road between Concessions 3 and 4, East of Huronario Street (Dixie Road) to the most westerly angle of Lot 7, Concession 4, East of Huronario Street;

THENCE northwesterly along the northeasterly limit of Dixie Road aforesaid to its intersection with the limit between the northwesterly and southeasterly halves of Lot 8, Concession 4, East of Huronario Street;

THENCE in a general northeasterly direction along the said division line between the northwesterly and southeasterly halves of Lot 8, Concession 4, East of Huronario Street to its intersection with the northeasterly limit of the said Lot 8, Concession 4, East of Huronario Street;

THENCE northwesterly along the southwesterly limit of the allowance for road between Concessions 4 and 5, East of Huronario Street and its production southwesterly to where the same is intersected by the production southwesterly of the northwesterly limit of Derry Road East as widened;

THENCE northeasterly to and along the said northwesterly limit of Derry Road East 4,000 feet more or less to where the same is intersected by a line drawn parallel to and distant 500 feet measured at right angles southwesterly from the southwesterly limit of the allowance for road between Concessions 5 and 6, East of Huronario Street (Torbarn Road);

THENCE northwesterly along the last mentioned line drawn parallel through Lots 11 and 12, Concession 5, East of Huronario Street, 3990 feet more or less to where the same is intersected by the division line between Lots 12 and 13, Concession 5, East of Huronario Street;

THENCE southwesterly along the said division line between Lots 12 and 13, Concession 5, East of Huronario Street, 1,708 feet more or less to an angle therein;

THENCE southeasterly continuing along the said division line between Lots 12 and 13, Concession 5, East of Huronario Street, 36.50 feet more or less to a further angle therein;

THENCE southwesterly continuing along the said division line between Lots 12 and 13, Concession 5, East of Huronario Street, 809.70 feet more or less to its intersection with the southwesterly limit of the lands described in Instrument Number 179223, Township of Toronto;

THENCE northwesterly along the last mentioned southwesterly limit 1081.69 feet more or less to the most westerly angle of the said lands described in Instrument Number 179223;

THENCE southwesterly along the production southwesterly of the northwesterly limit of the said lands described in Instrument Number 179223, a distance of 1454 feet more or less to its intersection with the southwesterly limit of the allowance for road between Concessions 4 and 5, East of Huronario Street (Bramalea Road);

THENCE northwesterly along the said southwesterly limit of Bramalea Road, 3820 feet more or less to its intersection with the southerly limit of the right-of-way lands of the Canadian National Railways;

THENCE westerly along the said southerly limit of the right-of-way lands of the Canadian National Railways, 1980 feet more or less to its intersection with the centreline of the allowance for road between the Town of Mississauga and the Township of Chinguacousy (Steeles Avenue East);

THENCE northeasterly along the said centreline of Steeles Avenue East and being along the northwesterly limit of the Town of Mississauga, 10,900 feet more or less to its intersection with the centreline of the allowance for road between Concessions 6 and 7, East of Huronario Street (Airport Road);

THENCE northeasterly continuing along the said centreline of Steeles Avenue East and being along the northwesterly limit of the Town of Mississauga to where the same is intersected by the Indian Line, being the limit between the Town of Mississauga and the Township of Vaughan;

THENCE southeasterly along the said Indian Line, being along the limit between the Town of Mississauga and the Township of Vaughan and continuing along the limit between the Borough of Etobicoke and the Town of Mississauga, to its intersection with the centreline of Base Line Road East, as defined by Municipal Survey Number 844;

THENCE southwesterly along the said centreline of Base Line Road East and continuing along the limit between the Borough of Etobicoke and the Town of Mississauga to its intersection with the centreline of the Etobicoke Creek;

THENCE in a general southeasterly direction downstream along the said centreline of the Etobicoke Creek in all its windings to where the same is intersected by the water's edge of Lake Ontario;

THENCE in a general southwesterly direction along the water's edge of Lake Ontario in all its windings to the point of commencement.

EXCEPTING thereout and therefrom all those parts of Lots 4, and 5, Concession 3, South of Dundas Street, annexed by The Corporation of the Village of Long Branch (now the Borough of Etobicoke) and FURTHER EXCEPTING thereout and therefrom the Town of Port Credit.

OF INTEREST TO WOMEN

Fashion Design Winners From Sheridan College

The only two Ontario winners in a nationwide fashion design contest are both from Sheridan College, the Halton-Peel community college.

Lynda Blacow of Toronto and Mrs. Doreen Love of Brampton are both second-year fashion design students at the college, studying under Mrs. Jean Eggertson.

Lynda's and Doreen's designs won honourable mention from a field of over 300 designs submitted from all over Canada. In the DuPont-sponsored Canadian Designers of Tomorrow competition just concluded, first prize of \$2,000 was won by a 22 year old Montreal designer.

Sandra Hill of Oakville who made news as a Fashion EeDee award winner last year, qualified as one of the thirty finalists in the competition, but did not win one of the prizes. Honourable mention winners received silver citations and \$100 in the competition.

Of the original 100 entrants in the contest who submitted three designs each - six were from Sheridan College. These were Lynda, Doreen and Sandra, and Patty Warr of Brampton, Lorraine

Savage of Oakville and Charlotte Lalster of Tillsonburg.

Five of these entrants moved into the 30 semi-finalists, and of those five, two won honourable mentions. In all, there were 13 winners,

two from Ontario, one from Vancouver, one from Alberta and the rest from Quebec.

Judging was done by a panel of experts headed by Arnold Scaasi, a New York couturier and native of Montreal.

Wendy Maddock convenes Orpheus Fashion Show

Butterflies and belles will float in St. Clement's Anglican Church, 59 Briar Hill Avenue, on Wednesday, April 9, when the Orpheus Choir Women's Committee sponsors Marjorie Watts Fashions to raise funds for the choir. The church is located at the corner of Duplex and Briar Hill Avenues in North Toronto.

Butterflies of different sizes and heights will float from the ceiling of the Canon Nicholson Hall in the church, where the delightful fashion show will take place at 2 p.m. and 8.15 p.m. Belles will be professional models coordinated by Pat Rhynas whose mother, Rita Murray will also model, lending their time and talents for the occasion. Louise Sweeney of Beauty Counsellor will

make up one of the models, golden-tressed June Tyack, a belle though not a professional model who will also grace the runway. Miss Tyack is the popular leader of the Girls' Choir at St. Clement's Church. Mrs. H. R. (Wendy) Maddock, wife of prominent advertising executive Bob Maddock, will convene the show, with Norma Baker as commentator.

Anyone within driving distance will be stimulated by the glorious fashion display - tickets are \$1.50, including refreshments, obtainable by phoning 487-0042 and 487-0934. John Sidgwick, a gifted Toronto musician who founded the Orpheus Choir of Toronto in 1964, is the choir director.

'69 Children's Clothes Cute, Cosy & Comfortable

Togs for tots, toddlers and all those of tender age and active bent have become as fashionable and colorful as those of their older brothers and sisters.

No more dull hues, drab fabrics, standard styles for children. They'll be joining the Easter Parade in fine form this year.

It's all good news for mothers, especially because so many other outstanding qualities, besides high fashion and handsome hues, are offered in children's clothes today.

For example, the fashions in the accompanying picture are made of Lady Galt fleece of Union Carbide's Unel nylon, and are lightweight, warm, durable, moth, mildew and wrinkle resistant.

The clothes combine fashion with wearability, easy-care washability, warmth without weight and a soft, silk-like feeling.

No pressing is needed for these fashions. Mother just washes them by hand in mild, lukewarm suds, rinses them in clear water and hangs them on a wooden hanger to dry! Or she can machine wash them in warm water and dry them at the warm temperature setting.

Until April 15, 1969, those who purchase children's garments made of Lady Galt fleece are eligible to enter a contest to win a college education for a child.

Two lucky children will have the opportunity of a four-year education at any university

or college in the world. A scholarship agreement with the Canadian Scholarship Trust Foundation will be presented to two winners for children who will be under eight years of age May 1, 1969.

Fashions made of Lady Galt fleece are available in leading department stores across Canada.

Slipcovers & Home Decorating

Thursday, April 3 at 7.30 p.m. at Springbank Community Centre, the first evening of the very popular sewing for spring course begins. Mrs. Evelyn Bouma will show you how to brighten up your home this spring as she discusses curtains, draperies, bedspreads, cushions, slipcovers, lampshades and needlecraft.

The course, offered to you by the Erindale Recreation Association, is limited in registration, so register now at the Recreation Department in the Municipal Buildings. Telephone - 279-7600, Ext. 281.

Antique Sale

South Peel Hospital Auxiliary will hold their Antique Sale at the International Room #3, Skyline Hotel, April 9 6 p.m. - 10 p.m. and April 10, 11 a.m. - 10 p.m.

PLAY BALL! - The ball game's the thing for spring as Canada prepares to cheer its first major league baseball team, the Montreal Expos. Today's togs for tots are wearable and warm without weight, just the thing for a swing with a bat and ball on a sunny but still-brisk day. The little pitcher wears a Canadian-made Fine Tog tumble suit, in powder blue. It is fashioned of Lady Galt fleece of Union Carbide's Unel nylon. The budding Babe Ruth wears a navy Kiddies Togs suit, also of Lady Galt fleece. It features bright orange and white shoulder stripes and baseball emblem trimming. Each outfit has a parka for extra warmth, draw-string closures at neck and waist and an elasticized waistline for top-notch fit.

STREETSVILLE BOWLING

Sports

JOE HORE

ATHLETE OF THE WEEK

Streetsville's Athlete of the Week is a man of several talents. Joe Hore is probably best known for his exploits in lacrosse. He played professional lacrosse for Peterborough and Montreal last summer after attracting the attention of the scouts while he played for Mississauga PCO's Junior A team.

But Joe doesn't restrict his sports to lacrosse. Coming up through the Lakeview hockey Association team Joe played Junior 'C' Hockey for Milton. (That was before the Streetsville Derbys were organized.) This winter Joe is playing for the Streetsville "Hot-Shots" where his smooth play-making is always a pleasure to watch. He didn't score in the Hot Shots' big 8-0 win in the International League finals last week but did make three beautiful set-ups in which his team-mates scored.

Joe and his brother Brian operate the sports shop at Streetsville Arena under the name "Hore Bros. Arena Sports". The two brothers are sponsoring Streetsville's entry in the Tyke tournament which takes place during the next two weekends.

INTERNATIONAL HOCKEY

A cold nor'easter blew down off the coasts of Newfoundland last Tuesday and chilled out the local Hot-Shots as the International Hockey League finals got started. Then the weather warmed up a bit when the Lusitanians brought in some Latin music Saturday night. The Hot-Shots responded with one of their hottest scoring outbursts of the winter as they rolled up an 8-0 win to knot the series with the ANAF boys.

The Army-Navy-Air Force boys came to play hockey in the opener and their aggressive fore-checking thwarted the Hot-Shots at every move. There was no scoring in the first period, then the teams divided the four second period goals evenly. Twice Doug Hartley put the Hot-Shots ahead and twice ANAF (a team composed mostly of Newfoundlanders) tied it up a minute later. Ford and B. Gregory each scored his second goal early in the third period to put ANAF ahead 4-2. The Hot-Shots never stopped pressing and came within a goal when Doug Hartley got his third goal of the game with three minutes to go. The ANAF boys held on as the Hot Shots had it in their end for the rest of the game. Hartley missed the tying goal by inches and the Hot Shots were all around the ANAF goal as the final bell sounded.

The Hot Shots looked like a different team in the second game. In fact, so did ANAF. It was a contest for one period until the Hot Shots got too far ahead. Twelve different players were in on the scoring. Ken Bond and Warren Wilkey scored two each. Tom Thompson, George Workman, Jon Clipperton and Scott MacKenzie had a goal and an assist each. Joe Hore got three assists; Bob White two and Doug Hartley, Foster and Roy Brown one each.

LACROSSE

Tonight (Wednesday) the first boys' lacrosse clinic for boys 6-16 will be held at the Streetsville High School. Boys who have already registered, boys who wish to register and boys who would like to come and try it to see, are all welcome at the clinics operated by Streetsville Kinmen. The clinics run for four consecutive Wednesdays - April 2, 9, 16 and 23. Boys 6 to 11 should be there at 7 o'clock and boys 12 to 16 at 8 p.m. for a one-hour clinic. Wear running shoes and bring a lacrosse stick if you own one. Sixty-five boys registered last Saturday for lacrosse and Bob Jones, chief convenor reports a strong representation in the peewee age division.

BRACEBRIDGE INVASION

The Streetsville boys came out the better of their home-and-home series with peewee, bantam and juvenile hockey teams from Bracebridge, this year. Streetsville won 4 out of 6 in Bracebridge and registered the same count here last week-end. Forty boys and several coaches and parents, all from Bracebridge were guests at local homes in Streetsville in the second annual series between three teams from each town.

The IGA Peewees looked the best as they won 16-1 and 7-2. Dave Baldwin, Dan Crawford, Dennis Chadala, Greg Peria, Wayne Bond, Dave Very, Chris Gruenwald and Laurie Kemp were all reported scoring in the first game. Scorers in the second game were not recorded.

The Hutt Fence Bantams lost 3-2 Saturday and won 6-3 Sunday. Scoring were Dave Rollings (3), Al MacLean, Tom Phillips, Keith Flood, Mike West and one by Dennis Chadala, up from the peewees.

The juvenile Derbys were the only ones to lose their series. They split here and lost twice a week ago in Bracebridge. Scorers were led by Darryl Kack with four, Mike Walker and John Crawford two each, Doug Kalapaca and Glen MacPherson one each in their 7-2 win and 3-5 loss.

TOURNAMENT HOCKEY

Two hockey tournaments, both important to Streetsville will get under way this week end.

The local Tyke Tournament starts with 36 of the best tyke teams in Ontario (age under 10) starting out in quest of the grand championship that will be declared 10 days later. Streetsville will be represented by the Hore Bros. Arena Sports team and will be coached by Jim Bryant and Al Crawford.

Meanwhile Streetsville has an entry of hopeful paperweights (under 9) sponsored by the Tube Benders in the Dixie annual paperweight tournament being played simultaneously.

"Next year when I yell 'Get on him' from the bench, I'll have this fishing pole to use for a while to embarrass my words," threatened coach Tom Barrett of Streetsville Derbys. Tom (centre) had just been presented the rod and reel by Don Fletcher (left) on behalf of the Derby Hockey Club executive in appreciation of his work this season. Jon Clipperton, president of the club, also admires the gift presented at the club's wind-up banquet last week.

Eric Ladner, proprietor of Ladner's Men's Wear on Queen Street in Streetsville makes a presentation of a made-to-measure suit to Bill Perks at the Junior Derbys banquet at Villa Inn. The award was one of three Bill received at the banquet. Besides the suit, Bill won the James Rutledge Memorial trophy for most valuable player on the team and the puck he fired into the goal for his 40th goal of the season mounted on a bronze base.

Cancer can be
beaten. Your
dollars are needed
now to continue the
battle. Give hope a boost.
When a volunteer calls, be
generous.
CANADIAN CANCER SOCIETY

The team that beat out Streetsville Derbys for the last playoff spot in the Suburban Junior "C" Hockey League won the playoffs and has gone all the way to the all-Ontario semi-finals. With a very few goals in the right places it could easily have been the Derbys instead of Oakville playing against Parry Sound now. Here are this year's Streetsville Derbys. Back Row (left to right) -

Coach Tom Barrett, Ron Schott, John Nalsmith, Bob Spragge, Bill Perks, Dave Tiveron, John Wiley, Assistant coach Bill Hutt. Middle Row - Trainer Eric Ferguson, Randy Johnston, Gary Van Buskirk, Jim Workman, Doug Raine, John Irwin, trainer Gary Bond. Front Row - Sandy MacLachlan, Dave Sutherland, Bruce Kalapaca, Bob Templeton and Ken Ross. Absent - John Rayner. AL BETTS Photo

THE CORPORATION OF THE TOWN OF MISSISSAUGA PUBLIC NOTICE

TAKE NOTICE THAT:

1. The Council of the Corporation of the Town of Mississauga intends to construct as a local improvement the works described in Schedule 'A' below and intends to specially assess a part of the cost upon the land abutting directly upon the work.
2. The estimated cost of the work is \$134,600.00 of which \$64,800.00 is to be charged against all the rateable property in the Town of Mississauga Sewer Area, described below in Schedule 'B'. The estimated cost per foot frontage is \$5.00. The estimated annual rate per foot frontage is \$0.528. The estimated cost of each residential drain connection is \$200.00. The estimated annual cost of each residential drain connection is \$21.13. The special assessment is to be paid in twenty (2) equal annual instalments.
3. Application will be made by the Corporation to the Ontario Municipal Board for its approval of the undertaking of the work and any owner may within twenty-one (21) days after the first publication of this notice file with the Clerk his objection to the work being undertaken.
4. The Board may approve of the work being undertaken, but before doing so it may appoint a time and place when any objections to the work will be considered.

DATED AT MISSISSAUGA this 26th day of March 1969.

G. LUMMISS,
CLERK,
THE TOWN OF MISSISSAUGA,
MUNICIPAL OFFICES,
100 DUNDAS STREET WEST,
MISSISSAUGA, ONTARIO.

SCHEDULE "A"

A 15" - 18" diameter sanitary sewer on Glenwood Drive from Mineola Road to Indian Valley Trail, a distance of 1,620 feet at a total estimated cost of \$41,600.00.

A 10" diameter sanitary sewer on Kenollie Avenue from East End to 300' west of Glenwood Drive, a distance of 1,470 feet at a total estimated cost of \$23,500.00.

A 10" - 18" diameter sanitary sewer on Mineola Road from Victor Avenue to Glenwood Drive, a distance of 750 feet at a total estimated cost of \$17,300.00.

A 10" diameter sanitary sewer on Birchwood Heights Drive from Kenollie Avenue to Mineola Road, a distance of 860 feet at a total estimated cost of \$16,700.00.

A 10" diameter sanitary sewer on Victor Avenue from Kenollie Avenue to Mineola Road, a distance of 880 feet at a total estimated cost of \$17,300.00.

A 10" diameter sanitary sewer on Milton Avenue from Kenollie Avenue to Mineola Road, a distance of 880 feet at a total estimated cost of \$18,200.00.

SCHEDULE "B"

NOTE: The lands described in Schedule 'A' to By-law 7478 being the lands forming the Town of Mississauga Sewer area are set out below:

DESCRIPTION OF TOWN OF MISSISSAUGA SEWER AREA
(SEPTEMBER 1968)

ALL AND SINGULAR that certain parcel or tract of land and premises situate, lying and being in the Town of Mississauga (formerly the Township of Toronto), County of Peel and Province of Ontario and which said parcel may be more particularly described as follows:

COMMENCING at the intersection of the water's edge of Lake Ontario with the centreline of the allowance for road between the Town of Mississauga and the Town of Oakville;

THENCE in a northerly direction along the said centreline of the road allowance between the Town of Mississauga and the Town of Oakville, being along the southerly limit of the said Town of Mississauga across the allowance for road between Concessions 3 and 4, South of Dundas Street; the allowance for road between Concessions 2 and 3, South of Dundas Street; the allowance for road between Concessions 1 and 2, South of Dundas Street, in all a distance of 21,350 feet more or less to its intersection with the northerly limit of the original allowance for Dundas Street;

THENCE northerly along the said northerly limit of the original allowance for Dundas Street 6,660 feet more or less to its intersection with the production southerly of the northerly limit of the proposed allowance for Southdown Road, being the southerly limit of that part of Lot 1, Range 1, North of Dundas Street, in the Racey Tract, owned by The Board of Education for the Town of Mississauga;

THENCE north 46 degrees 27 minutes 40 seconds west along the said southerly limit of the lands of The Board of Education for the Town of Mississauga, 1400 feet more or less to the most westerly angle of the said lands of The Board of Education for the Town of Mississauga;

THENCE north 43 degrees 32 minutes 20 seconds east 660.36 feet to the most northerly angle of the said lands of The Board of Education for the Town of Mississauga, being a point in the existing division line between Lots 1 and 2, Range 1, North of Dundas Street, Racey Tract;

THENCE south 46 degrees 05 minutes 50 seconds east along the said division line between Lots 1 and 2, a distance of 230.52 feet to an angle in the limit of the said lands of The Board of Education for the Town of Mississauga;

THENCE south 46 degrees 53 minutes 10 seconds east continuing along the said division line 461.19 feet to a further angle in the limit of the said lands of The Board of Education for the Town of Mississauga;

THENCE south 39 degrees 19 minutes 50 seconds west 183.35 feet to a further angle in the limit of the said lands of The Board of Education for the Town of Mississauga;

THENCE south 46 degrees 40 minutes east 395.74 feet to a further angle in the limit of the said lands of The Board of Education for the Town of Mississauga;

THENCE south 40 degrees 06 minutes 30 seconds west 322.16 feet to a further angle in the limit of the said lands of The Board of Education for the Town of Mississauga;

THENCE south 45 degrees 17 minutes 20 seconds east 267 feet more or less to where the same is intersected by the northerly limit of the original allowance for Dundas Street;

THENCE northerly along the said northerly limit of the original allowance for Dundas Street to where the same is intersected by the centreline of the Credit River;

THENCE in a general northerly direction upstream along the said centreline of the Credit River in all its windings to where the same is intersected by the southerly limit of the right-of-way easement lands of The Hydro-Electric Power Commission of Ontario

In Lot 4, Range 4, North of Dundas Street, Credit Indian Reserve; THENCE in a general northerly direction along the said southerly limit of the right-of-way easement lands of The Hydro-Electric Power Commission of Ontario, across part of Lot 4, Lot 5, and part of Lot 6, Range 4, North of Dundas Street, Credit Indian Reserve; across the right-of-way lands of the Canadian Pacific Railway; continuing across part of Lot 6 and Part of Lot 7, Range 4, North of Dundas Street, Credit Indian Reserve; across the allowance for road between Ranges 4 and 5, North of Dundas Street, Credit Indian Reserve (McConnell Road); across part of Lot 7 and part of Lot 8, Range 5, North of Dundas Street, Credit Indian Reserve; across a road confirmed by Justices in Session, May 3, 1836 (Creditview Road); continuing across part of Lot 8, Range 5, North of Dundas Street, Credit Indian Reserve; across the unopened allowance for road along the east side of the Credit Indian Reserve; across Lots 23, 22 and 21, Concession 2, North of Dundas Street; across the allowance for road between Lots 20 and 21 Concession 2, North of Dundas Street (Mavis Road); across Lots 20, 19, 18, 17 and 16, Concession 2, North of Dundas Street; across The King's Highway Number 10 (Huronario Street); and across Lots 15, 14, 13, 12 and 11, Concession 2, North of Dundas Street, in all its irregularities 24,130 feet more or less to where the same is intersected by the southerly limit of the allowance for road between Lots 10 and 11, Concession 2, North of Dundas Street;

THENCE northerly along the last mentioned southerly limit 2,639 feet more or less to where the same is intersected by the southerly limit of Base Line Road East, according to Municipal Survey Number 844;

THENCE southerly along the last mentioned southerly limit to where the same is intersected by the production southerly of the southerly limit of the allowance for road between Concessions 1 and 2, East of Huronario Street (First Line East);

THENCE northerly to and along the said southerly limit of the allowance for road between Concessions 1 and 2, East of Huronario Street (First Line East) to the most northerly angle of Lot 5, Concession 1, East of Huronario Street;

THENCE northerly in a straight line across the allowance for road between Lots 5 and 6 (Britannia Road east) to the most easterly angle of Lot 6, Concession 1, East of Huronario Street;

THENCE northerly continuing along the southerly limit of the allowance for road between Concessions 1 and 2, East of Huronario Street (First Line East) to the most northerly angle of Lot 7, Concession 1, East of Huronario Street;

THENCE northerly in a straight line across the allowance for road between Concessions 1 and 2, East of Huronario Street (First Line East) to the most westerly angle of Lot 7, Concession 2, East of Huronario Street;

THENCE in a general northerly direction along the division line between Lots 7 and 8, Concession 2, East of Huronario Street to the most northerly angle of Lot 7, Concession 2, East of Huronario Street;

THENCE northerly in a straight line across the allowance for road between Concessions 2 and 3, East of Huronario Street (Second Line East) to the most westerly angle of Lot 7, Concession 3, East of Huronario Street;

THENCE in a general northerly direction along the division line between Lots 7 and 8, Concession 3, East of Huronario Street to the most northerly angle of Lot 7, Concession 3, East of Huronario Street;

THENCE northerly in a straight line across the allowance for road between Concessions 3 and 4, East of Huronario Street (Dixie Road) to the most westerly angle of Lot 7, Concession 4, East of Huronario Street;

THENCE northerly along the northerly limit of Dixie Road aforesaid to its intersection with the limit between the northerly and southerly halves of Lot 8, Concession 4, East of Huronario Street;

THENCE in a general northerly direction along the said division line between the northerly and southerly halves of Lot 8, Concession 4, East of Huronario Street to its intersection with the northerly limit of the said Lot 8, Concession 4, East of Huronario Street;

THENCE northerly along the southerly limit of the allowance for road between Concessions 4 and 5, East of Huronario Street and its production northerly to where the same is intersected by the production southerly of the northerly limit of Derry Road East as widened;

THENCE northerly to and along the said northerly limit of Derry Road East 4,000 feet more or less to where the same is intersected by a line drawn parallel to and distant 500 feet measured at right angles southerly from the southerly limit of the allowance for road between Concessions 5 and 6, East of Huronario Street (Torbram Road);

THENCE northerly along the last mentioned line drawn parallel through Lots 11 and 12, Concession 5, East of Huronario Street, 3990 feet more or less to where the same is intersected by the division line between Lots 12 and 13, Concession 5, East of Huronario Street;

THENCE southerly along the said division line between Lots 12 and 13, Concession 5, East of Huronario Street, 1,708 feet more or less to an angle therein;

THENCE southerly continuing along the said division line between Lots 12 and 13, Concession 5, East of Huronario Street, 36.50 feet more or less to a further angle therein;

THENCE southerly continuing along the said division line between Lots 12 and 13, Concession 5, East of Huronario Street, 809.70 feet more or less to its intersection with the southerly limit of the lands described in Instrument Number 179223, Township of Toronto;

THENCE northerly along the last mentioned southerly limit 1081.69 feet more or less to the most westerly angle of the said lands described in Instrument Number 179223;

THENCE southerly along the production southerly of the northerly limit of the said lands described in Instrument Number 179223, a distance of 1454 feet more or less to its intersection with the southerly limit of the allowance for road between Concessions 4 and 5, East of Huronario Street (Bramalea Road);

THENCE northerly along the said southerly limit of Bramalea Road, 3820 feet more or less to its intersection with the southerly limit of the right-of-way lands of the Canadian National Railways;

THENCE westerly along the said southerly limit of the right-of-way lands of the Canadian National Railways, 1980 feet more or less to its intersection with the centreline of the allowance for road between the Town of Mississauga and the Township of Chinguacousy (Steeles Avenue East);

THENCE northerly along the said centreline of Steeles Avenue East and being along the northerly limit of the Town of Mississauga, 10,900 feet more or less to its intersection with the centreline of the allowance for road between Concessions 6 and 7, East of Huronario Street (Airport Road);

THENCE northerly continuing along the said centreline of Steeles Avenue East and being along the northerly limit of the Town of Mississauga to where the same is intersected by the Indian Line, being the limit between the Town of Mississauga and the Township of Vaughan;

THENCE southerly along the said Indian Line, being along the limit between the Town of Mississauga and the Township of Vaughan and continuing along the limit between the Borough of Vaughan and continuing along the limit between the Borough of Etobicoke and the Town of Mississauga, to its intersection with the centreline of Base Line Road East, as defined by Municipal Survey Number 844;

THENCE southerly along the said centreline of Base Line Road East and continuing along the limit between the Borough of Etobicoke and the Town of Mississauga to its intersection with the centreline of the Etobicoke creek;

THENCE in a general southerly direction downstream along the said centreline of the Etobicoke Creek in all its windings to where the same is intersected by the water's edge of Lake Ontario;

THENCE in a general southerly direction along the water's edge of Lake Ontario in all its windings to the point of commencement.

On Regional Government Queen's Park Comment

by Donald C. MacDonald
MPP

From Queen's Park has lately come a fresh outbreak of paternalism toward the municipalities of Ontario.

In a sense, this is nothing really new. For many years, the provincial government has treated Ontario's communities like small children, not to be trusted to make their own decisions. But Charles MacNaughton, in his recent Budget speech, went the old pattern one better.

If the municipalities don't toe the line on spending, he threatened the government may set up a budget bureau to over-see local plans. "It's bad enough having to get Municipal Board approval of our capital programs, without having Big Brother sitting in judgment on our operating budget", was the way one senior municipal official put it to me. "Why bother electing anyone locally?"

For a long time Queen's Park has been getting away with its

locally-elected officials?

If we just drift into regionalism then, clearly, Queen's Park will stay in the driver's seat.

But if there is a proper, planned move to genuine regional government, it will be the municipalities which end up with the benefits.

Under a good regional government structure, municipal services can be organized along modern lines. More important, it is then possible to set up an adequate financial base, along the lines of a foundation tax plan. This would relieve the burden on the property taxpayers; at the same time it would equalize that burden among all Ontario citizens.

With this kind of framework, the municipalities would start being masters in their own house again. Once more, the phrase 'local autonomy' would have some real meaning, and our Ontario communities would be able to stand up to Queen's Park.

Regional Gov't Controversy

Regional government controversy crept into the first session of the Sheridan College municipal government course on Wednesday, March 26, when Hazel McCallion, Streetsville Reeve, suggested the end result of regionalism might be the elimination of the provincial government. She charged we are "definitely over-governed" and said that Canada has already been broken up into ten regions, economically. The idea drew laughs, shouts and applause from a capacity registration of over 115 persons who

came to hear Mrs. McCallion and Jim Manne, Information and Education Services, Department of Municipal Affairs.

Chairman Ted Fielder, member of the Ontario Conference on Local Government who organized and managed the course, said wryly amid the audience laughter that it was certainly not the intention of the sponsoring organization to have such a step taken.

Regional government discussion - (Mr. Manne said he thought "we have to have larger units - we can't afford to pay

for the ones we have, anymore.") - cropped up as part of two subsections: the history of local government in Ontario, and its forms and structures.

The six-week evening course in municipal government continues next week with lectures on the role of the province in local government and how the municipal corporation operates.

While the course is full, individuals who are interested in hearing a single lecture may be accommodated at a special price.

Regional Gov't Course Continues

Civic experts from Oakville, Newmarket and Scarborough are upcoming speakers at Sheridan's current municipal government course running Wednesday nights at the College in Brampton. Dennis Camm, administrative assistant of the Town of Oakville, will speak April 2 on the role of the province in local government. He will be joined on that evening's program by A. O. Doak former mayor of Newmarket, who will outline how the municipal corporation operates.

Mrs. Hazel McCallion, reeve of Streetsville, will chair the meeting. Mr. Camm has lived in Oakville for 26 years and has held a number of positions with the town before being appointed director of personnel, and administrative assistant to the town administrator, in 1966. He completed a course on municipal finance administration at the University of Chicago, in co-operation with the International City Managers Association; and a three-year course of municipal clerks and treasurers at Queen's. Active in golfing and curling, Mr. Camm is married and has three children.

A. O. Doak was born in Toronto and attended North Toronto Collegiate Institute before he took his Chartered Accountant degree and was admitted to membership in the Ontario and Canadian Institutes of Chartered Accountants in 1958.

Employed as a manager in the Toronto office of Touche, Ross, Bailey and Smart, Chartered Accountants, Mr. Doak is past-president of Newmarket Jaycees and past district president and director of Ontario Jaycees. He was a member of the council of the Town of Newmarket in 1964, 65

and 66 as a councillor, and 1967 and 1968 as mayor.

Mr. Doak is married and has four children. Engineer Roger K. Brown was born in Kirkland Lake and grew up in St. Catharines. He graduated from U. of T. in 1952 and is now married with three children.

Mr. Brown was City Engineer in Stratford, joined the Township of Scarborough in 1960, was appointed Commissioner of Works in 1964.

He will lecture on functions and special services of the municipality April 9. A limited number may attend on a one-night basis.

message:

"Hope is the heart of
the Easter Event. For
when Christ rose from
the dead, Hope arose.
Easter means the res-
urrection of Hope.""Contrary to popular
opinion, Hope is not an
emotional feeling. It is
not just a pleasant atti-
tude toward the future.
It is not a pious wish
nor a last resort we
cling to when all else
fails.""Hope is a Flesh and
Blood Person who faced
life and death with the
confident assurance of
God Himself. He faced
death and despair be-
cause He personified
Hope. He caused the
death of death and
turned despair into Hope
by rising from the dead.""If ever in history
there is a need for Hope
it is today. Karl Men-
ninger wrote in "The Am-
erican Journal of Psy-
chiatry, "When it
comes to hope, our
shelves are bare.""Caryl Haskins, pres-
ident of Carnegie Insti-
tute, said "Our most
precious and perhaps
most threatened pos-
session is the quality of
hope.""By contrast, the
Easter Event tells us
our shelves are laden
with Hope. Easter
means nothing on earth
can threaten our pos-
session of Hope. For as
we embrace by faith the
Person of Christ, we
grasp hold of Resur-
rected Hope and we
stand secure forever."Wednesday, April 2 -

STOCK HUMBER WITH SALMON

Grade 10 Students from Central High School of Commerce Toronto, watch Department of Lands and Forests officers dump coho salmon into the Humber River in the Albion Hills conservation area, just north of Bolton. The Department hopes the fish will find their way downstream to Lake Ontario. The students were attending the Albion Hills conservation field centre operated by the Metropolitan Toronto and Region Conservation Authority. If the fish reach the lake in numbers, a run of mature fish can be expected sometime in the Fall of next year.

Learning How To Make Those "Middle Years" Creative

How do we prepare ourselves for creative middle years - with the stress on the word 'creative'?

This is the problem confronting men and women in their 40's and early 50's, who, because of the advanced medical knowledge of the day, are still healthy and active, and are striving to make new lives for themselves once their families have grown and are independent of them.

This was the topic of the first of a series of 4 lectures on the Middle Years sponsored by the South Peel Branch of the Canadian Mental Health Association, held last Thursday evening at First United Church.

Mrs. Judith Sule, MSW, programme director of the University Settlement House, Toronto, was the speaker, or more correctly, the director of the meeting.

The first thing that Mrs. Sule did was to have the audience break up into groups of three strangers. One would present a problem to the second party who would listen and try to answer, while the third person evaluated both the question and the answer. As one person said later, it was an experiment in group therapy. The idea was to become involved, and Mrs. Sule's purpose in this experiment was to show how interesting things were when you really involve yourself.

Very often when the children leave the home, the mother who has submerged her life and personality into the rearing of her family will feel completely lost. Mrs. Sule cited just such a case where the mother said to her husband "What shall I do now that the children have gone?" and her husband said, "You could get married."

The middle years is the time when we must decide what are our goals for the future and for what we are preparing ourselves. We must develop, if we do not already have one, a philosophy of life. We must be flexible and open to change. Perhaps this is the time when the husband can get away from the humdrum business routine he has

been involved in for many years, unable to break away because of the need for security for his growing family. Now the wife can take on a more active part in earning, she can not only free her husband, to invest himself in a venture that may not be as monetarily rewarding, but she can enlarge her own personality by getting back into the business world.

But most of all, this is a time for reassessment of ourselves, and our lives and our goals. And this is something that each person must do for himself. We must recognize that our personalities have changed over the years. We must face the fact that we need to build another life after the children leave, a life for just two people.

In the case of single people in the middle years, Mrs. Sule felt that a great deal of their loneliness was caused by their inability to relate to others, and to the cultural environment of the big cities.

Children today are not going to have the same problems when they reach their middle years because they are already absorbing the art of sharing and sociability as part of their learning in school. Human relations is being built into education today.

The next lecture in the series will deal with

Human relations is being built into education today.

The next lecture in the series will deal with 'Communication'. The speaker will be the Rev. K. R. Allen, Director of the Toronto Institute of Family Relations. The time is 7:45 p.m. at First United Church, Port Credit this Thursday evening.

Minister of Health and Welfare, Hon. John Munro, and Peel South M.P., Hyl Chappell are shown in conversation at the recent Ontario Liberal Convention held in Hamilton. At the Convention Provincial Liberals voted to permit "local option" on a decision whether candidates would continue to run independently in municipal politics, or whether they would be put into municipal campaigns as official Liberal Party candidates. Peel South Liberal President Michael Weir is not expected to make any pronouncement on what the local stand will be until after the Peel South Liberal Association Executive holds a meeting.

Square Dancing 1808 Style

The young and the young at heart joined hands and danced the evening away at the Friends and Teen Dance held Saturday, March 22. It was a successful night for the Four Corners Square Dance Club.

The usual dances such as Smoke on the Water, On the Trail of the Lonesome Pine, Dip and Dive and Never on Sunday were enjoyed by the members and their teenage guests. The Happy Polka and the Tennessee Wig Walk were also featured and of course the teenagers enjoyed the Bunny Hop.

The next event is a regular square dance on April 5 at T. L. Kennedy High School and then, the grand event of the season on April 19, the spring swing, with Angus MacKinnon and his orchestra starting at 8:30 p.m. Bert Everett will be calling all your favourite dances. Everyone is welcome. April 19th is the date come and bring your friends for an evening of fun at the

Four Corners Square Dance Club's Fifteenth Annual SPRING DANCE at T. L. Kennedy High School.

Cancer Society Launches Campaign

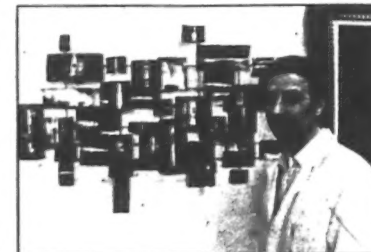

The greatest challenge which the volunteer giver has ever faced - that's how Mr. A. P. McNabb, Campaign Chairman for the South Peel Unit of the Canadian Cancer Society described the 1969 campaign for funds which opened on Tuesday, April 1. The local objective is \$42,000.00, and will contribute towards a provincial objective of \$3,200,000.00 and a total national objective of \$5,783,200.00.

"More than ever before," said Mr. McNabb, "the Society is being relied on to supply funds for cancer research in this country. About 81 per cent of the total funds to be spent on research during the coming year has to come from this campaign. We must not fail in this most important of all activities in the great fight against cancer."

He pointed out that the Society also carries on a vigorous campaign of public education about cancer, and makes help available to cancer patients. The educational activities, he said, are being centred this year around the new slogan, "Cancer Can Be Beaten."

Campaign Chairman for the Unit's four branches are - Cooksville, Mr. Bob Umphrey and Mrs. A. W. Russell; Etobicoke - Mrs. Doreen Deans; Clarkson - Mrs. Thelma Shaw; Port Credit - Mrs. S. R. Acomb, Mrs. T. Dawson and Mr. R. O. Geddes. The industrial campaign is headed by Mr. Bob Umphrey.

CHRISTIAN EASTER ----- JEWISH PASSOVER

To millions of Christians all over the world, Easter commemorates the Resurrection of Jesus Christ. This feast of all feasts, known in some countries as the Pascha (from the Greek and Latin) or Pesah (from the Hebrew) means Resurrection.

The sacrifice of Christ, typified by the Paschal lamb; the Pasch of the Cross, and the Pasch of the Resurrection has been celebrated

The Easter egg, or Pasch egg, was believed to have symbolized the

Resurrection, having been forbidden as food generally in Christendom since the 2nd century, on Easter Sunday.

He was right in what he said about God the Father, who rules the world.

"There is not a person living in Canada who does not benefit every day from the influence Jesus had in shaping our best standards and customs. Our democratic way of life, our social welfare programs, our humanitarian institutions, and the Spirit of Brotherhood in our land -- all of these we have because of Him. Death did not destroy Him or what He stood for."

because we are unspeakably grateful that Jesus, who taught and lived the only way that will work, was proven to be right - He was declared to be the Son of God by the Resurrection.

"The Resurrection tells us that He is on the side of truth, goodness and love and that we can give ourselves to these values, sure that such living cannot be wasted."

"He was right in treating all people of equal worth; He was right in what He said about love;

CHAPEL AT QUEEN OF APOSTLE'S RETREAT HOUSE, MISSISSAUGA.

Holy Week has three highlights

AN EASTER MESSAGE from Rev. Drake Will St. Christopher's R.C. Church, Clarkson

Holy Week has three highlights, one of them grief-stricken - and the other two triumphant. Good Friday is the day of great sadness and the recollection of the disarray of the Disciples of Jesus.

Holy Thursday and Easter Sunday, are triumphant, combining Jesus' gift of Himself to His friends on earth in the Last Supper, with the pledge that, this Gift would be fulfilled eternally in His Father's House in the Resurrection.

The first of these moments, the gift of the Last Supper has been perpetuated in the Mass. It is central to our faith to believe that Jesus Christ gives Himself in Communion to us today in the same way that He gave Himself to His friends at the Last Supper in the form of bread and wine.

He did not do this however, with out reference to the coming passion "This is My body which will be given up for you."

With every gift and with every step in Chris-

tian Maturity pain is intimately involved, and a man's recognition as a condition of growth and maturity.

The second of these moments then, the painful one, Good Friday points up our responsibility to commiserate with those in pain of all sorts and to be sensitive to the appeals which the love of others makes upon us. Without sensitivity, brotherly love is routine and mechanical and could be carried out by computers as well as by man.

The third moment, the Resurrection is at once the pledge of our future and the backbone of our belief "If Christ is not risen then your faith is in vain." Christ's rising is the greatest testimony to the claims He makes and is the foundation stone of any hope we have.

Happy Easter

Will hold traditional Passover Feast

This week on April 2 and 3, the Beth El congregation, 186 Morrison Road in Oakville will be holding their traditional Passover feast.

The Pesan was instituted at the time of the Jews exodus from Egypt and was so named from the passing-over by the Angel of Death over the homes of the Israelites, when all first-born of Egypt were smitten.

Passover (Pesah) begins the 4th of the Hebrew month (nisan) corresponding roughly to latter part of March and the first part of April, and lasts for eight days. Only the first two days and the

last two are observed as full holy days. The intermediate days of Passover are Hol Hampe (half holidays) literally the profane days of the festival. The first two evenings of the festival are called Seder evenings. On them there is held a rather lengthy service in the house in accordance with an exactly prescribed order. In Hebrew the word Seder means "order". It starts with the reading of an invitation to the noor pointing to the matzon - "Lo, this is the bread of affliction; the humble and simple bread which our ancestors ate in Egypt. Let anyone who is hungry

Nathan Urback, Spiritual leader and teacher of Beth El Congregation at Oakville is shown with his family ready to observe Passover. Photo by AL BETTS

STREETSVILLE'S ONLY LOCALLY-OWNED WEEKLY - 93 Queen St. S.

WEDNESDAY, APRIL 9, 1969

The Streetsville United Church confirmation service was held on Sunday morning, March 30. The sixteen confirmed members are shown above with Rev. Keith McMillan, pastor of the church. AL BETTS Photo

A.C.W. plans Spring rummage sale

The regular monthly meeting of the A.C.W. of Trinity Church in Streetsville was held on Tuesday, April 1. President Mrs. Peg Thomas, was in the chair. Prayer Partner Convenor, Mrs. Christine Edwards, reported on the Prayer Partner Conference which she attended on March 17 at Christ Church, Deer Park. Mrs. Edwards pointed out that Trinity's prayer partner, Miss Penelope Fisher, will be coming home on leave next year from Japan. On behalf of the Chancel Guild, Mrs. Thomas reported that Miss Castle has purchased two vases in memory of the late Mrs. Hammond and it is hoped they will be in use in time to commemorate Mrs. Hammond's birthday in mid-May. Members are reminded of Arctic Day on April 20 when Mrs. D. B. Marsh will share her paintings of the Arctic with Streetsville.

The Spring Rummage Sale will be held on Saturday, May 3, and on June 3 a pot luck supper will be held at the home of Mrs. Eliza Chestnut, Main Street. Mrs. Olive Reinhardt is temporarily assuming the duties of Parish Catering, in the absence of the Convenor, Mrs. Magee. Mrs. Connie Dadd, Supply Chairman, needs long-sleeved blouses, dressed dolls, and knitted mitts and scarves. Mrs. Dadd has a supply of dolls and materials on hand for those who are interested in this work. Remember, sales are backed all year round, so stock is always needed.

Mrs. Thomas introduced Mr. John Fisher and Dr. S. A. Holling of the Canadian Mental Health Association to the meeting. Mr. Fisher and Dr. Holling are members of the Homes and Special Care Committee, South Peel Branch, Ontario Division, C.M.H.A. and are particularly interested in elderly people who have been placed in the community in nursing homes and residential homes licensed by the Department of Health. Prior to his retirement from the Dept. of Health a few years ago, Dr. Holling, then a Director of T.B. Control, was asked to set up a program whereby some of our forgotten citizens could be placed in more normal situations in the community. There was a two-fold purpose to be served - the congestion and overcrowding of the Ontario Mental Hospitals would be relieved, and many people who did not need hospital care but had no other place to go could be returned to the community where they would lead a more normal life. The Department of Health uses two types of homes - nursing homes for those needing some nursing supervision, and residential homes for those who can look after their own needs with a minimum of supervision. While the

change from hospital to home is beneficial in itself, these patients still require closer contact with the community through groups such as the ACW of Trinity Church. Many of the patients can participate in community life when transportation is available, and friendship offered. Dr. Holling urged the members of ACW to contact the licensed operators of homes in Streetsville with a view to establishing a program of

activity in which these "forgotten people" could participate. Both Mr. Fisher, who lives in Streetsville, and Dr. Holling, who is from Lorne Park, offered their services as liaison people in this work. The president, Mrs. Thomas, thanked both Dr. Holling and Mr. Fisher for bringing attention to this need here at home and assured them of ACW's interest. The meeting closed with tea, coffee and conversation.

Tales of the Nile interest U.C.W. members

Streetsville United Church Women held a Thank Offering meeting on Tuesday afternoon, April 1 with a good attendance.

President Mrs. Tom Fulcher, welcomed the ladies. The Devotional was taken by Mrs. Harry Plewes, Mrs. Keith Christie and Mrs. Isobel Christensen. A solo by Mrs. Royel Hawn, accompanied by Mrs. Grant Clarkson, was very much enjoyed. Mrs. A. Cryderman introduced the speaker, Miss Vivien Williams, who accompanied her husband Dr. Ronald Williams on an archeological expedition to the Sudan. Dr. Williams is a Professor of Oriental Languages at University College.

Dr. and Mrs. Williams have been overseas several times including

twice to the Sudan on the Nile. The first time they lived four months in a houseboat on the Nile River. The second time they spent several months in a village house on the banks of the Nile. The purpose of these expeditions was to

learn all possible of certain very early occupations 3000 - 4000 years B.C., before the waters backing up from the newly built Assuan would cover these locations and rub out the information forever.

Mrs. C. Brocklebank thanked the very interesting speaker and Mrs. Keith McMillan closed the meeting with prayer.

Lunch was served by the Evening Units of the U.C.W.

Youngsters learn lacrosse techniques

Break-in At Ladner's

A would-be thief (or thieves) who must have wanted new Easter clothes - broke into Eric Ladner's Men's Wear Store on Saturday, April 5.

Police checked the door at 2 a.m.

and it was securely locked - two hours later they found it pried open. Police believe the culprit must have been scared away - since nothing was taken.

Police Chief Don Fletcher speculates that the attempted break-in may have been the work of an organized gang which has been hitting men's clothing stores surrounding Toronto. They apparently back in a truck - and completely clear out the store - in this case, they got nothing.

Tyke tourney great success

Tyke Tournament Director Bill Snary predicted optimistically a few weeks ago that total attendance would top the 6000 mark. Bill could have been even more optimistic however. The tournament has almost hit that figure already in just the first three days. Best day was Saturday when over 2000 tickets were sold. Total to date is 5600.

Executive Meeting

The executive of the Streetsville Strutters meets Wednesday, April 9 at the Georgetown home of Mr. and Mrs. John Gibson.

School meeting

The home of Mrs. Ellen Munro, 2 Queen Street N. will be the location of a meeting of the Mississauga Branch of the Toronto French School on Wednesday, April 16 at 8 p.m.

The meeting is being held to discuss adequate transportation for Streetsville children to attend the French School at the corner of Dixie and Burnhamthorpe Roads in Mississauga. Presently six Streetsville children attend the French school - with twelve local youngsters expected to be enrolled in September. Anyone wishing further information should call Ellen Munro at 826-2260.

Easter Sunday is a colourful time of year, and the weather-man co-operated fully this year to bring out the Easter bunnies on mothers and daughters. Mr. and Mrs. Jenkinson with daughters Brenda and Barbara attended the church service at Streetsville United. AL BETTS Photo

Championship Tyke hockey this weekend

Streetsville's "Hore Bros. Arena Sports" tyke hockey team is doing better as a team than it is as a host to 35 visiting teams from throughout Ontario. The tournament has finished its first week-end and eighteen teams, including Streetsville survive to fight it out for the Grand Championship next weekend.

The Streetsville team has won two games via the shutout route and captured the third when the tie score was broken by the local team's greater number of shots on goal. Marc Sinclair has four goals and an assist in the three games; Mike Prestidge has two goals and four assists; Doug Payne 2 and 2 and Paul Flack 1 and 3. Other scoring participants include Kent Tasker, Ian Bedford, Rick Very, Dwayne Hamilton, Lennie Bryant and Jimmy Hogue. Next game for the Arena Sports team is at 3 p.m. this Saturday. Thirteen other games are scheduled Saturday and Sunday afternoon, with three more to wind it up on Monday evening.

Quite a few famous names were there to lend prestige to the tournament which is famous in Streetsville, at least. Bellevue, Orr, Ferguson, Plante, Moore, Harvey, Cullen, Brewer - they all came. Even some well-known names out of the past were on the program - Bentley, Lalonde, Stasiuk. It wasn't an assembly of baseball talent necessarily, but Mustal put in an appearance too. Mahovlich, Duff and Forbes Kennedy didn't make it but Michalich, Keith Duffy and Jimmy Forbes did make it. We aren't sure if Ricky Bellevue of Brampton is any relation to "big Jean" or if John Orr of Saltfleet ever met Bobby Orr but we do know there was a lot of hockey talent at Streetsville arena over the weekend including Clay Ferguson of Saltfleet, Steve Plante of Wexford, Scott Moore of Applewood, Shane Harvey of Toronto, Kevin Cullen of Toronto, Bob Brewer of Port Credit, Steve Bentley of Lakeview, Doug Lalonde of Alderwood, John Mustal of Brampton, Brian Stasiuk of Hamilton and over 600 others.

Registration night for the Junior Lacrosse, sponsored by the Streetsville Kinmen, was held Wednesday, April 2. Pete Kitto, a member of the Kinmen, instructs Bobby McLaughlin, Ian Bedford, Doug Payne and Scott Kitto the techniques in holding the ball in the lacrosse stick. Photo by AL BETTS

Three plays at S.S.S.

Three, very interesting, one-act plays will be presented by the Theatre Arts Club of Streetsville Secondary School on Friday, April 11 and Saturday, April 12.

Curtain time is 8 p.m. and tickets - available from students, or at the door, are \$1.00 for adults, and 75 cents for students.

The three plays are - "Trifles", "The Dear Departed" - and "Passion, Poison and Petrification".

This time of year is a particularly busy time for the Kinmen Club of Streetsville. Lacrosse clinics are being held each Wednesday evening in preparation for the Streetsville Minor Lacrosse, which they sponsor. Also underway are plans for the annual June dance, which will be held this year on June 14. The name of the dance this year will be "Kin Caribana" with a Caribbean theme. In the midst of all this activity, elections are also to be held, and pictured above is one of the candidates for President, Dave Mishaw, with his campaign manager, Al Cook. Next year promises to be a busy one for the incoming executive as it is the 50th Anniversary of Kinmenahip in Canada.

Assurance New Healing Substance: Shrinko Film

Exclusive healing substance
proven to shrink hemorrhoids
... and repair damaged tissue.

A renowned research institute
has found a unique healing sub-
stance with the ability to
shrink hemorrhoids painlessly.
It relieves itching and discom-
fort in minutes and speeds up
healing of the injured, inflam-
ed tissue.

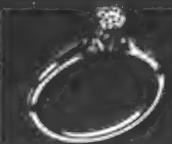

One hemorrhoidal case his-
tory after another reported
"very striking improvement."
Pain was promptly and gently
relieved ... actual reduction
or retraction (shrinkage) took
place.

Among these case histories
were a variety of hemorrhoidal
conditions. Relief even occur-
ed in cases of long standing
and most important of all, re-
sults were so thorough that this
improvement was main-
tained over a period of many
months.

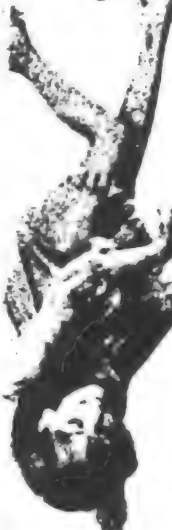

This was accomplished with
a new healing substance (Bio-
Dyne) which quickly helps heal
injured cells and stimulates
growth of new tissue. Bio-Dyne
is offered in ointment and sup-
pository form called Prepara-
tion H.

In addition to actually
shrinking hemorrhoids, Prepara-
tion H lubricates and makes
elimination less painful. It
helps prevent infection which
is a principal cause of hemor-
roids.

Just ask your druggist for
Preparation H Suppositories or
Preparation H Ointment (with a
special applicator).
Satisfaction or your money
refunded.

DOING THE RING THING?

We mean
the
engagement
ring thing.
If you are
you should come see us. We
have ArtCarved diamond
engagement rings. You
might say diamond rings
are ArtCarved's "thing" be-
cause they have been hand-
crafting beautiful diamond
rings since 1850. The ring
thing is a beautiful thing to
do ... and ArtCarved is a
beautiful way to do it.

Mini skirt causes accident

Students at University of California who suffer injuries are asked to fill out a form describing how the accident happened, and to give an opinion on how it might have been prevented. The Ontario Safety League says that a cyclist who was banged up when he smashed into

a post reported it was "because I was distracted by a beautiful chick in a mini-skirt". He wrote that his scrapes could have been

avoided "by eliminating mini-skirts — but, come to think of it, I'd rather smash into posts."

Photo News

Bustly rehearsing for the "Minstrel Memories 1969" is the chorus under the guidance and direction of Gary Clipperton. For the past few weeks the Streetsville Lions have been congregating at Vista Heights Public School in preparation for those important evenings, April 18, 19, 25 and 26. Four 'really big nights' to remember. Photo by AL BETTS

THE CORPORATION OF THE TOWN OF MISSISSAUGA PUBLIC NOTICE

TAKE NOTICE THAT:

1. The Council of the Corporation of the Town of Mississauga intends to construct as a local improvement the works described in Schedule 'A' below and intends to specially assess a part of the cost upon the land abutting directly upon the work.
2. The estimated cost of the work is \$134,600.00 of which \$64,800.00 is to be charged against all the rateable property in the Town of Mississauga Sewer Area, described below in Schedule 'B'. The estimated cost per foot frontage is \$5.00. The estimated annual rate per foot frontage is \$0.528. The estimated cost of each residential drain connection is \$200.00. The estimated annual cost of each residential drain connection is \$21.13. The special assessment is to be paid in twenty (2) equal annual instalments.
3. Application will be made by the Corporation to the Ontario Municipal Board for its approval of the undertaking of the work and any owner may within twenty-one (21) days after the first publication of this notice file with the Clerk his objection to the work being undertaken.
4. The Board may approve of the work being undertaken, but before doing so it may appoint a time and place when any objections to the work will be considered.

DATED AT MISSISSAUGA this 26th day of March 1969.

G. LUMMISS,
CLERK,
THE TOWN OF MISSISSAUGA,
MUNICIPAL OFFICES,
100 DUNDAS STREET WEST,
MISSISSAUGA, ONTARIO.

SCHEDULE "A"

A 15" - 18" diameter sanitary sewer on Glenwood Drive from Mineola Road to Indian Valley Trail, a distance of 1,620 feet at a total estimated cost of \$41,600.00.

A 10" diameter sanitary sewer on Kenollie Avenue from East End to 300' west of Glenwood Drive, a distance of 1,470 feet at a total estimated cost of \$23,500.00.

A 10" - 18" diameter sanitary sewer on Mineola Road from Victor Avenue to Glenwood Drive, a distance of 750 feet at a total estimated cost of \$17,300.00.

A 10" diameter sanitary sewer on Birchwood Heights Drive from Kenollie Avenue to Mineola Road, a distance of 860 feet at a total estimated cost of \$16,700.00.

A 10" diameter sanitary sewer on Victor Avenue from Kenollie Avenue to Mineola Road, a distance of 880 feet at a total estimated cost of \$17,300.00.

A 10" diameter sanitary sewer on Milton Avenue from Kenollie Avenue to Mineola Road, a distance of 880 feet at a total estimated cost of \$18,200.00.

SCHEDULE "B"

NOTE: The lands described in Schedule 'A' to By-law 7478 being the lands forming the Town of Mississauga Sewer area are set out below:

Schedule 'A' to By-law No. 7478
DESCRIPTION OF TOWN OF MISSISSAUGA SEWER AREA
(SEPTEMBER 1968)

ALL AND SINGULAR that certain parcel or tract of land and premises situate, lying and being in the Town of Mississauga (formerly the Township of Toronto), County of Peel and Province of Ontario and which said parcel may be more particularly described as follows:

COMMENCING at the intersection of the water's edge of Lake Ontario with the centreline of the allowance for road between the Town of Mississauga and the Town of Oakville;

THENCE in a northerly direction along the said centreline of the road allowance between the Town of Mississauga and the Town of Oakville, being along the southwesterly limit of the said Town of Mississauga across the allowance for road between Concessions 3 and 4, South of Dundas Street; the allowance for road between Concessions 2 and 3, South of Dundas Street; the allowance for road between Concessions 1 and 2, South of Dundas Street, in all a distance of 21,350 feet more or less to its intersection with the northwesterly limit of the original allowance for Dundas Street;

THENCE northerly along the said northwesterly limit of the original allowance for Dundas Street 6,660 feet more or less to its intersection with the production southeasterly of the northeasterly limit of the proposed allowance for Southdown Road, being the southwesterly limit of that part of Lot 1, Range 1, North of Dundas Street, in the Racey Tract, owned by The Board of Education for the Town of Mississauga;

THENCE north 46 degrees 27 minutes 40 seconds west along the said southwesterly limit of the lands of The Board of Education for the Town of Mississauga, 1400 feet more or less to the most westerly angle of the said lands of The Board of Education for the Town of Mississauga;

THENCE north 43 degrees 32 minutes 20 seconds east 660.36 feet to the most northerly angle of the said lands of The Board of Education for the Town of Mississauga, being a point in the existing division line between Lots 1 and 2, Range 1, North of Dundas Street, Racey Tract;

THENCE south 46 degrees 05 minutes 50 seconds east along the said division line between Lots 1 and 2, a distance of 230.52 feet to an angle in the limit of the said lands of The Board of Education for the Town of Mississauga;

THENCE south 46 degrees 53 minutes 10 seconds east continuing along the said division line 461.19 feet to a further angle in the limit of the said lands of The Board of Education for the Town of Mississauga;

THENCE south 39 degrees 19 minutes 50 seconds west 183.35 feet to a further angle in the limit of the said lands of The Board of Education for the Town of Mississauga;

THENCE south 46 degrees 40 minutes east 395.74 feet to a further angle in the limit of the said lands of The Board of Education for the Town of Mississauga;

THENCE south 40 degrees 06 minutes 30 seconds west 322.16 feet to a further angle in the limit of the said lands of The Board of Education for the Town of Mississauga;

THENCE south 45 degrees 17 minutes 20 seconds east 267 feet more or less to where the same is intersected by the northwesterly limit of the original allowance for Dundas Street;

THENCE northerly along the said northwesterly limit of the original allowance for Dundas Street to where the same is intersected by the centreline of the Credit River;

THENCE in a general northerly direction upstream along the said centreline of the Credit River in all its windings to where the same is intersected by the southeasterly limit of the right-of-way easement lands of The Hydro-Electric Power Commission of Ontario

In Lot 4, Range 4, North of Dundas Street, Credit Indian Reserve;

THENCE in a general northerly direction along the said southeasterly limit of the right-of-way easement lands of The Hydro-Electric Power Commission of Ontario, across part of Lot 4, Lot 5, and part of Lot 6, Range 4, North of Dundas Street, Credit Indian Reserve; across the right-of-way lands of the Canadian Pacific Railway; continuing across part of Lot 6 and part of Lot 7, Range 4, North of Dundas Street, Credit Indian Reserve; across the allowance for road between Ranges 4 and 5, North of Dundas Street, Credit Indian Reserve (McConnell Road); across part of Lot 7 and part of Lot 8, Range 5, North of Dundas Street, Credit Indian Reserve; across a road confirmed by Justices in Session, May 3, 1836 (Creditview Road); continuing across part of Lot 8, Range 5, North of Dundas Street, Credit Indian Reserve; across the unopened allowance for road along the east side of the Credit Indian Reserve; across Lots 23, 22 and 21, Concession 2, North of Dundas Street; across the allowance for road between Lots 20 and 21 Concession 2, North of Dundas Street (Mavis Road); across Lots 20, 19, 18, 17 and 16, Concession 2, North of Dundas Street; across The King's Highway Number 10 (Hurontario Street); and across Lots 15, 14, 13, 12 and 11, Concession 2, North of Dundas Street, in all its irregularities 24,130 feet more or less to where the same is intersected by the southwesterly limit of the allowance for road between Lots 10 and 11, Concession 2, North of Dundas Street;

THENCE northwesterly along the last mentioned southwesterly limit 2,639 feet more or less to where the same is intersected by the southeasterly limit of Base Line Road East, according to Municipal Survey Number 844;

THENCE southwesterly along the last mentioned southeasterly limit to where the same is intersected by the production southeasterly of the southwesterly limit of the allowance for road between Concessions 1 and 2, East of Hurontario Street (First Line East);

THENCE northwesterly to and along the said southwesterly limit of the allowance for road between Concessions 1 and 2, East of Hurontario Street (First Line East) to the most northerly angle of Lot 5, Concession 1, East of Hurontario Street;

THENCE northwesterly in a straight line across the allowance for road between Lots 5 and 6 (Britannia Road East) to the most easterly angle of Lot 6, Concession 1, East of Hurontario Street;

THENCE northwesterly continuing along the southwesterly limit of the allowance for road between Concessions 1 and 2, East of Hurontario Street (First Line East) to the most northerly angle of Lot 7, Concession 1, East of Hurontario Street;

THENCE northerly in a straight line across the allowance for road between Concessions 1 and 2, East of Hurontario Street (First Line East) to the most westerly angle of Lot 7, Concession 2, East of Hurontario Street;

THENCE in a general northerly direction along the division line between Lots 7 and 8, Concession 2, East of Hurontario Street to the most northerly angle of Lot 7, Concession 2, East of Hurontario Street;

THENCE northerly in a straight line across the allowance for road between Concessions 2 and 3, East of Hurontario Street (Second Line East) to the most westerly angle of Lot 7, Concession 3, East of Hurontario Street;

THENCE in a general northerly direction along the division line between Lots 7 and 8, Concession 3, East of Hurontario Street to the most northerly angle of Lot 7, Concession 3, East of Hurontario Street;

THENCE northerly in a straight line across the allowance for road between Concessions 3 and 4, East of Hurontario Street (Dixie Road) to the most westerly angle of Lot 7, Concession 4, East of Hurontario Street;

THENCE northwesterly along the northerly limit of Dixie Road aforesaid to its intersection with the limit between the northwesterly and southeasterly halves of Lot 8, Concession 4, East of Hurontario Street;

THENCE in a general northerly direction along the said division line between the northwesterly and southeasterly halves of Lot 8, Concession 4, East of Hurontario Street to its intersection with the northwesterly limit of the said Lot 8, Concession 4, East of Hurontario Street;

THENCE northwesterly along the southwesterly limit of the allowance for road between Concessions 4 and 5, East of Hurontario Street and its production northwesterly to where the same is intersected by the production southwesterly of the northwesterly limit of Derry Road East as widened;

THENCE northerly to and along the said northwesterly limit of Derry Road East 4,000 feet more or less to where the same is intersected by a line drawn parallel to and distant 500 feet measured at right angles southwesterly from the southwesterly limit of the allowance for road between Concessions 5 and 6, East of Hurontario Street (Torbram Road);

THENCE northwesterly along the last mentioned line drawn parallel through Lots 11 and 12, Concession 5, East of Hurontario Street, 3990 feet more or less to where the same is intersected by the division line between Lots 12 and 13, Concession 5, East of Hurontario Street;

THENCE southwesterly along the said division line between Lots 12 and 13, Concession 5, East of Hurontario Street, 1,708 feet more or less to an angle therein;

THENCE southeasterly continuing along the said division line between Lots 12 and 13, Concession 5, East of Hurontario Street, 36.50 feet more or less to a further angle therein;

THENCE southwesterly continuing along the said division line between Lots 12 and 13, Concession 5, East of Hurontario Street, 809.70 feet more or less to its intersection with the southwesterly limit of the lands described in Instrument Number 179223, Township of Toronto;

THENCE northwesterly along the last mentioned southwesterly limit 1081.69 feet more or less to the most westerly angle of the said lands described in Instrument Number 179223;

THENCE southwesterly along the production southwesterly of the northwesterly limit of the said lands described in Instrument Number 179223, a distance of 1454 feet more or less to its intersection with the southwesterly limit of the allowance for road between Concessions 4 and 5, East of Hurontario Street (Bramalea Road);

THENCE northwesterly along the said southwesterly limit of Bramalea Road, 3820 feet more or less to its intersection with the southerly limit of the right-of-way lands of the Canadian National Railways;

THENCE westerly along the said southerly limit of the right-of-way lands of the Canadian National Railways, 1980 feet more or less to its intersection with the centreline of the allowance for road between the Town of Mississauga and the Township of Chinguacousy (Steeles Avenue East);

THENCE northerly along the said centreline of Steeles Avenue East and being along the northwesterly limit of the Town of Mississauga, 10,900 feet more or less to its intersection with the centreline of the allowance for road between Concessions 6 and 7, East of Hurontario Street (Airport Road);

THENCE northerly continuing along the said centreline of Steeles Avenue East and being along the northwesterly limit of the Town of Mississauga to where the same is intersected by the Indian Line, being the limit between the Town of Mississauga and the Township of Vaughan;

THENCE southeasterly along the said Indian Line, being along the limit between the Town of Mississauga and the Township of Vaughan and continuing along the limit between the Borough of Vaughan and continuing along the limit between the Borough of Etobicoke and the Town of Mississauga, to its intersection with the centreline of Base Line Road East, as defined by Municipal Survey Number 844;

THENCE southwesterly along the said centreline of Base Line Road East and continuing along the limit between the Borough of Etobicoke and the Town of Mississauga to its intersection with the centreline of the Etobicoke Creek;

THENCE in a general southeasterly direction downstream along the said centreline of the Etobicoke Creek in all its windings to where the same is intersected by the water's edge of Lake Ontario;

THENCE in a general southwesterly direction along the water's edge of Lake Ontario in all its windings to the point of commencement.

JOY CLUB NEWS

BY Eleanor S. Blake

CREDIT VALLEY NEIGHBOURS - Club members of the Credit Valley Neighbours helped Mr. Dave Fleming celebrate his birthday with a birthday cake at their last meeting and discussed possible plans for spring outings. After a short business meeting with President Mrs. Reigling in the chair, the group enjoyed a game of bingo with small table prizes being awarded to the winners.

MALTON - The highlight of the Malton Senior Citizens' meeting was the presentation to Mrs. Ivy Bailey of her Past President's Pin. President Kay O'Byrne

presided over the business meeting and the members then enjoyed a game of bingo with their new bingo set, and listened to several delightful selections on the piano by Mrs. Dinen. Three new members have also joined the ranks of the Malton group in the last month, and to these people we extend a hearty welcome.

LORNE PARK Club will be moving back into their old quarters, the renovated Lorne Park Hall for their April 11 meeting, and will enjoy a social evening and welcoming back party.

COOKSVILLE - The

Cookville Club met in the parlour of the Cookville United Church for their first meeting in April and the members were taken back through the years with delightful renditions, honky-tonk style, as supplied by Ralph Richards. Mr. Richards proved to be a most popular guest with the Club and had many of the members singing old time favourites. A short business meeting followed, and members are planning to visit the O'Keefe Centre later this month to see "Fiddler on the Roof", and are eagerly looking forward to their sunrise trip later in May.

FLASH! -- FOUR CORNERS CLUB TO HOLD 'SPRING SWING'

A few crocuses are neening from the brown earth. The sky is blue and the sun is shining brightly. Birds are singing as they sit upon a tree branch covered with buds. Perhaps the most noticeable thing is the children. They seem to be coming out of hibernation. Suddenly, they are awaking the streets, playing in noddles, riding their bicycles, skidding and laughing. IT IS SPRING! The season of the year when plants begin to vegetate and grow. It is March; it is April; and soon it will be May. Why do you have that lazy, listless feeling? The dictionary says it is SPRING FEVER.

SPRING FEVER! But Spring is a time to laugh, a time to sing, a time when things are blossoming. Get into the swing of things. Throw away that lazy listless feeling. Join The Four Corners Square Dance Club for their fifteenth annual Spring Dance. You will be joining people from all over Ontario. Everyone is

welcome and you are guaranteed an evening of fun that you will long remember. The SPRING SWING will be held on Saturday, April 19 at T. L. Kennedy High School in Mississauga (Cookville to the strangers from far away). The time is 8.30 p.m. Angus McKinnon will be there with his

orchestra and Bert Everett will be calling your favorite dances. There will be old time square dancing, waltzes, polkas and many more. The hall will be a picture of Spring, so don't miss this evening to remember. Come and bring your friends. For information please call 279-1109 or 277-4459.

A Letter From Home

By a Member of the
Mississauga Historical Society

Dear Ruth:

It is beautiful here today, the birds singing, sun shining, blue sky - "all's right with the world!" And I'm sure I heard Canada geese early this morning, in fact their honking woke me up.

We had an interesting speaker at our MISSISSAUGA HISTORICAL MEETING on Tuesday March 18, a Mrs. Joan Rollings. She gave us the history of the CREDIT VALLEY CONSERVATION AUTHORITY, and with pictures showed how flood control, reforestation and restoration of historical sites has been carried out. Their aim is to reforest as much of the CREDIT RIVER WATERSHED as possible to prevent erosion!

To promote flood control, and thereby help to keep the water clean, a series of dams on the main and West Credit will be built as soon as funds become available. In co-operation with the Department of Lands and Forests, the Authority stocks fishing areas with stocked trout. Grain is planted in natural habitats to feed wildlife. The Credit Valley Conservation Authority is financed by the taxpayers of the Credit River Watershed and we are thankful that we have an organization in existence and that we are among taxpayers to help in this wonderful work - the restoration and protection of our beautiful historic valley of the Credit.

I have a letter written in 1891, by Royal Grafton (Great grandfather Thos. Grafton's first cousin) in which he tells about the first survey of Peel County. In this survey party with Mr. Street (Streetsville named after him) and Mr. Bristle, were a number of young men, including Royal's father Thomas Grafton and Thomas's brother James (your great, great, great grandfather). For their services they were each given 100 acres of bushland. Cousin Russell Grafton still lives on the old Grafton homestead, the property which was given to his great grandfather in 1820. The part of the letter that impressed me most tells of their first glimpse of the Forks of the Credit - and I quote - (November, 1819) - "I think it was on the fifth line west, near a Northern boundary of Esqueping, that the precipice was so steep and high that they had to divert some distance west to ascend the mountain. When they returned to the line after scaling this high peak they beheld the most beautiful scenery as they looked down on the variegated colours of the maples and other foliage near, and then away into the dim distance on that clear autumn day. As far as the eye could range they beheld the green waving pine tops as lofty they hid the view of all others, and appearing from that elevated position, a panorama of

pliny 25 miles away to Lake Ontario. As they gazed with delight at the vision of beauty indescribable, impressive beyond words - all trials were forgotten. As they continued to gaze with admiration and talked of the magnificent and wonderful work of Nature, their hearts went up to Nature's God, who created it. They remained sometime in this locality and amused themselves by rolling great boulders over the lofty precipices and seeing them crash to pieces in the rocky distance below."

And now all this is being restored to its natural beauty again by our Credit Valley Conservation Authority. Again I am reminded of the nights we used to have on the banks of our own Credit River at Stavebank and Old Middle Road (Queen E.). It was our Belford reunions, originated by your great grandfather Belford, and held every 24th of May. The men would fish (and they really caught fish) while cousins played among the pines; mother and aunts would visit. Each day as I pass that road, now covered by beautiful homes, I see only the lofty pines, the wild flowers, the picnic lunch, and then I smell the fresh fish (caught earlier) frying in butter (oh boy!) over a makeshift bonfire built in the rocks in the clearing.

Yes, Karen Dunmore, this is the same great grandfather who rode the horse to Arizona Territory, when he was a lad of 17. Let me go back to the year 1870 - Mr. and Mrs. Harding kept the Toll-gate at the Middle Road and Centre Road (#10 and Queen E.). To pass you had to pay toll; a young Irish immigrant of seventeen years, just fresh from the Emerald Isle and riding a spirited horse, paused to pay toll. At the same time, a bewhiskered gentleman with a little black dog, approached the gate. The bewhiskered one clapped his hands boyishly and said "Get him Tip!" - In a flash the nipped the heels of the spirited horse, who in turn leaped high over the bar, and was soon out of sight, much to the amusement of the jovial gentleman. And this gentleman was never to know that his son's

daughter would some day wed the restless Irish adventurer's son, and Ruth, the Irishman was your great grandfather Belford, and the jovial one was John Goldthorpe, your great, great grandfather and owner of Woodside Farm (all that land around the Creditview Plaza).

What a strange place Port Credit must have been to Grandfather Belford when he first set foot on Canadian soil in 1869. Famine, riots and unrest, might have prompted him to leave his beloved homeland and to try his luck in the newly formed Dominion of Canada, but I'm inclined to believe it was his adventurous spirit! This warm-hearted and

kindly humorous beloved ancestor of mine left many stories to be enjoyed by those who followed after him. He landed in Port Credit with few worldly possessions - his Bible, a wooden clock, and a Temperance Pledge from the Longford Temperance Society. For a time he lived at the Inn of Apt. Thos. Grafton. (Later he was to see his son marry the granddaughter of Cant. Grafton).

From another pioneer family, Dixie Cotton, grandfather bought the spirited horse, and a short while after rode that horse to Arizona "to break it in". Here, he worked on a ranch for a year 1870-1871. While on a cattle drive to Dodge City, Kansas, he

was almost killed by rattlers for refusing a drink in the local saloon. He said he felt he owed his life to a "tall man of the law" who came to his rescue (it might add his eager little grandchildren heard this story in the early 1920's before TV) - was it Bat Masterson, Earp, or Matt Dillon? Grandfather was paid in Confederate money - but was never able to cash it - a four hundred dollar bill!

After the cattle drive in 1871, he came back to Port Credit but missed the road in the dark, still riding his spirited horse, and he ended up in "Puggy Huddle" (Burnhamthorpe). That night at Puggy Huddle grandfather met the girl he would later wed, but that will be the story next week. With love to all, Your Mother.

TO WED

Lynda Woodall, daughter of Mr. and Mrs. George Robert Woodall, Rugby Road, Mississauga, and Edward P. Rotteau of London, Ontario will be united in marriage on Saturday, April 19 at 5 p.m. in St. John's Anglican Church, Dixie. Miss Woodall is a dietitian at Western University, London. The couple will reside in London.

Dessert Bridge & Euchre to be held

A Dessert Bridge and Euchre Party will be held on Monday, April 14 beginning at 8.15 p.m. in the Auditorium of St. Andrew's Presbyterian Church, Port Credit.

Leaders of C.O.C. are sponsoring this party to raise funds for the support of the Formosan Orphan, Lim Hui Tin. The C.O.C. children are supporting this child and need extra funds to continue their good work.

The following copy made from a piece in McCaulay Pope's "The Village Pump" article #2 in the Streetsville Review dated 31st of August, 1939:

"From his home about 4 months since, Thomas Grafton aged 14. His father is desirous of knowing in what section of the county he is at present located. Would satisfactorily recompense any person giving the desired information."

"Meadowdale June 1st, 1848 JAMES GRAFTON JR."

The above information taken from Ontario Archives

Grandpa Belford with his grandson Charles Belford, who passed away in Port Credit at the age of 32 in 1944.

LONGFORD PROTESTANT TEMPERANCE SOCIETY.

ESTABLISHED THE 2ND OF FEBRUARY, 1869

William Belford, with God's help, voluntarily promising to abstain from Porter, Ale, Cider, Wine, Ardent Spirits, Tobacco, and all intoxicating liquors for medical purposes, by order of a medical man, or in the Holy Communion; and I consider this promise to be in force until I return this pledge to the President of the Society.

Signed William Belford

THE CORPORATION OF THE TOWN OF MISSISSAUGA PUBLIC NOTICE

TAKE NOTICE THAT:

1. The Council of the Corporation of the Town of Mississauga intends to construct a local improvement works described in Schedule "A" below and intends to specially assess a part of the cost upon the land abutting directly upon the work.
2. The estimated cost of the work is \$81,200.00 of which \$34,300.00 is to be charged against all the rateable property in the Town of Mississauga Sewer Area, described below in Schedule "B". The estimated cost per foot frontage is \$5.00. The estimated annual rate per foot frontage is \$0.528. The estimated cost of each residential drain connection is \$200.00. The estimated annual cost of each residential drain connection is \$21.13. The special assessment is to be paid in twenty (20) equal annual instalments.
3. Application will be made by the Corporation to the Ontario Municipal Board for its approval of the undertaking of the work and any owner may within twenty-one (21) days after the first publication of this notice file with the Clerk his objection to the work being undertaken.
4. The Board may approve of the work being undertaken, but before doing so it may appoint a time and place when any objections to the work will be considered.

DATED AT MISSISSAUGA this 2nd day of April, 1969.

G. LUMMISS,
CLERK,
TOWN OF MISSISSAUGA,
MUNICIPAL OFFICES,
100 DUNDAS STREET WEST,
MISSISSAUGA, ONTARIO.

SCHEDULE "A"

- a) A 10" diameter sanitary sewer on Oakes Drive from Mineola Road to Goldthorne Rd., a distance of 1100 feet at an estimated cost of \$22,110.00.
- b) A 10" diameter sanitary sewer on Broadmoor Avenue from Pinewood Trail to Radley Road, a distance of 1475 feet at an estimated cost of \$28,350.00.
- c) A 10" diameter sanitary sewer on Radley Road from Crestview Ave. to Cooksville sanitary trunk sewer, a distance of 880 feet at an estimated cost of \$13,590.00.
- d) A 10" diameter sanitary sewer on Crestview Avenue from Glenview Drive to Radley Road, a distance of 440 feet at an estimated cost of \$9,180.00.
- e) A 10" diameter sanitary sewer on Glenview Drive from 200 feet east of Crestview Avenue to Broadmoor Avenue, a distance of 430 feet at an estimated cost of \$7,970.00.

SCHEDULE "B"

NOTE: The lands described in Schedule "A" to By-law 7478 being the lands forming the Town of Mississauga sewer Area are set out below:

Schedule 'A' to By-law No. 7478
DESCRIPTION OF TOWN OF MISSISSAUGA SEWER AREA
(SEPTEMBER 1968)

ALL AND SINGULAR that certain parcel or tract of land and premises situate, lying and being in the Town of Mississauga (formerly the Township of Toronto), County of Peel and Province of Ontario and which said parcel may be more particularly described as follows:

COMMENCING at the intersection of the water's edge of Lake Ontario with the centreline of the allowance for road between the Town of Mississauga and the Town of Oakville;

THENCE in a northwesterly direction along the said centreline of the road allowance between the Town of Mississauga and the Town of Oakville, being along the southwesterly limit of the said Town of Mississauga across the allowance for road between Concessions 3 and 4, South of Dundas Street; the allowance for road between Concessions 2 and 3, South of Dundas Street; the allowance for road between Concessions 1 and 2, South of Dundas Street, in all a distance of 21,350 feet more or less to its intersection with the northwesterly limit of the original allowance for Dundas Street;

THENCE northwesterly along the said northwesterly limit of the original allowance for Dundas Street 6,660 feet more or less to its intersection with the production southeasterly of the northwesterly limit of the proposed allowance for Southdown Road, being the southwesterly limit of that part of Lot 1, Range 1, North of Dundas Street, in the Racey Tract, owned by The Board of Education for the Town of Mississauga;

THENCE north 46 degrees 27 minutes 40 seconds west along the said southwesterly limit of the lands of The Board of Education for the Town of Mississauga, 1400 feet more or less to the most westerly angle of the said lands of The Board of Education for the Town of Mississauga;

THENCE north 43 degrees 32 minutes 20 seconds east 660.36 feet to the most northerly angle of the said lands of The Board of Education for the Town of Mississauga, being a point in the existing division line between Lots 1 and 2, Range 1, North of Dundas Street, Racey Tract;

THENCE south 46 degrees 05 minutes 50 seconds east along the said division line between Lots 1 and 2, a distance of 230.52 feet to an angle in the limit of the said lands of The Board of Education for the Town of Mississauga;

THENCE south 46 degrees 53 minutes 10 seconds east continuing along the said division line 461.19 feet to a further angle in the limit of the said lands of The Board of Education for the Town of Mississauga;

THENCE south 39 degrees 19 minutes 50 seconds west 183.35 feet to a further angle in the limit of the said lands of The Board of Education for the Town of Mississauga;

THENCE south 46 degrees 40 minutes east 395.74 feet to a further angle in the limit of the said lands of The Board of Education for the Town of Mississauga;

THENCE south 40 degrees 06 minutes 30 seconds west 322.16 feet to a further angle in the limit of the said lands of The Board of Education for the Town of Mississauga;

THENCE south 45 degrees 17 minutes 20 seconds east 267 feet more or less to where the same is intersected by the northwesterly limit of the original allowance for Dundas Street;

THENCE northwesterly along the said northwesterly limit of the original allowance for Dundas Street to where the same is intersected by the centreline of the Credit River;

THENCE in a general northwesterly direction upstream along the said centreline of the Credit River in all its windings to where the same is intersected by the southeasterly limit of the right-of-way easement lands of The Hydro-Electric Power Commission of Ontario in Lot 4, Range 4, North of Dundas Street, Credit Indian Reserve;

THENCE in a general northwesterly direction along the said southeasterly limit of the right-of-way easement lands of The Hydro-Electric Power Commission of Ontario, across part of Lot 4, Lot 5, and part of Lot 6, Range 4, North of Dundas Street, Credit Indian Reserve; across the right-of-way lands of the Canadian Pacific Railway; continuing across part of Lot 6 and part of Lot 7, Range 4, North of Dundas Street, Credit Indian Reserve; across the allowance for road between Ranges 4 and 5, North of Dundas Street, Credit Indian Reserve (McCon-

nell Road); across part of Lot 7 and part of Lot 8, Range 5, North of Dundas Street, Credit Indian Reserve; across a road confirmed by Justices in Session, May 3, 1836 (Creditview Road); continuing across part of Lot 8, Range 5, North of Dundas Street, Credit Indian Reserve; across the unopened allowance for road along the east side of the Credit Indian Reserve; across Lots 23, 22 and 21, Concession 2, North of Dundas Street; across the allowance for road between Lots 20 and 21 Concession 2, North of Dundas Street (Mavis Road); across Lots 20, 19, 18, 17 and 16, Concession 2, North of Dundas Street; across The King's Highway Number 10 (Hurontario Street); and across Lots 15, 14, 13, 12 and 11, Concession 2, North of Dundas Street, in all its irregularities 24,130 feet more or less to where the same is intersected by the southwesterly limit of the allowance for road between Lots 10 and 11, Concession 2, North of Dundas Street;

THENCE northwesterly along the last mentioned southwesterly limit 2,639 feet more or less to where the same is intersected by the southeasterly limit of Base Line Road East, according to Municipal Survey Number 844;

THENCE southwesterly along the last mentioned southeasterly limit to where the same is intersected by the production southeasterly of the southwesterly limit of the allowance for road between Concessions 1 and 2, East of Hurontario Street (First Line East);

THENCE northwesterly to and along the said southwesterly limit of the allowance for road between Concessions 1 and 2, East of Hurontario Street (First Line East) to the most northerly angle of Lot 5, Concession 1, East of Hurontario Street;

THENCE northwesterly in a straight line across the allowance for road between Lots 5 and 6 (Britannia Road East) to the most easterly angle of Lot 6, Concession 1, East of Hurontario Street;

THENCE northwesterly continuing along the southwesterly limit of the allowance for road between Concessions 1 and 2, East of Hurontario Street (First Line East) to the most northerly angle of Lot 7, Concession 1, East of Hurontario Street;

THENCE northwesterly in a straight line across the allowance for road between Concessions 1 and 2, East of Hurontario Street (First Line East) to the most westerly angle of Lot 7, Concession 2, East of Hurontario Street;

THENCE in a general northwesterly direction along the division line between Lots 7 and 8, Concession 2, East of Hurontario Street to the most northerly angle of Lot 7, Concession 2, East of Hurontario Street;

THENCE northwesterly in a straight line across the allowance for road between Concessions 2 and 3, East of Hurontario Street (Second Line East) to the most westerly angle of Lot 7, Concession 3, East of Hurontario Street;

THENCE in a general northwesterly direction along the division line between Lots 7 and 8, Concession 3, East of Hurontario Street to the most northerly angle of Lot 7, Concession 3, East of Hurontario Street;

THENCE northwesterly in a straight line across the allowance for road between Concessions 3 and 4, East of Hurontario Street (Dixie Road) to the most westerly angle of Lot 7, Concession 4, East of Hurontario Street;

THENCE northwesterly along the northwesterly limit of Dixie Road aforesaid to its intersection with the limit between the northwesterly and southeasterly halves of Lot 8, Concession 4, East of Hurontario Street;

THENCE in a general northwesterly direction along the said division line between the northwesterly and southeasterly halves of Lot 8, Concession 4, East of Hurontario Street to its intersection with the northwesterly limit of the said Lot 8, Concession 4, East of Hurontario Street;

THENCE northwesterly along the southwesterly limit of the allowance for road between Concessions 4 and 5, East of Hurontario Street and its production northwesterly to where the same is intersected by the production southwesterly of the northwesterly limit of Derry Road East as widened;

THENCE northwesterly to and along the said northwesterly limit of Derry Road East 4,000 feet more or less to where the same is intersected by a line drawn parallel to and distant 500 feet measured at right angles southwesterly from the southwesterly limit of the allowance for road between Concessions 4 and 5, East of Hurontario Street (Torbram Road);

THENCE northwesterly along the last mentioned line drawn parallel through Lots 11 and 12, Concession 5, East of Hurontario Street, 3990 feet more or less to where the same is intersected by the division line between Lots 12 and 13, Concession 5, East of Hurontario Street;

THENCE southwesterly along the said division line between Lots 12 and 13, Concession 5, East of Hurontario Street, 1,708 feet more or less to an angle therein;

THENCE southeasterly continuing along the said division line between Lots 12 and 13, Concession 5, East of Hurontario Street, 36.50 feet more or less to a further angle therein;

THENCE southwesterly continuing along the said division line between Lots 12 and 13, Concession 5, East of Hurontario Street, 809.70 feet more or less to its intersection with the southwesterly limit of the lands described in Instrument Number 179223, Township of Toronto;

THENCE northwesterly along the last mentioned southwesterly limit 1081.69 feet more or less to the most westerly angle of the said lands described in Instrument Number 179223;

THENCE southwesterly along the production southwesterly of the northwesterly limit of the said lands described in Instrument Number 179223, a distance of 1454 feet more or less to its intersection with the southwesterly limit of the allowance for road between Concessions 4 and 5, East of Hurontario Street (Bramalea Road);

THENCE northwesterly along the said southwesterly limit of Bramalea Road, 3820 feet more or less to its intersection with the southerly limit of the right-of-way lands of the Canadian National Railways;

THENCE westerly along the said southerly limit of the right-of-way lands of the Canadian National Railways, 1980 feet more or less to its intersection with the centreline of the allowance for road between the Town of Mississauga and the Township of Chinguacousy (Steeles Avenue East);

THENCE northwesterly along the said centreline of Steeles Avenue East and being along the northwesterly limit of the Town of Mississauga, 10,900 feet more or less to its intersection with the centreline of the allowance for road between Concessions 6 and 7, East of Hurontario Street (Airport Road);

THENCE northwesterly continuing along the said centreline of Steeles Avenue East and being along the northwesterly limit of the Town of Mississauga to where the same is intersected by the Indian Line, being the limit between the Town of Mississauga and the Township of Vaughan;

THENCE southeasterly along the said Indian Line, being along the limit between the Town of Mississauga and the Township of Vaughan and continuing along the limit between the Borough of Vaughan and continuing along the limit between the Borough of Etobicoke and the Town of Mississauga, to its intersection with the centreline of Base Line Road East, as defined by Municipal Survey Number 844;

THENCE southwesterly along the said centreline of Base Line Road East and continuing along the limit between the Borough of Etobicoke and the Town of Mississauga to its intersection with the centreline of the Etobicoke Creek;

THENCE in a general southeasterly direction downstream along the said centreline of the Etobicoke Creek in all its windings to where the same is intersected by the water's edge of Lake Ontario;

THENCE in a general southwesterly direction along the water's edge of Lake Ontario in all its windings to the point of commencement.

EXCEPTING thereout and therefrom all those parts of Lots 4, and 5, Concession 3, South of Dundas Street, annexed by The Corporation of the Village of Long Branch (now the Borough of Etobicoke) and FURTHER EXCEPTING thereout and therefrom the Town of Port Credit.

OF INTEREST TO WOMEN

RICE MEXICANA

Made with packaged soup

adds interest to economy Saturday supper

We're always hearing about "Blue Monday" - but many a homemaker finds that Saturday is the "off night" when it comes to planning a supper to interest her usual schedule. Dad and the children are hungrier than usual because of outdoor activities - or else they've been loafing and snacking indoors all afternoon, and supper needs to be tempting.

Mother, too, lacks real enthusiasm for cooking a big meal, even if she can get everyone to the table at once. And the budget, this time of year, often finds Saturday supper skinned in favour of the Sunday roast!

One answer to the cry for "something different" is a simple hot dish, given added appeal by interesting foreign flavouring, and served with cold cuts as a change from hot meats. For dessert, try serving fruit and a variety of cheeses. Instead of the more usual pudding, pie or preserves. All ingredients of a meal like this can be kept on hand in the refrigerator and cupboard to be prepared at a moment's notice.

Here's a recipe for Rice Mexicana flavored with green pepper, onion and tomato catsup. Extra colour, flavour and nutritive value is added by using a package of tomato vegetable soup - another handy "on-the-shelf" item that speeds up meal preparation.

This recipe can be varied to make a one-dish dinner by adding shrimp, browned sausage or crumbled bacon - and it's delicious served as a change from potatoes as a dinner vegetable with hot meats, too.

RICE MEXICANA

1/4 c. butter, margarine or shortening
1 c. chopped onion
1/2 c. chopped green pepper
1/4 c. catsup
1 tsp. brown bottled gravy sauce
1/2 tsp. salt
2 1/2 c. water
1 envelope Lipton tomato vegetable soup mix
1-1/2 c. packaged pre-cooked rice

Saute onion in butter or margarine or shortening until the onion is transparent. Add the green pepper, catsup, gravy sauce, salt, water and contents of package of tomato vegetable soup. Bring to a boil and cook, stirring occasionally, for 10 minutes. Add rice, remove from heat, cover, and let stand in a warm place for 5-7 minutes. Serve immediately. Makes 4 servings.

WEIGHT-WATCHERS NON - FATTENING RECIPES

Spring ushers in many things -- It also brings festive dinners and for many the thought of trim figures for summer. To help you skim through the holidays, Weight Watchers of Ontario has developed a series of menus, which as Ontario Director Adelaide Daniels says "are non-fattening recipes that really taste fattening."

SPINACH SOUP

3 10 oz. pkg. frozen chopped spinach
1 pkg. dark seasoning and broth mix
1/4 tsp. nutmeg
1/2 tsp. white pepper
4 c. beef bouillon
2 drops tabasco
4 egg yolks
Cook spinach according to package directions, except add broth mix to water. Drain. Add nutmeg and pepper to beef bouillon. Stir in spinach and tabasco. Gently add egg yolks, taking care not to break them. Simmer covered for 10 minutes or until yolks are hard cooked.

SPICED FISH

2 lbs. ocean perch fillets
2 tbsp. barbecue sauce
1 tsp. parsley flakes
1 c. tomato juice
Preheat oven to 400 degrees F. Place fish in a baking pan and sprinkle with barbecue sauce and parsley flakes. Slowly pour tomato juice over fish. Bake for 10 minutes or until fish flakes easily with fork.

PIMENTO LEG OF LAMB

6 servings
1 leg of lamb 6-8 lbs.
2 tbsp. prepared horseradish
1 tsp. freshly ground pepper
1 tsp. rosemary
1/4 c. chopped parsley
1/4 c. chopped pimento
Preheat oven to 350 degrees. Place lamb on rack in roasting pan. Roast lamb for 30 minutes per pound or until meat thermometer registers 175 degrees. Combine horseradish, pepper, rosemary, parsley, pimento and blend

thoroughly. Spread mixture over lamb for last 30 minutes of roasting time.

ATTENDS MEETING

Mr. and Mrs. Menno J. Klassen, 1262 Windling Trail, Mississauga, attended the annual Council of Evangel College meeting in Springfield, Missouri March 26-28. Mr. Klassen is a director of development at Richmond College. An organization of business and professional men, the Council is concerned with development of Evangel, a four-year liberal arts institution that is the national college of the Assemblies of God.

ATHLETE OF THE WEEK

One of the reasons for Streetsville's strong showing in the Tyke Tournament has been the play of red-haired centre-man Mike Prestidge. Mike has six points in the first three games and hopes to add to that total next week-end. In about nine games with the Hore Bros. Arena Sports Tyke team he has 23 goals and over 40 points. In one game alone he amassed 9 points with five goals and four assists. Last year he racked up 96 points before it was over. Mike was also one of the unsung workmen with the championship Thunderbird Novice team this year.

Michael is nine years old, in grade four and makes his home in Huttonville. He also plays lacrosse and is hoping he can work soccer too into his summer activities this year.

TYKE TOURNAMENT

We aren't sure if nature was very kind or very unkind to Mrs. Sandra Fowles, wife of Dixie-Burnhamthorpe Mobile Lift team's coach. She cheered her husband's team on excitedly at the Tyke Tournament on Saturday, while behind her she rocked her infant twins in a big baby carriage. Asked how soon it would be before she would be urging on her own twins out on the ice instead of in the buggy, she replied, "They're both girls!"

Comeback teams of the tournament so far are Oakville and Clairlea. Oakville lost 2-0 to Erindale in the first game, then came back to win 5-2 and take the round by one goal.

Clairlea trailed Applewood by a goal going into the second game but came on strong to win the game 6-2 and the round 8-5.

Scoring leadership in the tournament so far is shared by Brian Pilon of Penetang and Randy Roy of Dixie-Burnhamthorpe Mobile Lift. That puts Randy in pretty good company. Fans from Penetang report that Brian has a total of something like 130 (that's one hundred and thirty, dad) goals so far this year. In this tournament he got the hat-trick in each of his first two games and scored twice in the third game. Streetsville fans will be watching Brian anxiously in the 3 p.m. game next Saturday. That's when Penetang and Streetsville, two of the hottest teams in the tournament so far, meet head-on, with the loser to be eliminated. Should be quite a contest.

Randy Roy shores the best point performance in a single game with Gary Dillon of Dorset Park and Malcolm Anthony of Goulding Park. Each has a five-point game consisting of three goals and two assists. Most goals in a single game were scored by Mike Hanna of West Hill Mayfair Drapery. Mike scored four goals in the second game of the tournament.

Games this weekend begin at 11 a.m. Saturday and 1 p.m. Sunday and continue until about 6 p.m. both days. Of the 36 teams starting the tournament, 18 have been eliminated after their guaranteed 3 games each. Eight more will fall by the wayside on Saturday and the ten remaining teams will pare down to four by Sunday night. Then Monday evening the championship round and consolation winners will be declared. In the final game of the tournament the consolation winners have another crack at the grand championship when they challenge the championship round winners at 8 p.m. Monday.

Seven of the eight teams in the Mississauga Major Tyke series were entered in the tournament. Two of them won their opening round and the same two teams have each also won in the second round.

Malton Jets beat Lyndwood twice to enter the championship round. In the second round they upset Burlington when they tied the game and were declared winners by virtue of more shots on net in the last period. Cal Byers leads the Malton squad in the three games with a goal and five assists. Marc Bertrand, Tim Moore and Steve Maund each has two goals. Malton now clashes with the other Mississauga team still in the championship round, Dixie-Burnhamthorpe Mobile Lift. Game time is 11:50 a.m. Saturday.

The Mobile Lift crew, winners of the North Toronto Tyke Tournament a few weeks ago, have made quite an impression too. They beat Hespeler twice 5-0 and 2-0 and in the second round eliminated Milton 3-1. (They should try to get in the Tri-County league next year). Besides Randy Roy whose feats are recorded above, Marc Hamel and Rick Green each has two goals; John Dzipina, and Mike Allen one each.

The five other Mississauga Major teams were relegated to the Consolation series, but three have rebounded to win their second round games and stave off elimination.

The powerful Clarkson Demag team after losing out to Wexford in the first round, have eliminated Agincourt and now get a well-deserved rest before they face strong Richmond Hill next Saturday at 2:10 p.m.

Applewood lost a close series to Clairlea, then beat Humberlea via the shots-on-goal route. Scott Hartley, Bob Fiddes and Danny Gleason have led the scoring but others participating were Mike Wyde, Jeff Natuck, Jeff Tonkin, Mark Duck and David Wallace.

After losing a heart-breaking series to Oakville, Erindale bounced back to beat Dixie-Burnhamthorpe A & H Aerials 4-1. Steve Cruikshank with four and Rick Hawley have personally accounted for 7 of the Red Line Exterminators' goals. Steve Bangell has a goal and 3 assists. For the A & H boys it was Chris Marshall scoring from Mike Tradletz.

Port Credit St. Lawrence Bees went out in three straight games, losing twice to Goulding Park, then being eliminated by Alderwood. Their goals were scored by Paul Rowland, Jim Josiak and Bob Brewer.

Three teams were entered from the Mississauga Tyke "A" series. Lakeview and Lyndwood went out three straight games, but one team, Cloverleaf pulled one of the biggest surprises of the tournament by eliminating Saltfleet before bowing to a powerful Hamilton club 3-0. Steven Hughes and Hugh Jackson had two goals and an assist each, Mike Angus scored Cloverleaf's other goal. John Pogue scored Lakeview's only goal and Dennis Timma scored Lyndwood's single.

Considering the drawing area of most of the visiting teams the local teams have done very well. Burlington draws an all-star team from the nine-year-olds in 32 novice teams. Hamilton, Brampton, Oakville and most of the others have a similar number or even more boys from which to choose. In contrast, Streetsville has the equivalent of three tyke teams in their 6-team novice house league. Dixie-Burnhamthorpe, Clarkson, Applewood and Erindale have only slightly more to choose from. (Their leagues are divided into Tykes and Minor Atoms both of which are grouped together in the areas that have "Novice" division). On this basis, the showing of Cloverleaf especially and also of Streetsville and Dixie-Burnhamthorpe Mobile Lift would have to be rated outstanding regardless of how far they continue in the tournament.

FIRST ROUND

Winners move into "Championship Round" and Losers move into "Consolation Round". Scores show first game and second game goals for each team. Winner is team with highest total for the two games.

* Declared Winners by having more shots on goal in the last period.

LOST

One winner of a High-Fi Stereo - the door prize at the Lusitania Club's "A Night Portuguese Style". If you know the whereabouts of one George "AIKEN" or is it "ACKERS" or similar name who formerly lived at 375 Lakeshore Blvd., tell him he won the Hi-Fi set he bought a ticket on some time ago. If he reads this, or a friend reads this and knows where the Lusitania Club may contact him, please call Larry Sousa at 826-3032.

LACROSSE CLINICS

The strong response in the tyke, novice and peewee age groups indicates plenty of competition in these divisions of the Streetsville Kinmen Lacrosse League. Bantam registration has been only mediocre and a midget team is doubtful but there may be more registrations. Bantams and Midgets are urged to register soon if you want to be playing for a Streetsville team.

Registrations for all age groups are still being accepted at the Wednesday lacrosse clinics: 7 p.m. for Tykes, Novices and Peewees and 8 p.m. for Bantams and up. Director Bob Jones reports that the supply of lacrosse sticks which the Kinmen hope to have available for the boys to buy has not arrived yet. He expressed some concern over the available supply of sticks and urges each boy to try to locate a stick of his own if at all possible.

SOCCER REGISTRATION

Registration for Streetsville Minor Soccer Club will be held one week from Saturday, April 19 at Trinity Anglican Church. Ben Petersen, Director of local minor soccer expects Streetsville will enter at least five teams in the Halton-Peel Soccer Association this year from "Mosquito" (8-10 year olds) to Juvenile or perhaps Junior.

Boys who played soccer last year pay \$5 and newcomers pay \$10. The registration pays for the complete uniform (including boots) which the boys keep.

Car Top Boat-A Favourite

For perfectly good reasons, the favourite they move about. Do not overload this boat.

For perfectly good reasons, the favourite boat with the early spring fisherman is the light car-top boat, often aluminum. These boats are easy to transport from one favourite fishing water to another, light enough to be easily slung upon top of a car or station wagon, or can be put on the bed of a light trailer and transported without hardly knowing you have a load behind your car. And they are just as easy to get ready for launching. Be sure there are no rivets that have popped, wash the accumulated dust and dirt of the winter out of them and they are ready for the water.

But once you get them in the water, the Ontario Safety League warns that their limitations must be respected. Occupants have to be very careful how

THE CORPORATION OF THE TOWN OF MISSISSAUGA PUBLIC NOTICE

TAKE NOTICE THAT:

1. The Council of the Corporation of the Town of Mississauga intends to construct as a local improvement the works described in Schedule 'A' below and intends to specially assess a part of the cost upon the land abutting directly upon the work.
2. The estimated cost of the work is \$8,500.00 of which \$5,368.00 is to be charged against all the rateable property in the Town of Mississauga Water Area, described below in Schedule 'B'. The estimated cost per foot frontage is \$3.00. The estimated annual rate per foot frontage is 29.42¢. The special assessment is to be paid in twenty (20) equal annual instalments.
3. Application will be made by the Corporation to the Ontario Municipal Board for its approval of the undertaking of the work and any owner may within twenty-one (21) days after the first publication of this notice file with the Clerk his objection to the work being undertaken.
4. The Board may approve of the work being undertaken, but before doing so it may appoint a time and place when any objections to the work will be considered.

DATED AT MISSISSAUGA this 26th day of March, 1969.

G. Lummas,
Clerk,
The Town of Mississauga,
Municipal Offices,
100 Dundas Street West,
Mississauga, Ontario.

SCHEDULE 'A'

- a) 6-inch watermain on Inglewood Drive, from the existing 6-inch watermain to Minaki Road, a distance of 400 feet more or less;
- b) 6-inch watermain on Minaki Road, from Inglewood Drive to the existing 4-inch watermain, a distance of 330 feet more or less.

SCHEDULE 'B'

NOTE: The lands described in Schedule 'A', to By-law 7008 being the lands forming the Town of Mississauga Water Area are set out below:

SCHEDULE 'A' TO BY-LAW 7008

COMMENCING at the point of intersection of the centreline of Steeles Avenue East, being the northwesterly limit of the Town of Mississauga and the Indian Line, being the limit between the Town of Mississauga and the Township of Vaughan;

THENCE southeasterly along the said Indian Line, being along the limit between the Town of Mississauga and the Township of Vaughan and continuing along the limit between the Borough of Etobicoke and the Town of Mississauga, to where the same is intersected by the centreline of Base Line Road East, as defined by Municipal Survey Number 844;

THENCE southwesterly along the said centreline of Base Line Road East and continuing along the limit between the Borough of Etobicoke and the Town of Mississauga to its intersection with the centreline of the Etobicoke Creek;

THENCE in a general southeasterly direction downstream along the said centreline of the Etobicoke Creek in all its windings to where the same is intersected by the water's edge of Lake Ontario;

THENCE in a general southwesterly direction along the water's edge of Lake Ontario in all its windings to the point of intersection of the said water's edge of Lake Ontario with the centreline of the allowance for road between the Town of Mississauga and the Town of Oakville;

THENCE in a northwesterly direction along the said centreline of the road allowance between the Town of Mississauga and the Town of Oakville, being along the southwesterly limit of the said Town of Mississauga across the Concessions 4, 3, 2 and 1, South of Dundas Street, and south half of Concession 1, North of Dundas Street, to the point of intersection with the line between north and south halves of said Concession 1, North of Dundas Street;

THENCE easterly along the line between the north and south halves of Concession 1, North of Dundas Street, through Lots 35, 34, 33 and 32 to the westerly limit of Lot 31;

THENCE northwesterly along the said westerly limit of Lot 31, through the north half of Concession 1, North of Dundas Street and the south half of Concession 2, North of Dundas Street, to the line between the north and south halves of Concession 2, North of Dundas Street;

THENCE easterly along the said line between the north and south halves of Concession 2, North of Dundas Street, through part of Lot 31, to the northerly limit of Range 4, North of Dundas Street;

THENCE continuing easterly through Lots 1, 2, 3 and part of Lot 4, along the northerly limit of Range 4, North of Dundas Street, of the Credit Indian Reserve to the point of its intersection with the centreline of the Credit River in Lot 4, of the said Range;

THENCE northerly following the curves and windings of the Credit River through Lot 4, Range 5, North of Dundas Street, Lot 1 and part of Lot 2, Concession 4, West of Hurontario Street to its intersection with the southerly limit of the Town of Streetsville in Lot 2, Concession 4, West of Hurontario Street;

THENCE northerly along the easterly limit of the Town of Streetsville through Lot 2 to the point of intersection of the said limit with the line between Lots 2 and 3, Concession 4, West of Hurontario Street;

THENCE easterly along the said line between Lots 2 and 3, Concession 4, through part of the west half of Concession 4, also being the limit of the Town of Streetsville, to the point of its intersection with the centreline of Concession 4, West of Hurontario Street;

THENCE northerly along the easterly limit of the Town of Streetsville, through Lot 3, Concession 4, West of Hurontario Street, being also the centreline of the said Concession, to the point of its intersection with the line between Lots 3 and 4, Concession 4, West of Hurontario Street;

THENCE easterly along the line between Lots 3 and 4, through the east half of Concession 4, and the west half of Concession 3, West of Hurontario Street to the point of its intersection with the centreline of the Third Concession, West of Hurontario Street;

THENCE southerly along the said centreline of the Third Concession West of Hurontario Street, through Lots 3 and 2, to the point of its intersection with the line between Lots 1 and 2, in the said Concession;

THENCE easterly along the line between Lots 1 and 2, through the east half of Concession 3, West of Hurontario Street, to the point of its intersection with the westerly limit of the road allowance known as the Second Line West between Concessions 2 and 3, West of Hurontario Street;

THENCE southerly along the westerly limit of the road allowance known as the Second Line West, through Lot 1, Concession 3, West of Hurontario Street, to the point of intersection with the southerly limit of the road allowance between Lot 22, Concession 2, North of Dundas Street and Lot 1, Concession 3, West of Hurontario Street, known as Base Line Road West;

THENCE easterly along the southerly limit of the said road allowance known as Base Line Road West to the point of its intersection with the easterly limit of Lot 22, Concession 2, North of Dundas Street;

Annual Meet

A large attendance was recorded at the Annual Streetsville-Meadowdale Hockey Association meeting on Sunday, March 30. Reports were given of last year's activities by the Committee members. Seated at the table, left to right are: Executive members Joe Vella, Bill Snarr, Al Crawford, Jim Gray, Brian Anderson, John McPherson, Murray Bond, Jim Bryant, Jim Walker and Bill Appleton. Photo by BETTS

Sheridan College News

OPEN HOUSE WHOPPING SUCCESS

Well over 4,000 people attended the immensely successful Open House held at Sheridan College on Sunday, March 30. People came in from the front door and were counted (3,863) and entered the side and back doors in such quantity that the deluge of people reached more than double the total officials had predicted.

College personnel were delighted and overwhelmed by the response from the public - a response that took a startling jump over last year's modest 1,200 attendance.

Students, parents, teachers and interested members of the public flocked to see a school packed with interest and excitement for every taste, in every field.

Visual arts students made their influence felt all over the school. They mounted a silver-foil light-and-music display in the cafeteria that so fascinated spectators that some went through twice. The gymnasium work area was transformed into an art gallery, displaying the work of students in commercial art, photography, graphics and other courses.

THENCE southerly along the said easterly limit of Lot 22 to the point of intersection with a line between the north and south halves of Concession 2, North of Dundas Street;

THENCE easterly along a line between the north and south halves of Concession 2, North of Dundas Street, and through Lots 21, 20, 19, 18, 17, 16, 15, 14, 13 and 12, to the west limit of Lot 11 in the said Concession;

THENCE northerly along the west limit of the said Lot 11, to the point of its intersection with the northerly limit of the Base Line Road East;

THENCE easterly along the said northerly limit of the Base Line Road East to the point of its intersection with the easterly limit of the H.E.P.C. right-of-way in Lot 1, Concession 2, East of Hurontario Street;

THENCE northerly along the easterly limit of the H.E.P.C. right-of-way, through Lots 1, 2, 3, 4, 5 and 6, Concession 2, East of Hurontario Street to its intersection with the line between Lots 6 and 7, Concession 2, East of Hurontario Street;

THENCE easterly along the line between Lots 6 and 7, through the east half of Concession 2, and the west half of Concession 3, East of Hurontario Street, to the point of its intersection with the centreline of the Third Concession, East of Hurontario Street;

THENCE northerly along the said centreline of the Third Concession, East of Hurontario Street and through Lots 7, 8, 9, 10, 11, 12 and 13 to the point of intersection of the said centreline and the lot line between Lots 13 and 14 in the said Concession;

THENCE westerly along the said lot line between Lots 13 and 14 in the Third, Second and First Concession, East of Hurontario Street and Concession 1, West of Hurontario Street, to the point of intersection of the said lot line with the centreline of Concession 1, West of Hurontario Street;

THENCE northerly along the said centreline of Concession 1, West of Hurontario Street, through Lots 14 and 15, to the centreline of Steeles Avenue West;

THENCE northeasterly along the said centreline of Steeles Avenue West and continuing along the centreline of Steeles Avenue East, being along the northwesterly limit of the Town of Mississauga to where the same is intersected by the Indian Line, being the limit between the Town of Mississauga and the Township of Vaughan, also being the point of commencement.

EXCEPTING thereout and therefrom all those parts of Lots 4 and 5, Concession 3, South of Dundas Street, annexed by the Corporation of the Village of Long Branch (now the Borough of Etobicoke) and FURTHER EXCEPTING thereout and therefrom the Town of Port Credit.

Lakeview construction official is posted to Bruce Nuclear project

The former general superintendent for construction at Lakeview G.S. project, Peter James Kall, 42, has been appointed to the position of General Superintendent for Bruce Nuclear Power Station, Douglas Point on Lake Huron.

This 3-million kilowatt nuclear development, adjacent to the Douglas Point Power Plant, is scheduled for service in 1976. Construction will get under way this year.

Mr. Kall has recently been acting as Liaison Engineer between Atomic Energy Commission Limited and Ontario Hydro construction forces.

A resident of Mississauga, Mr. Kall and his wife reside at 3180 Flynn Crescent with their three children.

Prior to his appointment as General Construction Superintendent at Lakeview G.S., near Port Credit, Mr. Kall, who joined Ontario Hydro staff in 1957, had been an assistant project engineer thermal generation department. Later he was transferred to Thunder Bay G.S. as mechanical superintendent.

Mr. Kall received his early education at Cliffville school in England. He got his professional engineering training at Battersea Polytechnic College in London, England. He is also a graduate of the Institute of Mechanical Engineering. Mr. Kall emigrated to Canada in 1957 to join Ontario Hydro. He has been with the commission in a number of engineering positions since that time.

DINNER & DANCE

A Dinner and Dance will be held on Friday, April 25 at the Constellation Hotel in aid of St. Peter's Diocesan and World Outreach programme.

Frank Bogart and his orchestra will supply the music and tickets at \$20.00 per couple are available at 822-0428 or 822-0381.

Contract Awarded

Award of a contract for overhead sign supports and sign lighting at the Queen Elizabeth Way - Highway 27 Interchange and the Macdonald-Cartier Freeway (Highway 401)-Highway 27 Interchange is announced by the Honourable George E. Gomme, Minister of Highways.

The contract is for the supplying and erecting of 15 overhead sign supports and the installation of sign lighting and work will get under way on this project as new interchange ramps are completed. Completion date for the erection of the 15 overhead sign supports is December 15, 1969.

The successful contractor is Pole-Lite Limited of LaPrairie, Quebec, with a bid of \$84,732.

Mainly about

PEOPLE

by IRENE GABON

TOMORROW'S HEADLINES:

Will they be any different?

If you're an avid news-reader, and if you are tired of the same news, presented in the same way, every day, then this column is for you. This week "Mainly About People" takes you into the future with "Tomorrow's Headlines".

Canada withdraws troops from NATO

OTTAWA - Canada has scored a first ahead of its American neighbours. It was announced today. After years of deliberation, Prime Minister Judy LaMarsh announced that the troops stationed in Germany would soon be on their way back to Canada. It was felt that the troops would be of much more service in Montreal and parts of Newfoundland. The United States is expected to follow this plan by dispersing their forces in Washington, Dallas, California and

Super-duper government planned

It's been five years since the Province of Ontario outlined its plans to annex Peel and Halton Counties, to form a Regional Government. The proposal was brought before the Legislative Assembly in 1970 and was made law late that year. Newly elected officials were having such a tough time looking after the distribution of functions such as general administration, health and welfare, planning, parks and sewers, that it was decided to scrap the entire idea and to start all over again. Last week Mr. D. R. C. McWhorter, Minister of Municipal Affairs, announced a "tentative proposal" to unite, Peel-Halton, York, Simcoe, Ottawa-Carleton, Wellington, etc. counties. In short, all these counties would make up a super-duper regional government, to be called a Province. More meetings are scheduled to take place between the 965 municipal officials and Mr. McWhorter's department in the next three weeks. Mr. McWhorter did mention that if this idea doesn't work out, the next step would be the whole country - to be called a "Dominion" government. "If we're going to do it, we're going to do it up R E A L L Y BIG!" he said.

Put it to the People

It is quite apparent to those who read beyond the headlines that the decision regarding the unification of Peel and Halton Counties, is the toughest that any elected municipal official has ever had to make.

Expressway halted because of strike

Over 2,000 construction men working on the Queenway Extension are still on strike after 3 years. The strike has caused many hard feelings in Portokaugavilleans since they are still without a decent transportation system.

MISSISSAUGA TEACH-IN

"The people of North Vietnam are not particularly concerned about political ideologies. They just believe that they have a successful country and are firmly resolved to maintain it."

This comment was made by Mrs. K. MacPherson, president of Voice of Women, who spoke at the April 1 Teach-In on Vietnam - sponsored by Peel South New Democrats.

Mrs. MacPherson had visited North Vietnam last summer at the invitation of the Women's Committee of the National Liberation Front, and came away with a very strong impression about "the spectacular amount of social progress" which has been achieved since 1946 - when the Vietnamese were entering the initial stages of their struggle against French colonial domination.

Developments in the area of food production was another example of achievement, according to Mrs. MacPherson. The significance of this was only appreciated by her when she visited North Vietnam and realized that the terrain was mainly mountainous. Prior to 1946, the Mekong Delta in South Vietnam was the main breadbasket of that part of Asia, but since that time, North Vietnam, of necessity, has developed a variety of crops as well as a five-fold increase in rice production.

Responding to questions from the floor, Mrs. MacPherson remarked that the effect of the bombings, aside from the destruction of community facilities and even entire villages in addition to military targets, was to strengthen the resolve of the people to continue their resistance of foreign intervention.

In fact she thought the bombings had probably helped to bring together various social and political factions in a way

Silver Wedding Couple Guests Of Honour

On Saturday, April 5, a 25th Wedding Anniversary surprise party was held for Mr. and

New P. Eng.'s

A total of 307 new members were registered recently by the Council of the Association of Professional Engineers of Ontario. The new members now are accorded the right to use the initials "P. Eng." after their name in any engineering work they undertake.

The 27,000 member APEO serves as the licensing body for the engineering profession in Ontario, and also seeks to inform the general public regarding the role played by the professional engineer in Canada's development.

New members from local areas include: MISSISSAUGA - David Stuart Chetwynd, 2206 Rambo Road; David Bruce Hall 3479 Joan Drive; Wallis Henel Khella, 2343 Hurontario St.; Malcolm Lazenby, 3308 Credit Woodlands; David Morris Ryan, 881 Calder Drive.

CLARKSON - William Martin Dolan, 677 Meadow Road; Kung-Jang Wang, 2136 Davebrook Road; Frederic Denton Williams, 2451 Hammond Road.

BRAMALEA - Ronald S. Hamilton, 507 Balmoral Drive; Clifford Edward Symes, 33 Banbury Court, John Ernest Smyth, 8 Ellendale Cres.

BRAMPTON - Thomas Havas, 31 Wilton Drive; Floyd Ernest Misner, 11 Pine Tree Cres.

PORT CREDIT - Gordon Frank Honsberger, 1391 Elaine Trail.

Mrs. Charlie Perry of Acton.

The event was attended by their square dance friends from many areas, and family and close friends of the Perrys. The family consisting of Don, Anne, Mary-Lou and Lynda were the hosts. Dancing M.C.'d by Don Sherlock of Streetsville Strutters was enjoyed and a mock wedding

(in square dance form) was a hilarious event, with the ladies portraying "male" members of the wedding party - and the men playing the "female" roles. Ken Rawn of Oshawa was "best man".

Elaine Hannon of Badgers, and Mr. and Mrs. Davis of Severn Bridge were present, also Charlie Perry's father from Collingwood, Oth-

er relatives arrived from Barrie, Brighton, Orillia, Oshawa and Acron.

Square dance clubs represented were the Streetsville Strutters, Swingin' Squares of Port Credit, Circle 'B's of Bramalea, Royal City Squares and Merri-Elites of Guelph, Lakeshore Squares from Burlington, Winona Buds & Blossoms, Cir-

cle 'M's and Happy Hoedowners from Hamilton.

The square dancers presented the anniversary couple with a silver chest lined in blue velvet and containing 100 silver dollars - they received a money tree, and many silver dollars packaged in various ways.

A buffet style banquet ended the festivities.

INJURY ACCIDENT #10 HIGHWAY

At 7.00 a.m. April 4 Dieter Kunt, age 29 was southbound on Highway #10 north of Derry Road. His vehicle went out of control, left the road, knocked down several signs, went through a fence and came to rest against the Derry West Farms Fruit Market building. Kunt received head injuries and facial lacerations and was admitted to South Peel Hospital in serious condition. Damage was estimated by Prov. Con. Reg. Jackson of OPP Port Credit to be over \$800.00 to the Kunt vehicle and \$100.00 to other property.

SPORTS

CONTINUED.....

INTERNATIONAL HOCKEY

The Streetsville "Hot-Shots" and the Lakeview Army-Navy Air Force team were tied at two games apiece following last week's action. Games are scheduled for Thursday at 9 p.m. and if necessary Sunday at 8 p.m. to wind up the best of 7 series.

This league's playoffs have been providing some very interesting hockey for Streetsville fans. If you dislike the blood and brawling of some of the hockey you may have seen on TV or elsewhere, you could appreciate the International rules that this Halton-Peel league uses.

Last week's games were almost a repeat performance of the previous week's games. ANAF won the close one, then when the Hot-Shots won, they won it big again.

ANAF withstood the pressure of the last five minutes that hardly saw the puck out of their end and held on to win 4-2. The Newfoundlanders had help from Nova Scotia as Angus and Bill Gregory added to scores by Kevin Galway and Bill MacDonald. Jon Clipperton and George Workmen countered for the Hot Shots.

Streetsville came back Thursday to double the score on ANAF and win 6-3. Jon Clipperton and Russ Hartley scored twice each, George Workman once and the other was a breakaway goal by Bob White that stunned the ANAF team when they were pressing with a two-man advantage.

STREETSVILLE LEGION BANTAM HOCKEY TEAM

HOLD "CHAMPS" TROPHY

On Saturday, March 29 at the Streetsville Arena the Canadian Legion Bantams of the Streetsville - Meadowvale Hockey Association played a game against the "Southern Stoppers" - a team of black-faced players. These gentlemen from the Oakville area are to be congratulated for their sports-

manhood in giving of their time to help other hockey teams raise money. The "Southern Stoppers" team is privately sponsored and pay for the ice time which means any monies raised are totally for the fund-raising project.

The Legion boys played like pros and gave the

"Stoppers" a good game of hockey. The "Stoppers" line-up ranged from a very young player of about two years of age who appeared at the beginning of the game, three lads of 12 or 13 years of age, who took regular turns on a line, plus 7 or 8 men and 2 very pretty young ladies. It was like watching a minstrel show on ice.

The "Stoppers" uniforms were yellow and black and instead of hockey helmets they wore derbies on their heads.

At one point near the end of the game there were at least 20 players on the ice and several ducks. Referee Bob Isles and linesman Johnny Ganton decided finally, if you can't beat 'em, join 'em, which they did. Everyone who wore skates played

hockey and everyone had fun.

The Legion Lads won the Southern Stoppers World Champs beautiful 4 foot trophy.

The line-up for the Legion team was: Robbie Reid, captain; Ron Osborne, assistant; Wade Potts, assistant; Phil Burnford, goalie; Bruce Sparling, defence; Kim Flowers, centre; Bill Merkley, left wing; Jim Fisher, wing; Ed Pimentel, defence; Doug Perrin, wing and Pete Garden, wing. The Stoppers line-up: Blue Moon; Moon; Half Moon; Amos; Andy; Full Moon; Quarter Moon; Mama and Black Sambo.

The final score was 10-8.

NEW CO-OP PROGRAMME AT HUMBER

Nine major retailers in Canada have joined forces with Humber College of Applied Arts and Technology to offer a merchandising management program which will commence on June 23.

The retailers who will sponsor students in the co-operative "work and study" program are: Allied Towers, Eaton's, Kresge's, Sayvette, Simpsons, Simpsons-Sears, Woolworths, Walkers and Zeller's.

Speakers Available

Almost 3,000 adults and children were the recipients of illustrated talks on the formation and work of the Credit Valley Conservation Authority during the year. Many of the primary school children enjoyed a day touring the Hillsburgh Conservation Farm or the Terra Cotta Nature Trail with the slide talk either at the Conservation Area

or in their schools. Talks were provided for Women's Institutes, Naturalist Groups, Boy Scouts and the JC's. The authority conducted a bus tour of the Watershed for 40 Councilors and residents of Streetsville. Illustrated talks are available to any group by calling the Credit Valley Conservation Authority Office - 451-1615.

"The program will be taught in a manner similar to that introduced at Humber last year" said A. John Almond, chairman of the college's Business Division. "We successfully launched programs in co-operation with the wholesaling industry and the retail supermarket industry. This year, a third program, in co-operation with ten life insurance companies has already been announced for start-up on October 6. Each retailer participating in the program has undertaken to send from two to eight students to the college; all will be employees of the retailer, recruited from secondary schools or their own ranks. The students

will attend alternating college semesters of four months and on-the-job work sessions of four months. There is a total of four college semesters and three work sessions in the program.

In the academic program at Humber special emphasis is being placed on such subjects as salesmanship, merchandising, buying and advertising.

Eligible for the program are those with a Grade 12 secondary school diploma or "mature students" (19 years of age or over with at least one year's work experience). Tuition fee is \$75.00 per semester.

Applications may be made either by existing store employees, through their employers or by other young people

interested in a retailing career, through Humber College, whose counselling department will direct suitable applicants to a potential employer among the participating groups.

122nd YEAR, NO. 35

STREETSVILLE'S ONLY LOCALLY-OWNED WEEKLY - 93 Queen St. S.

WEDNESDAY, APRIL 16, 1969

The Grand Championship Trophy was won by Cal's Body Shop of Penetangulshene, donated by the Streetsville Tyke Tournament Executive, is presented to team captain Grant Quesnelle. Photo by AL BETTS

7,500 attend tournament

A team that travelled one of the farthest distances of all 36 teams in Streetsville's Second Annual Tyke Hockey Tournament, proved to be the class of the tournament. The Penetang tyke team led by Brian Pilon - and mark that name, you will be hearing it again in years to come - won the Championship Series and the Grand Championship Trophy on Monday night.

A large crowd was on hand to see them beat out Dixie-Burnhamthorpe 1 - 0 and Richmond Hill 3 - 1 to carry off the silverware. Their alternate captain Pilon also did all right for himself. He won the Most Valuable Player trophy; also the trophy for scoring the winning goal in the grand championship game as well as emerging scoring leader of the tournament. Brian scored twelve goals and six assists in the seven games his team played in the tournament and well deserved the recognition. He was by no means a one-man team, however, and he had solid supporting cast of fourteen other players.

Congratulations

Congratulations to the Hot Shot hockey team that was thrown together just to fill a vacancy in the Halton-Peel International League but which jelled to beat out some pretty fair teams and put on some good exhibitions of clean sportmanlike hockey en route.

Team members include - Goalie Rick Houle, Defencemen George Workman, Doug Hartley, Russ Hartley and Dave Foster; Forwards Jon Clipperton, Ken Bond, Bob White, Joe Hore, Warren Wilkey, John Brenanda, Tom Thompson, Roy Brown, Louie Bloom, John Ganton, Scott MacKenzie and Doug Stringer, and Coach Bob Hies.

To investigate sites for Srs. Housing

The Ontario Housing Corporation has informed Council of its next step in the procedure for implementing Council's request for Senior Citizens' Housing.

The O.H.C. will send a property agent to visit Streetsville to investigate possible sites.

Council has requested the Clerk to provide a list of properties which may be suitable and available and to submit it to Council for possible re-zoning as required.

The total attendance for the Tyke Tournament was nearly 7,500.

Trophy winners

Grand Championship Team Trophy - won by Penetang - donated by Streetsville Tyke Tournament Executive.
Championship Team Trophy - Penetang (Streetsville Police Department)
Consolation Team Trophy - Markham (Streetsville Lions Club).
Most Valuable Player Trophy - Brian Pilon of Penetang (Hore Bros. Arena Sports).
Most Sportsmanlike Player Trophy - Ron MacDonald, Markham (SMHA).
Most Valuable Defenceman Trophy - Geoff Burns, Hamilton (Streetsville Chamber of Commerce).
Most Valuable Goalender Trophy - Ken Hill, Markham (Mississauga Police Athletic Association).
1969 Coach's Award Trophy - Mike Heaphy, Dixie-Burnhamthorpe Mobile Lift (Allan's Athletics).
Scorer of Winning Goal in Grand Championship Game Trophy - Brian Pilon, Penetang (Grant Williams).

Cancer can be beaten

COUNCIL BRIEFS

Council has received Herb Metcalfe's resignation as chairman of the Committee of Adjustment.
The new member appointed by Council to the Committee is L. C. Randleh.

Deputy Reeve Arch has been appointed by Council to represent the Mayor on the Library Committee for 1969.

Council has declared May 11 to 17 as Canadian Retarded Children's Week in the Town of Streetsville.

Festival winner

Janet Lewis, Suburban Drive, competed Tuesday morning in the vocal category at the Peel Music Festival at Huron Park.
Janet, who is 10 years old, placed first in her category achieving a gold medal.

COUNCIL GIVES BOOST TO R.C.S.C. HAIDA

A special meeting of the R.C.S.C. Haida "Youth Centre" Building Committee held last Wednesday night, April 9, was extremely well attended and fruitful.

In recapitulating recent events Chairman, W. E. Phelman, pointed out that a report to the effect "the project has run into obstacles in the form of Streetsville Council" was completely erroneous and misleading. This report was published in the Post Credit newspaper.

Mr. Phelman said that Council has been the Committee's biggest supporter and has done more for the building committee to date than any other individual or group.

The Chairman reported the Building Committee will propose a more realistic approach to building size, uses and the spread of fund-raising activities over the three year period.

Detailed analytical studies are being undertaken by various members of the Committee in preparation for specific proposals to be presented at a full meeting of the Committee, Sunday, April 20 at 2 p.m.

Chairman Bill Phelan stated that the obvious support and enthusiasm emanating from the meeting, as well as congratulatory remarks from a number of those attending gave every indication that the overall campaign was now well and truly launched. Monday night Town Council, in written form, indicated to the R.C.S.C. Haida group by resolution

its intention to negotiate with them for a parcel of land on the easterly corner of Church and Ontario Streets (beside the Legion).

The lands "might be made available to the Navy League of Canada, whether by lease or otherwise, for use by that organization for purposes to be approved by Council as being of special benefit

to the Town and its inhabitants and upon terms and conditions to be negotiated and approved by Council."

Russ Wallis who attended the meeting for the Navy League, Building Committee, told Council the proposed building will be approximately 100 ft. by 60 ft. with sufficient parking space.

200,000 People Around Streetsville

Plans - scheduled for an April 25 unveiling by Markborough Properties Ltd. and Erin Mills have been released ahead of schedule. The project concerns 8,800 acres of farmland surrounding Streetsville.

When completed - in about 15 years - the area is expected to contain 200,000 people.

The 1 1/4 billion dollar project is headed by Brian R. B. Magee, president of Markborough Properties which owns 2,300 of the acres to be developed, and A. E. Diamond,

president of Canadian Equity and Development Co. owners of 6,500 acres. Canadian Equity was controlled by H. P. Taylor before being sold last year to Cadillac Development. Mr. Diamond is also president of Cadillac.

The two companies, while not related, will develop in conjunction with each other. Mr. Diamond has indicated a start this year on the mammoth development. The Markborough properties are in a V-shape surrounding Streetsville and extend-

ing out to Highway 401 and Mississauga Road.

Canadian Equity's holdings run north from Highway 5 to Streetsville, and from Mississauga (Streetsville) Road westerly to 2 miles inside the Oakville boundary.

The O.W.R.C.'s \$88 million sewer and water project has made possible an early start on this huge project which will, extensively, change the face of things - and the way of life, particularly in the Streetsville-Meadowdale areas.

11th Annual Minstrel Show Friday, April 18

On Thursday evening April 10, at Trinity Hall the Streetsville Lions held their regular meeting with Mayor John Graham as guest speaker. Mayor Graham, who was appropriately introduced by Lion Bill Tolton, spoke on the report of Minister of Municipal Affairs, Darcy McKeough, regarding Regional Government. This report emphasizes

the combining of the two county's of Peel and Halton into one Regional Municipality while having sub-regions. A man showing this in effect was distributed among the members. Mayor Graham, after giving his speech, answered questions from the Lions about the proposed change in structure of the Municipality. He was then thanked by Lion Jon Clipperton and presented

with a gift in appreciation.

During the business section of the meeting, Lion Tom Fulcher, chairman of the Minstrel Show committee, mentioned the following date to the members: THURSDAY, April 17 - 7 p.m. DRESS REHEARSAL with the Senior Citizens of Streetsville attending. Then the big night of the show at the Streetsville SECONDARY SCHOOL Auditorium -

Opening Night, Friday, APRIL 18 commencing at 8:15 sharp. On Saturday, APRIL 19 and then the following Friday and Saturday, APRIL 25 and 26. Tickets at \$1.00 each can be purchased from any Streetsville Lion member. There will be lots of songs by the chorus and skits by the end-men as - See You at the 11th Annual Streetsville Lions MINSTREL SHOW.

Council undecided on regionalism

As of Monday night, Streetsville Council has not been able to make up its mind on Darcy McKeough's regional proposal.

They don't know whether they want one County Regional government, or Peel-Halton regional government with a two-tier system.

"Not enough facts and information," Reeve McCallion says.

"Look at what's happening to the School Board after amalgamation - the problems they're having" say others.

The amalgamated Peel County School Board will raise the taxes, but everyone no matter where he lives has a right to be educated equally, says Councillor Thomas.

"We must decide first what is best for Streetsville", they say.

On the other hand the Mayor says "Let's stop acting like a one-horse Council. It's time we looked at the whole region. If we look inward we are not going to do anything. Streetsville is only a small part of the

region in question. It will cost more money but it will be more satisfying."

The Mayor insists we have data on regional government - the Plunkett report which he feels is "fertil by far the best report."

"It recognizes the reality of the situation and the problems and gives facts and figures to back its

proposal," the Mayor said.

"But," Reeve McCallion reminds the Mayor "The Plunkett report proposes an east-west regional system, and Darcy McKeough's proposal is north-south. How then can we use the same data?"

There is only one who knows what he wants - Earl MacLean. The Councillor wants a Peel County

regional system. He feels the project has been "researched to death."

Although other members of Council had indicated they preferred a one-county system, when it came down to backing MacLean's motion in this respect, no one was willing to commit himself/herself. "Not enough information."

Core area parking objections heard

A special meeting of General Committee No. 1 was held in lieu of the regular Council meeting. This meeting was held to hear the objections to the proposed method of taxation to be levied for the purpose of obtaining the money necessary to pay for the Core Area Parking, Phase I.

Present were Mayor J. J. Graham, Councillors N. E. Thomas, R. M. Weyl, J. S. Graham, Parking Committee members Gordon Bentley, Arno Boshke and Ken Little; Denunciations - Dr. J. K. Dodds, Pinechurch Realty and Mr. Wes. Durie.

Dr. J. K. Dodds stated that he was fully in favour of Core Parking and felt that it would be a definite asset to the entire Town. He realized that the money to finance the project must be obtained through a special tax levy on all ratepayers. However, he felt that his property on Church Street should not be included in the high-rate assessment as he was already providing adequate private parking spaces on his property and that the proposed parking area to be subsidized was not in any way related or adjacent to his property.

When asked whether or not he agreed with two separate tax assessment areas he stated that this appeared to be the most satisfactory method. He further stated that to tax all ratepayers on an equal basis might be an alternative to consider as all residents would benefit either directly or indirectly from the additional parking areas in the Town Core.

Wes Durie stated that he too realized that off-street parking in the Central Core Area was a firm requirement and that he was happy to see the progress being made by the Council and the Special Committee.

Mr. Durie further stated that he was in attendance to protect his own interests and that he was objecting to being included in the high-rate area because of the fact that his assessment on his property was what he considered extremely high and to be required to pay an extra 1 mill on his property would be out of proportion to the amount paid by other business properties in the immediate area of the proposed parking area. Mr. Durie is at present providing adequate parking space in the rear of his properties at 294 Queen Street for his requirements and to accomplish this he was required to pay for obtaining a right-of-way to this parking area. He is now in the process of obtaining a right-of-way to provide access to the rear of his property at 205 Queen Street which will provide parking for four vehicles.

Mr. Durie suggested that a Parking authority be set up which would bring in a return and help defray costs. He is not in favour of a two or three zone assessment method and feels that all ratepayers should be assessed equally.

Mr. Gordon Bentley spoke briefly on behalf of the Parking Committee. He stated that parking is already available in the rear of the lots on the west side of Queen Street between Thomas and Pearl Streets but that most people were reluctant to use the facilities as it is rough, dirty, has poor and unadvertised access, and is unlit at night. The intentions of the Committee are to provide adequate and properly controlled off-street parking for shoppers and to help eliminate some of the traffic problems now being encountered on Queen Street. He further stated that no objections re-

the extra tax assessment had been received from the I.G.A. Stores who already provide ample parking for their own requirements.

Mr. Durie then suggested that the per suite levy on apartments might be applied against the project.

The Chairman advised Mr. Durie and Dr. Dodds that they had each presented their case very clearly and concisely and that the report would be submitted to Council for consideration. Mr. Durie and Dr. Dodds are to be advised when Council will be considering the subject.

Board vetoes two more apt. buildings

The Planning Board has rejected two applications for apartment buildings - one on Church and Wyndham Streets and one on Main Street - because of an engineering report stating that the Town sewage plant is operating at capacity.

Two subdivisions on Thomas Street have been approved by the Board and according to the engineering report the Town's sewage plant will not be able to handle any additional development.

Council as a whole will consider the engineering report and in all probability request the O.W.R.C. to alleviate this problem since it is the O.W.R.C. responsibility.

"The squeaking wheel gets the grease" Reeve McCallion stated in speaking of the need to request the O.W.R.C. to enlarge the sewage plant.

OLDE TYME DRIVING

Here's how the Ontario
 Motor League briefly
 describes motoring in
 1909:
 Sixty years ago, there
 weren't too many traffic
 jams; the roads were
 clear and unmarked and
 driving was a real ad-
 venture.
 The 1909 suburbanite
 raced to and from the
 city at a 25 mile per
 hour clip and, if the
 engine kept going, the
 axles held together and
 the tires stayed inflated,
 it was a most enjoyable
 way of going to work.
 The big Reo touring
 car sold for \$1,000 and
 the Palmer and Singer
 Car Company was sell-
 ing their "Six-Sixty"
 which would do just that
 (go like sixty) for
 \$3,000. There were
 other makes, such as
 the Energetic, the Coy-
 ote and the Apple. None
 of them had safety fea-
 tures, taken for granted
 today such as bumpers,
 air brakes, seat belts,
 safety glass and an all
 steel body. A few had
 windshields, while oth-
 ers were adorned with
 front radiators and can-
 opy tops.

No Definite Decision-But

Peel County Council Members Seemed To Opt For 1 County Region

Peel County Council members on Tuesday discussed Regional Gov-

Mississauga
Mgr. Speaker

Regional Government, as it is being set up by the provincial government, is "only an interim stopgap" in the march to one-tier regional government, a speaker told a municipal government class at Sheridan College last week.

And the one-tier system would give much greater efficiency, a better system at less cost, said Dean Henderson, town manager of Mississauga, when he addressed almost 100 attending the evening course.

Mr. Henderson stressed the opinion was his "own private opinion" and did not reflect his official position.

He added that changes should be made in the municipal Act to make it clear that the municipalities ARE allowed to act under the council-manager system, which leaves councils free to do the job they were elected to do - policy making - and places the administrative burden where it belongs - on paid officials.

Dean Henderson, and Roger Brown, Commissioner of Works for Scarborough, were speakers Wednesday April 9 at the six-week course which runs until April 30.

Next speakers are Richard Baxter of the Etobicoke Assessment Department and J. C. Jaggard, Hamilton's Commissioner of Finance.

Mr. Baxter was born and educated in Toronto and joined the Town of New Toronto in 1933. In 1934 he became area supervisor for assessment in Mimico, New Toronto and Long Branch, and in 1935 supervisor for Etobicoke and the other three municipalities that form the present borough.

Mr. Baxter is past chairman of the association of assessing officers of Ontario, and a member of the Institute of Municipal Assessors.

Jack C. Jaggard, A.P.A., was born and educated in Hamilton, where he has been treasurer and commissioner of finance for the city from 1963 to the present. He is a member of the Institute of Accredited Public Accountants and past Ontario and Dominion president; a member and provincial chairman of Municipal Finance Officer of the U.S. and Canada; and a member of the council of the Institute of Public Administration in Canada.

Topics are municipal assessment as the base for real property tax, and municipal finance. Individuals not registered in the course may attend single lectures.

R. Picherack of the Ont. Dept. of Municipal Affairs in attendance.

The majority of County Council members appeared to favour a form of regional government based entirely within the boundaries of the County of Peel -- not including Halton County.

Mayor Bill Brydon of Brampton recommended, as a first step, the early amalgamation of adjacent and compatible communities. Mr. Brydon indicated a merger of Brampton, Chingacousy and Toronto - Gore would be a desirable first step as far as his municipality is concerned.

Mississauga Reeve C. M. Murray, in view of the recent school cost increases since the larger Boards of Education were formed, questioned the cost factor involved in the much larger units of municipal government. Mr. Picherack of the

Dept. of Municipal Affairs said it was desirable to have one regional government between Toronto and Hamilton, to which Brampton's Mayor Brydon commented "desirable for whom?"

Mr. Pearson of D.M.A. said that with the scale of future develop-

ments in the area warrants a Peel-Halton base.

Mississauga Reeve C. Murray commented "I

believe it should be two regions -- not one ... Mr. Murray said "Peel is so far ahead of Halton in development and

servicing that it will cost the taxpayers of Peel plenty to tie in with Halton

Students See Re - development

Twenty-four young people in the community planning program at Sheridan College took a close look at the cities of New York and Philadelphia as part of their course. They went to Scranton, Pennsylvania too.

Redevelopment plans in the two cities came under the close scrutiny of the 22 young men and two girls who joined faculty members Norm Sibbick and Brad Frid on a five-day tour from April 8 - 12.

They particularly wanted to study re-

habilitation areas in Philadelphia, where the houses up to 250 years old have been rebuilt and made habitable instead of being torn down to make way for new buildings.

Some of New York's touted redevelopment schemes were to be closely studied, too. Tours of city planning offices in these two places, plus in Scranton were to round out the educational picture.

Mr. Sibbick, who was in charge of the field trip, said the college had subsidized the trip to

some extent, but that students were paying most of their own way. Estimated cost of the trip (by bus) was \$65 to \$70 per student. Students in both first and second year made the trip.

Community Planning students were to write impressions of each place and its community planning achievements and problems when they returned.

Your RED CROSS serves many

Shopping Via T.V. In Year 2,000

by Daria Danko, Humber College News Service

The one word to remember in the area of communications of the

future is telephone. Not our present, rather simple instruments, but variations of these which, while retaining their simplicity of operation, will perform

tasks as complex and demanding as those done by computers.

The Picturephone, a television - type telephone which allows the callers to see each other

is at present in the experimental stage. By the year 2000 it should be in common use.

But this will be more than a small viewing screen attached to a telephone. A housewife will be able to phone the local supermarket and see what is on sale for the day; a weekend skier will be able to phone his favourite resort and view the snow conditions, and sales managers will be able to introduce new products to their employees "in person", without calling them back to the home office.

The most impressive device, though, will be the Touch-Tone telephone.

This device will operate in conjunction with a computer, making available instant information on practically any subject. A shopper will be able to order and pay for an article by merely "phoning" his bank, automatically entering the sale on his record and deducting the money from his account.

A professional man's time consuming book-keeping, accounting, and billing functions will be transferred to a large central computer, making available to him the same systems and procedures as his larger competitors have.

Libraries and schools will be merely numbers, by which a person can dial himself into a large information centre. The transfer of information will be carried out at the student's own rate of ability and interest.

While these may be the most exciting and spectacular operations of the Touch-Tone telephone, there will also be less-publicized duties these instruments will perform. These will be the ones affecting the average person the most.

Opening doors, operating household appliances, and driving the family car will all be done through the central computer into which the telephone will be connected. Driver's licence, social insurance, and credit cards, and any forms of identification will disappear through the introduction of the "telephone bracelet", a person communication system employed by everyone.

Most communications by the year 2000 will operate by means of large, central computer centres, with individual having instant contact with them through their own personal signalling devices. "Direct Dialing", the latest big advance in the field of communications, will seem as modern as the hand crank and wall telephone seem to us.

It will be an exciting field, one which Alexander Graham Bell would be startled to realize what came from his small telephone device of so many years ago.

Bike Signals Needed

A bicycle is a vehicle under the Ontario Highway Traffic Act and its rider must obey all the rules of the road which concern vehicles.

One thing a cyclist is required to do is to signal his intention to stop or to turn to the left or right. Correct signals should be given well in advance and in such a way as to be plainly visible to other drivers.

These are the correct stop and turn signals.

To make a left turn in light traffic, check traffic behind you. If all is clear, signal left turn and pull over close to the centre line. Check traffic ahead and on both sides. If all is clear, make your turn.

To make a left turn in heavy traffic, at busy intersections, stop at the curb, get off your bike and walk it straight across on the right-hand side. When traffic is clear, push your bike across the other road. At stop lights, walk your bike across only on the green light.

Letter To The Editor

Dear Editor:

We the coach, assistant coach and manager of Wexford Cloke Construction S.H.A. Tykes would like to have you protest for us a game played in the Streetsville Tyke Tournament on Sunday, April 6, 1969.

As this is a sanctioned M.T.H.L., O.M.H.A. and C.A.H.A. tournament and we feel we were unjustly done by, in this tournament.

The following is a list of accounts leading up to and the unjust incidents which took place:

After winning our elimination games on Friday and Saturday we played Streetsville Hore Bros. Arena Sports Tykes, on Sunday, at the end of regulation time the score was tied 1 to 1, they announced the game was over and won by STREETSVILLE by shots on goal in the last period 3 to 2. They had dressed, on the bench and game sheet one Five Year Old boy named JIMMY FLACK and one or two other boys not on their regular club, their names we believe are TOMMY BURKE and PAUL GRAY.

The following are from their rules and regulations

1. A tyke player is a boy born during 1959.
2. This tournament shall be played under C.A.H.A. rules.
3. Any team or player that has played in the "A" series M.T.H.L. or triple "A" O.M.H.A. team after Jan. 1/69 will not be eligible.
4. Tie games in the elimination series will be decided on the basis of shots on goal during the second period.

Tie games in the CHAMPIONSHIP series will be decided by a third TEN MINUTE OVERTIME PERIOD. Team scoring the first goal wins, in the event of no goal being scored, shots on goal during the overtime period will determine the winner.

C.A.H.A. Minor Hockey Tournament Regulations:

3. A team, whose entry has been accepted into a sanctioned tournament, shall be permitted to use only those players which have been registered for play with that club during the regular season according to the rules of the Branch in which it has been playing.

C.A.H.A. OFFICIAL RULE 44 (B)

The official scorer shall request that all affiliated players, dressed for the game, be designated on the Official Game Report of each team by the use of the symbols "AP" after their name. (In a manner similar to that used to designate the captain and alternate captains). Such a player shall be one not signed to a regular card of the club with which he is playing.

M.T.H.L. REGULATION

1. (c) (i) Each team shall be entitled to register nineteen (19) players, and "A" category team must have a total of fifteen (15) players signed by January 15th to be eligible to compete in M.T.H.L., O.H.A. or tournament playdowns. (Such player must be in the age category of the series in which the team is entered, with the exception that players may be signed from the two immediately preceding age categories.)

(ii) A maximum of 19 certificates or cards will be allotted to each team. The Executive has the right to replace any certificate which is spoiled through error, damage, provided it is returned to the M.T.H.L. office.

(iii) In M.T.H.L. games, a team MAY dress a total of fifteen (15) players plus a spare goalkeeper who may play GOAL ONLY. However a minimum of twelve (12) players MUST BE dressed for all league and playoff games.

FAILURE TO MEET THE COMMITMENTS STATED IN PARAGRAPHS (i) and (iii) WILL RESULT IN FORFEITURE OF GAME.

Hoping your newspaper may be able to help us or some other team in the future.

THE SENSATIONAL SINGING STAR

A Letter From Home

By a Member of the
Mississauga Historical Society

Dear Ruth:

My goodness, what a surprise to hear from you again so soon! We are delighted to hear you are coming East this summer! The girls are busy making plans!

Easter Sunday, we all gathered at Janet and Fred's home for a delicious dinner - fifteen in all! The highlight was an Easter egg hunt for the children and the winner? - Addlene! I told her she must have peeked at the Easter Bunny, but on the morning we would have a contest to see who could eat the most eggs! It was fun - if you liked eggs! And of course there was always a new hat for Easter, and there was Church - we would all go to Church - and this brings a picture to my mind, Grandpa Belford driving into the churchyard with a special Easter Lily plant for my grandmother's grave - he never failed maybe he would have a colourful hyacinth for me! This made me feel important!

In my story last week, Grandpa Belford had reached Puggy Huddle, near Burnhamthorpe, the year was 1871. It was late at night and he had missed the road to the CREDIT! The innkeeper was sympathetic and persuaded him to rest on the sofa. He asked the bar-maids to keep their voices low so as not to disturb him! Apparently, Grandfather had ridden for three days and three nights with little rest. One tall girl, MATILDA PRESCOTT, uttered at the snoring stranger, and called the other girls to come see a real live Irishman! This was her first glimpse of the man who was later to become her husband.

Matilda's mother's people, the ATKINS, had come out from Ireland in 1819, and as Irish immigrants, they were given crown land in the vicinity of OMAH near Palermo.

Now great-grandmother ATKIN smoked a pipe! One evening as she rocked in front of the

fireplace in their log cabin, awaiting her husband to come in from ploughing, she dozed and the pipe went out. In the dusk, as she re-lit it, she unfortunately, used the deed! When this was discovered, being a humble honest folk, they packed up and left that property to squatters, since they felt they had no proof of ownership. They did not realize that the government had it registered. They went to YORK and he became a stonemason. Their daughter Mary, married JAMES PRESCOTT in OLD ST. ANDREWS Presbyterian Church, January 12, 1846 (Landmarks of Toronto, p. 181).

The PRESCOTT family came from Lancashire, England, to Massachusetts in 1640 and settled LANCASTER. Col. William Prescott commanded American forces at BUNKER HILL. The family were divided in their loyalties and the John Prescotts came to Canada as UNITED EMPIRE LOYALISTS, entering at CORNWALL. General Robert Prescott fought with Gen. Wolfe and in 1796 became Governor of Canada. The original coat of arms is contained in the PRESCOTT family hatchment and hangs in the church in Winchester. (I have coloured pictures of these which were sent to me.)

Now, coming back to Grandpa, PERKINS BULL mentions that he was captain of a baseball team, the STANLEY MILLS EVENING STARS in 1874, others mentioned - BURBIDGE, AP-LEBY, BURRELL, CORBETT, WARD, GOWLAND, BLACKBURN, HOSTRAWSE-

"From Rattlesnake Hunt to Hockey" page 329 -- TO QUOTE PERKINS BULL: -

"Those were the days of heavy scoring and free hitting rather than smothering displays in the field and air-right pitching. On July 1st, 1874, for instance, Malton Royal Oaks defeated the Evening Stars of Stanley Mills 78 - 19".

I wonder if it made the headlines! The Malton team included - Foster, Hale, Savage, Garbutt, Bell, Gardhouse, Allen, Mashinter, Watson, Hassard, Madgett, Venevery, Potter, Robinson, Hutchinson, Phillips and Cowling.

In 1875, Matilda Jane Prescott and William Leopold Belford were married at St. George's Church-on-the-Hill, Islington. For a time they lived in Port Credit, and he worked on construction of the Credit Valley Railway which passed through Cooksville (later C.P.R.) in the late 1870's and early 1880's.

My father told me that in those days, men worked from dawn until dusk - six days a week! His children would be sleeping when he would leave and they would be back in bed when he would return. I guess he would only see them on Sundays.

When men worked late, a specialty was a pan of hot bread and milk, sprinkled over with brown sugar. This was kept hot on the back of the stove. Not bad fare at all for bedtime snack eh?

And now my dear, I am tired, and I think I'll just leave the stories of old Ireland for next week.

With love to all,
Your Mother

C.W.L. Dinner held at Retreat House

The Catholic Women's League of Canada - Peel Region - brought a very busy year to an end with a dinner meeting held at the Queen of the Apostles' Retreat House in Port Credit on March 27. Rev. M. Smith was host for the evening and Mrs. J. L. Bulger was the chairman. Mrs. A. E. Begin, archdiocesan president and members of her executive were guests.

Mr. John Gennaro, a member of the Board of Directors for the Good Shepherd Refuge in Toronto, was the guest speaker. He outlined the work of the Little Brothers of the Good Shepherd. They give refuge and help to men who are temporarily without work and shelter. This is one of the favourite charities of the C.W.L.

Among the many reports given, was the start and success of the basic English classes being held at St. Mary's Port Credit and St. Christopher's, Clarkson. Over 30 new Canadians are learning the English language.

Nine Girl Guide companies and twelve Brownie packs are being sponsored by the different parish councils in this district. Three of St. Patrick's Guides have received their Gold Cords this year.

Mrs. R. Reed of St. Joseph's Church, Streetsville, outlined

the plans for the Youth Corps Walkathon, which was held March 30. The proceeds are to be given to Archdiocesan Popock for his "Share Lent Campaign". Rev. F. C. Robinson, Archdiocesan Spiritual Director, and Rev. C. Bennett, Regional Spiritual Director, both gave words of praise and encouragement.

Mrs. Reed presented Mrs. Bulger with a bouquet of red roses in appreciation for all her work, time and devotion to the region. Mrs. Begin and Mrs. C. E. Tipping invited everyone to attend the coming Archdiocesan Convention to be held May 21 and 22 at the Royal York Hotel.

The evening concluded with Mass in the Retreat House Chapel.

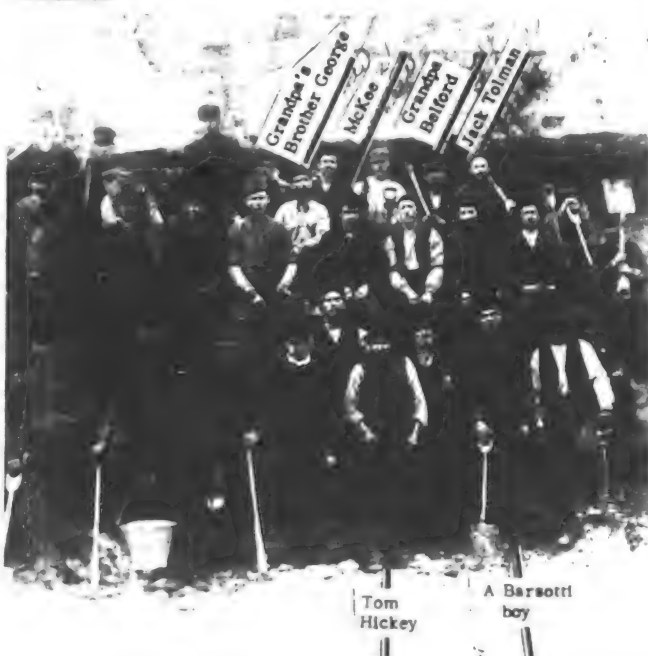

Receives honours at Montana University

Jill Reeder, a sophomore in modern languages, has been named to the winter quarter honor roll at Montana State University.

Miss Reeder is the daughter of Mr. and Mrs. James E. Reeder of Cooksville. Students named to the honour roll must have earned a grade point average of 3.25 or above.

"I could write a sonnet about you! Easter Bonnet" - Top row - Rymel Goldthorpe Kezla Wing, Middle row - Charlotte Goldthorpe, Bottom row - Hannah Goldthorpe, Gretta Cunningham Jennie Goldthorpe.

"To church on Easter morning" - left to right Mildred Belford, Jennie Goldthorpe, Hannah Goldthorpe and Minnie Goldthorpe.

MARINELAND AND GAME FARM

At Marineland and Game Farm, Niagara Falls, one of the top attractions in this busy holiday centre on the Niagara River, they are accomplishing the impossible. They are bringing the Canadian Northwoods indoors.

John Holer, President of this constantly expanding enterprise, and his designers are creating a unique display of North American aquatic life. They are capturing the rushing woodland torrents and tumbling waterfalls, the mighty rocks and state-of-the-art Canada and bringing them together in an exciting wildlife setting. To this they are adding the famous game fish of Canada's lakes and streams as well as alligators, crocodiles, cayman and turtles from many parts of North America.

The quarter of a million dollar addition will be known as the "Aqua-Grotto". It has been carefully designed to complement the establishment's highly successful "Aqua-Theatre" with its performing dolphins and sea lions and the rambling, multi-acre game farm featuring wild animals of many species.

Visitors will enter the "Grotto" which is housed in the Aqua-Dome building, through two huge caves or tunnels. Here they will get a close-up look at the many varieties of game fish through large windows set into the walls of the tunnels.

Eight giant aquariums, holding a total of some 75,000 gallons of sparkling freshwater, will provide the fish with ample living room. Each of the great tanks will faithfully reproduce the under-water world of the various fish. Intricate filtering systems

will be employed to assure a constant and moving supply of sparkling freshwater.

Among the fish on display will be Northern Pike, Muskellunge, Yellow Pickerel, Large and Small Mouth Bass, Trout of many types, Perch, White Fish, Sturgeon and many other species of freshwater game and coarse fish. Plans call for the inclusion of some of the more exotic fish from all corners of Canada.

After passing through the caves, the visitors will enter the main grotto with its main underwater view of the dolphins and sea lions in their giant 200,000 gallon show tank. Here too they will find the reptile pools with their complement of giant saurians and turtles.

It is in this main grotto that the designers have outdone themselves in recreating the great Canadian outdoors. Waterfalls tumble some 20 feet over steep cliffs and masses of rock; a swift flowing rapids connects the twin reptile pools. The massive igneous rocks of the Northland loom along the sides and back of the area where pines, hemlocks and other Canadian trees cling to the rocky soil.

The visitor will, in effect, find himself in a rocky wilderness glen with the vastness of the Northland stretching off into the far horizons. Completion date for this unique project is set for early May. Entrance to the "Aqua-Grotto" is included in the one admission fee that also covers the "Aqua-Theatre" shows and the game park area.

THE DOCTORS AND NURSES CAN'T DO IT ALL - WILL YOU HELP?

I had been there many times before, as a patient. But this time was different. I was an observer.

The sign on the door read "Emergency" and through these same doors came people of all sizes and all ages, with a variety of problems.

They came to be helped. Their problems ranged from an overdose of sleeping tablets, coronary attacks, car accidents, lacerations to different parts of the body, and the usual bites, scratches and such.

And their call for help was answered, by a competent staff of nurses and doctors.

But while calls for help are answered in this particular area, there are other calls, desperate calls for help, in others.

One of these areas evolves around cancer patients. Will somebody help us, they ask. And the work and research continue for what seems to be an eternity to some, but the answer to this dreadful disease does not remain the sole responsibility of doctors and research teams.

Research requires money - money for equipment; for education; money for doctors; money for other administration purposes.

Money - Money - Money! The health of this Nation is everybody's concern! Don't turn away the volunteer who comes to your door canvassing

for the greenbacks that are so necessary.

CANCER CAN BE BEATEN! WILL YOU JOIN THE FIGHT?

County Board of Education appoints Liaison & Transportation officer

Mr. Allan Guy of Bramalea has been appointed by the Peel County Board of Education to act as Liaison and Transportation Officer, effective May 5, 1969.

Mr. Guy's appointment is the first made, in an

effort by the Board, to study transportation routes, the economy of such routes, to work out a co-operative structure between the public and separate school boards regarding the sharing of such systems, and he will, in

turn, make certain recommendations to the Peel County Board, sometime in July.

Mr. Guy is presently enrolled at O.I.S.E., in Educational Planning. He hopes to graduate in 1970 with a doctorate in Educational Planning.

Wednesday, April 16 - Sheridan College, Mr. R. Baxter, Assessor for Etobicoke will speak on "Municipal Assessment as the base for Real Property Tax". Also, "Municipal Finance" by Mr. J. C. Taggart.

Commissioner of Finance, Hamilton.

Thursday, April 17 - Civic Nite Dinner, sponsored by Mississauga Real Estate Board. Dinner at 6:30 p.m. Mississauga Golf & Country Club. Guest speaker, Rev. Richard Jones.

Chamber. Speaker Mrs. Nance Horwood, Warden Peel County. Also Mr. Macklin Hancock, Project Planner, Toronto, will speak on Community Planning.

Friday, April 25 - Police Alliance, Spring-In-Dance, Port Credit Legion Hall.

FRIDAY, APRIL 18 - Peel Music Festival, song competitions, at Huron Park.

Rummage Sale, St. John the Baptist Church, Dixie, starts at 7 p.m.

Saturday, April 19 - Rummage Sale, St. John the Baptist Church, Bramalea. Sponsored by CWL. Starts at 10:00 a.m.

Fleetwood Village Ratepayers group sponsor spring dance at Markland Woods Golf & Country Club at 8:30 p.m. For tickets and further information call Mr. Collings at 625-0298.

MONDAY, APRIL 21 - Holy Name of Mary High School is sponsoring a "Here Comes Summer" FASHION SHOW at the school at 8:15 p.m.

Tuesday, April 22 - Bridge Party at Christ Church United, Clarkson at 8 p.m.

TUESDAY, APRIL 22 - Hawaiian Luau, presented by Hydro Mississauga, 8 p.m. at Sherway Drive Public School. Proceeds to Sherway Heights Brownies, Guides, Cubs and Scouts.

WEDNESDAY, APRIL 23 - Sheridan College - Parliamentary procedure in the Council

SATURDAY, APRIL 26 - Boy Scout Clothing Drive and Distribution of "Good Turn" Bags for Crippled Civilians by Peel Central District (Mississauga and Streetsville) Cubs, Scouts and Venturers.

SATURDAY, MAY 3 - Boy Scout Clothing Drive. Collection of Good Turn Bags.

SUNDAY, MAY 4 - Peel County Branch, United Nations Association, General Meeting, St. Luke's - on - the Hill, 3101 Constitution Blvd., at 8 p.m. Guest speaker Stanley Burke - well-known news-caster will speak on "Blafra".

WEDNESDAY, APRIL 30 - Card Party with Fashion Show, 7:30 p.m. Senior Lecture Room, South Peel Hospital.

WEDNESDAY, MAY 14 - Sherry and Coffee Party at the Legion Hall 8:30 p.m. Sponsored by South Peel Hospital Auxiliary.

U.W.C. view new film

D. MacKay, producer of "A Place to Stand" was guest speaker at the April 7 meeting of the University Women's Club in Riverdale School Port Credit. Mr. MacKay showed his latest film "Leave This Not to Cain" - it deals with what he terms "the mid-Canada Corridor" - an area of very fertile soil, but because of the cold weather - humans refrain from inhabiting the area. Mr. MacKay contends that "domed communities" would make the area inhabitable. Pierre Berton does the commentary on the new film.

Plan euchre

The last meeting of the North Trafalgar Community Club was held at the home of Kathleen May on April 9. President Mrs. Marjorie Cordingley presided as 25 answered the Roll Call.

Final arrangements were made for the Euchre to be held Thursday evening, April 17 in Trinity Church Hall, Streetsville.

Plans were made to again do the canvassing in the same block in the country as in previous years for the Cancer Society.

At the conclusion of the business meeting Mrs. Joan Williamson introduced Mrs. Lois Ward who demonstrated Sarah Coventry Jewellery. Verna Near thanked her. Lunch was served by the hostess.

Next meeting of the Club will be May 14 at the home of Marda Miller. Mary Watson and Beth May will be in charge of the program.

Girl of the Week

"Girl of the Week" lege, travelling a lot Rachel Murray lives at and eventually becoming PyramidCresc. and is a social worker. Her Grade 10 at Erindale Secondary School. She hobbies are swimming, horseback riding and recently arrived in guitar and she likes Glen Canada from London, Campbell as a singer England. Her future and Steve McQueen as plans include majoring an actor.

Fashion show at Oneida Country Club

Members of the Oneida Country Club on Mississauga Road are organizing an evening fashion show for members and their guests to be held Saturday, April 19 from 6:15 p.m. until 8:15 p.m. in the Club House.

Spring and summer fashions for women will be presented by Lily's Fashions of Oakville. Hairstyles will be by Yvette Angellique Coiffures in Sheridan Square.

Joe Cassien Clothiers of Southdown Plaza in Clarkson will present spring and summer fashions for men.

Members of the Ladies Committee presenting the fashion show are Mrs. Glenna Campbell of Mississauga, Mrs. Shirley Smith of Cooksville, Mrs. Margaret Darling of Lorne Park, and Mrs. Virginia Doyle of Mississauga.

Convenor for the show is Mrs. Joyce Argue of Clarkson. Oneida members and their friends will act as models. Among these are Mrs. Ronnie Horne of Burlington; Mrs. Phyllis Williams of Mississauga; Mrs. Margaret Clifton of Port Credit and Mrs. Barbara Tanner of Mississauga. Teenage fashions will be modeled by Miss Jan Campbell and Miss Nancy Doyle of Lorne Park High School. Male models include Ski Committee chairman Dick Dawson and Joe Cassien.

Cocktails, dinner and dancing are included in the program.

The art of cake decorating

At Erindale Bible Chapel on Thursday, April 17 at 8 p.m. Mrs. Betty Gardiner of Guthrie's Bakery, Guelph will demonstrate the art of Cake Decorating. Mrs. Margaret Walker will give the Devotion. All welcome.

BOB WHITE

ATHLETE OF THE WEEK

Most productive line for the Streetsville Hot-Shots in their final series was the Jon Clipperton - Ken Bond - Bob White line. Bobby White isn't quite as big as the other two members of his line but he certainly makes up for it in other ways. His incessant skating and persistent fore-checking were rewarded by success in scoring. Bob was in on nine of the team's fifteen goals in their last three games which they won to come from behind a 2 - games to - 1 deficit and win the series in 6 games. He scored once in each game and each time it turned out to be a key goal. In the fourth and sixth games it was his goal that gave his team the psychological lift they needed at a crucial time in the game. In the fifth game it was his goal with less than five minutes to go that broke a 4-4 tie and won the game for the Hot-Shots.

Bob is an apprentice for the sheet metal trade and is employed by Pearson's Roofing and Heating in Brampton. He is a product of TTHL Hockey and played for Streetsville Juveniles.

INTERNATIONAL HOCKEY

While you were watching that program from Montreal Forum on TV last Thursday night, you missed a good hockey game. Streetsville Hot Shots continued their rags-to-riches success story by defeating Lakeview Army-Navy-Air Force 4-2 and took the series and the championship by the same score - 4 games to 2.

Earlier in the week the Hot Shots had won 5-4 indicating that when they could win the close ones they could win it all. Both games were fast and outstanding because players on both sides stuck to hockey. Although there was plenty of body contact, it was limited to clean checks and there were very few penalties in either game.

In the Tuesday game George Workman and Scott MacKenzie gave Streetsville a 2-1 lead in the first period. Ralph Pitts scored for ANAF between their two goals. Pitts tied it up again early in the second but Streetsville went ahead when Ken Bond scored in the second and again in the third. With five minutes to go, Streetsville's two goal lead looked quite secure until two pretty three-way passing plays, both within 30 seconds, tied up the score. The first was a play involving Dick Fitzpatrick and Bill Ford which Bill McDonald finished off to put the Newfoundlanders back in the game. On the next play the Nova Scotian on the team combined with another passing play that went from Angus Gregory to Bill Gregory. Gord couldn't find any more Gregorys to pass to so he slipped it in behind goalie Rick Houle himself.

At this point the Hot Shots pulled up their raggedy socks and put on their usual late-game spectacular. It was Bobby White who scored their winning goal and Streetsville went ahead in the series.

In the final contest the Newfoundland team was as game as ever. Streetsville didn't score until the second period and the game was never tied up after that. Twice ANAF came within a goal and twice the Hot Shots put it out of reach again. Ken Bond and Bob White scored second period goals while Dave Foster and Joe Hore scored in the third period. The latter was into an open net with a few seconds to go. Kevin Galway scored both ANAF's third period goals each time assisted by Max Reid.

It is commonly reported that the Hot Shots now intend to write the final chapter in their rags-to-riches story by saving their money this summer to buy new uniforms for next year. Who needs a sponsor?

Roy Brown didn't get much ice time in the final game but he was a good man to have on our side. The last four teams Roy has played on have all been champions and he's getting to make a habit of being on a winning team. Roy fully intends to spill his winning habit over to coaching, too. He came very close with his Juvenile Derby team this year.

Streetsville fans were naturally rooting for the home team but by the time the series was over the ANAF team too had won the admiration of just about all the local fans. The team plays a type of hockey that is clean, fast and especially outstanding for passing. Their three and four man passing plays didn't always result in goals but they were certainly interesting. Many of their players are on the light side and their lack of weight had to be offset by precision passing and head-manning that was a joy to behold.

The following letter was received by the SMHA from a coach of a team that was not a winner. It represents the many verbal compliments also received by the Tournament Committee for a well-received tournament. The total attendance for the tournament was nearly 7,500 - well over Streetsville's population!

The Streetsville Hockey Association.

Gentlemen:

I would like to express my sincere thanks to you for the numerous courtesies extended myself, the team members and their parents during the past two weekends.

It has been indeed a pleasure to participate in such a well run tournament.

Again on behalf of us all, thank you.

Signed - Ron Rice, Coach, Richmond Hill Tykes.

LACROSSE

Streetsville may have a senior "B" lacrosse team this summer. Phil Rundle reports that a sponsor and several players have expressed interest. There will be a meeting at the Arena this Sunday at 2 p.m. to discuss organization of a club. Those who would be willing to help in this project whether as players or team officials, are invited to this meeting. Other O.L.A. Senior B teams last summer included Brantford, Fergus, Huntsville and others.

Streetsville Kinamen report over 100 registrations for minor lacrosse in Streetsville this summer. The Wednesday evening clinics continue for two more weeks with Tykes and Novices at 7 p.m. and Pee-wees and up at 8 p.m. Bantam and Midget teams are still doubtful and local boys who want to play in these divisions may have to play in Erindale or some other place unless there are more registrations.

SOCCER

This Saturday is signing-up day for boys who plan to play soccer for the Streetsville Soccer Club this summer. From 10 a.m. until 4 p.m. there will be someone present at Trinity Anglican Church to sign up boys from 8 years old and up. Those who are registering for the second year get to keep their uniforms and boots for their \$5 registration fee. Newcomers will be asked for \$10 but this includes the use of soccer boots for the summer.

Boys who are not quite sure are urged to stop by the registration desk and discuss their intentions because the league has an early closing date on registrations this year.

BASEBALL REGISTRATION

Registration date and place for boys wishing to play baseball this summer will be announced shortly. Streetsville will probably field teams in pee-wee and bantam and may be combining with other areas to form a juvenile and/or junior team.

TYKE TOURNAMENT

The Streetsville Hore Bros. Arena Sports team was knocked out in the quarter finals. Penetang, the team that beat them by only one goal went all the way to the Grand Championship. So Streetsville can be proud of a good showing by their boys. Only three teams in the whole tournament came within a goal of tying Penetang. Besides Streetsville there was Scarboro and Dixie-Burnhamthorpe Mobile Life. On that basis we would rate Streetsville as one of the top four teams in the tournament. In their loss to Penetang it was Paul Flack who sank their only goal with assistance from Kevin Hunter and Kent Tasker.

Several Mississauga area teams can be proud of their showing in Streetsville's Second Annual Tyke Tournament.

Dixie-Burnhamthorpe Mobile Life got all the way to the finals before losing to the Grand Champions Penetang team by a 1-0 score. En route they beat Malton, West Hill and Goulding Park in the second weekend of play. Top scorer for the Mobile Life team was Randy Roy who was second to Brian Pilon of Penetang in most points in the tournament, 18 for Brian, 17 for Randy. Marc Hamel piled up 6 goals and 2 assists and Rick Green 3 goals and 4 assists. Others in on the scoring last weekend were Mike Allen and Billy Schut.

Erindale Red Line Exterminators made it to the consolation semi-finals. In their win over Alderwood and loss to Richmond Hill, goals were scored by Jeremy Smith, Steve Cruikshank and Steve Bongelli. Assists were made by Rick Hawley, Joe Hale and Mario Giannoccaro. Applewood's goal was by Jeffery Tonkin from Mark Duck.

Clarkson Demag who won their division in the Timmy Tyke Tournament a week ago, lost out in the quarter-finals by the shots-on-goal count. Jim Solecky scored their only goal assisted by Mike Yorke and Brian Walker.

Although he wasn't selected as the outstanding goalie in the tournament, Richard Pelletier rates high on the honourable mention list. The Dixie-Burnhamthorpe goalie allowed only 4 goals in seven games, five of them shutouts.

When you are running an elimination tournament that involves as many as eighteen games in one day, what do you do about tie games? Sudden-death overtime can be time-consuming and set the whole schedule back. Various tournaments have come up with different ways to keep the games on schedule. The method in the Streetsville tournament is to count the shots on goal in the final period of every game and if the score ends in a tie, the win is awarded to the team making the most shots that period.

A "Shot on goal" is defined as any moving puck that would go into the net if not stopped by the goal-tender. Thus, goals scored do not count as shot on net. Neither do shots outside the goal-post, whether the goalie plays them or not. Nor does a shot count which is stopped by another player. A shot from the corner or from behind the net would not count ordinarily but in certain specific cases might qualify.

Jim Gray polled various visiting coaches to ascertain their opinion about the tournament's method of declaring a winner. Most coaches expressed favourable comment and a few suggested other means such as counting shots for the whole game or by having a player "shoot-off". A "shoot-off" was described as every player on each team permitted to take an unobstructed shot, and the team making the most goals declared winner. Bill Snarr and

other tournament officials prefer their own method since it emphasizes team work more than individual achievement.

It was noted that a player on some of the visiting teams bore the number "13" on the back of his sweater. One such player was on the ice and judging by the enthusiasm with which a nearby parent greeted the arrival on the ice of this team, we reasoned that he must be from the same town.

We commended the parent on the progressive stand his hockey team took ignoring an ancient superstition which avoids the number thirteen for an athlete. "Yeah," he graciously acknowledged our compliment, adding, "Besides that, it brings us good luck."

Trophy winners

This photo was taken between showers in the dressing room of Streetsville Hot Shots last Thursday. The hockey players in the picture: Doug and Russ Hartley, Jon Clipperton, John Brennan and Dave Foster have not had their showers yet. However, their coach, Bob Iles, front left, has just had a shower, courtesy of his celebrating players who live it up after the game. Bob clutches the winning trophy which managed to escape the shower.

THE

ORDER OF THE ACORN

"GREAT OAKS GROW"

LET ALL MEN KNOW

MIKE HEAPHY

Coach of Dixie-Burnhamthorpe Mobile Life

HAS BEEN RECOGNIZED IN THE OFFICIAL RECORDS OF

The Streetsville Tyke Tournament

"MAN IS NEVER SO TALL AS WHEN HE STOOPS
TO HELP A CHILD"

OUR MOST SINCERE THANKS

April 17, 1969

Above is a replica of "The Order of the Acorn" certificate presented to every coach of every team which participated in the Tyke Tournament. The 1969 Coach's award went to Mike Heaphy whose name also appears here. The little acorn player, which is the symbol of the tournament was originally drawn by David Crawford who was 10 years old at the time.

BUSY SEASON FOR ERINDALE RECREATION ASSOCIATION

The Erindale Recreation Association is busy with plans for spring and summer activities. Flyers announcing all planned and current activities have been distributed through the schools in an attempt to let residents know of all leisure time recreations available to them. It is hoped parents will take advantage of a bicycle and tricycle exchange planned for April 26 - 10 a.m. - 12 noon at the Springbank Community Centre. This is planned to operate in the same method that proved so successful for the skate exchange - buyers and sellers dealing directly with each other.

Jogging is fast becoming a popular sport. Erindale Woodlands joggers may join that group by contacting Geoff Speed, 279-6867 and Sheridan Homelands people should contact Charles Aboud, 822-4718.

Erindale Lions will sponsor Bicycle Rodeo

The Erindale Lions and the Mississauga Safety Council will again sponsor their very successful Bicycle Rodeo for 14 schools in the area.

On Saturday, May 30 starting at 9.30 a.m. the Bike Rodeo will take place at Springfield School, when prizes will be awarded to winners who compete in various tests of riding skill. The events are open to students of Grades 1 to 8.

On Saturday, May 10 (same starting time - same events) the Bike Rodeo moves to Confederation Square in Cooksville.

Planned for the Homelands area to start in April, is the Pedal Pushers Club. This is a safety course in bicycle operation, patterned after a course being used by the Alberta Safety Council. This is being offered to Public School children and it is hoped that the casual and dangerous

manner many children ride bicycles will improve after taking advantage of this instruction.

The Annual Meeting of the Erindale Recreation Association will be held in the Springbank Community Centre on Monday, April 21 at 8 p.m. Residents of the area are invited to attend.

Lacrosse — The Canadian Game

No sport played in Canada has a finer tradition than lacrosse. It deserves to be called "the Canadian game" because its roots are deep in our history, says the federal health department publication "Lacrosse".

For many years, before and after the turn of the century, lacrosse was a major sport in this country, and the names of lacrosse "greats" were on every boy's tongue. It was played by both English and French speaking Canadians, and by the Indians who invented it, so it was truly a national game. Professional and amateur leagues flourished, and the game spread to England, Australia and the United States.

Then as the twentieth century advanced, its popularity declined. Now, it is making a comeback, and if this booklet can help widen interest in this fine sport, it will have accomplished its purpose.

Lacrosse has much in its favour. It has been called "the fastest game on two feet" -- it is a game of skill, not brute force (contrary to general belief) and the little fellow can beat his larger opponent by superior ability - it can be played from early spring in all kinds of weather - equipment is not expensive - it is an exciting game to watch. The playing area can be an open field, a hockey box, or arena, or even a large gymnasium.

Boys, who can be introduced to the game as

early as 8 or 9, enjoy it tremendously. There is something about the stick - work and teamwork, catching a ball, eluding your opponent and shooting on goal that appeals to the best athletic spirit of boys and young men.

As a conditioner, lacrosse is unsurpassed, and some athletic directors feel that this advantage alone justifies its inclusion in their sports curriculum. Because of the very fact that a stick is employed, the game develops self-control.

It is hoped that more schools will consider lacrosse as an inter-class or inter-school sport. It can add variety to the school sports program and get more boys playing a game. Community and playground programs will also benefit from inclusion of lacrosse in the sport schedule.

Give this great Canadian game half a chance -- let the young fellows try it and it will sell itself!

Careers in accounting

Careers in accounting were outlined by a distinguished panel of guests at Sheridan College on Tuesday, April 8 at 2 p.m.

W. C. Easton, RIA, director of education for the society of Industrial and Cost Accountants of Canada; I. E. Millie, B. Com., CA, personnel partner of Peat, Marwick, Mitchell and Co.,

public accountants; and L. Jenkins, BA, MA, FCIS, executive director and secretary-treasurer of the Canadian division of the Chartered Institute of Secretaries, took part in the seminar.

The men outlined openings for Sheridan business graduates in their respective fields, and distributed literature

from the Certified General Accountants Association of Canada.

With graduation only weeks away, many students of Sheridan are busy with job interviews and applications. Placement prospects for the college's first group of graduates were termed "excellent" by a guidance counsellor.

ance counsellor.

Could YOU Pass?

To help both beginning and experienced drivers assess their knowledge of the rules of the road, the Ontario Department of Transport publishes a booklet giving questions and answers on Ontario's traffic laws and safe driving practices. Copies of the booklet are distributed free, on request.

The latest edition is just off the press. One of the changes is a separate section on traffic signs, including the new symbol signs, introduced recently in this province.

A page from the booklet is reproduced below, to give you a chance to test your knowledge. If you're not sure of the answers, you can check by turning the page upside down.

ONTARIO'S NEW SYMBOL TRAFFIC SIGNS

Twelve of Ontario's new symbol traffic signs are shown below.

At the bottom of the page are descriptions of the meanings of the 12 signs. Place the number of the correct description in the box beside each of the signs.

Sheridan College News

A Sheridan College student-faculty photography exhibition will be open weekends until Sunday, April 27 at the Peel County Museum and Art Gallery, 7 Wellington Street, in Brampton.

The work of three faculty members is on display with that of about 40 photography students - all first year students since this is the first year the program has been operating at the college.

Doug Boulton, Gunther Karkut and Lawrence Weissman are the photography masters whose work is on display. All prints shown are for sale, and may be purchased through these men.

Regular exhibit hours are Saturday and Sunday from 1:30 to 4:30 p.m. but photography masters have stressed that special arrangements can be made for

groups or individuals who can't attend during these times. The show opened the weekend of March 24. The photography program plans to make a joint student-faculty exhibit an annual tradition.

The seven people who judged students' work were B. Ferguson of the Atomic Energy of Canada; G. Paetrick of Mv-Cann-Erickson advertising company; W. Newston of Hugh Newton and Co. Ltd.; D. Murray of Ardiel Advertising; G. Elliott of J. W. Thompson; Professor K. Chamberlain of the University of Guelph and R. Amedeo of Young and Rubicam.

The president said the exhibit represented a "unique experiment" when educators attack their necks out quite this far and invite close professional scrutiny of their work; but said he expected the exhibit to be a "rich learning experience for students, instructors and the college."

Comments of the judges were taped and their grades and assessments will be available to each student.

Mr. Porter outlined, in his address to invited guests at the official opening, the stages in which Sheridan College will move to Oakville, beginning with the Visual Arts Division in the fall of this year.

Journalism & Advertising

J.M. Porter, President of Sheridan College, has announced that the Community Journalism and Advertising courses being given by Sheridan will be located on the new campus, 1460 Trafalgar Road, Oakville, by the fall of this year.

Earlier plans called for only the Visual Arts Division of the College to move into the new quarters which have been a building on the College's 100-acre site since last November.

The Visual Arts Division's students in Commercial Art, Animation, Fashion Design, Creative Art and Creative Photography will be moved to the new campus as planned.

Close ties between journalism and advertising and Visual Arts courses have been cited as a reason for the switch.

About 80,000 square feet will be available in the new building, which is Phase I of an ongoing construction program that will eventually see 6,000 students housed in a single radially-designed building with a number of wings.

Construction of the Visual Arts Wing and part of the Core began after a sod-turning, held last November 4, attended by students, faculty, administration and civic dignitaries. Architects for the project are Marani, Rounthwaite and Dick of Toronto.

Yet the rebels are with us in Canada, two centuries later. They are different in their protests. A highlander would "come out" for a cause or a battle. It made no difference. Today we have the hippies, the artists, the nationalists, the separatists, the students, the workers, the self-seekers, the pro-and the anti -, the meek and the bold, the drunk and the sober. Not enough factions for a typical highland army, but representative.

May they always be with us, in our imperfect world that seeks perfection. They look for love and glory, for liberty and independence, for friendship and beauty, for far horizons and the long march, and possibly a little loot. Even though they could die for their rebellion, perhaps not on the field of battle, but as the young have been known to die, for love, or for the worms are hungry?

"Drumossie moor - Drumossie day - A wae! day it was to me!

For there I lost my father dear, My father, dear, and brethren three."

Once again it's April 16 on that long moor of Culloden. But today only the spring buds of the Highland flowers are to be seen sprouting through the green, the wild downy rose, the delicate mauve spring squill, and the lovely Scots primrose with its heart-shaped petals. Where then lies honour? What else is new?

Manpower officials commended

"More highways, better bridges are the result of the support of the Federal Department of Manpower and Immigration," Frank LaFrance, Chairman of the Manpower Division at Sheridan College, stated.

"The citizens of Ontario will be much the

better as a result of the foresight of Howard Fullard and his staff of the local Canada Manpower Centre", Mr. LaFrance added.

These comments were made as forty-four men graduated on April 3 from two courses conducted at the Sheridan College Heavy Equipment School in Milton.

The cost of living allowances for all eligible trainees and the cost of the training itself were borne by the Federal Department of Manpower and Immigration under the administration of the Brampton office.

On Thursday, 24 men received certificates in highway structure erection (bridge building). They formed the second graduating class of a pilot project in which employers temporarily released from employment the men chosen for training.

At the same time, twenty men graduated from the last of a series of very successful courses designed for heavy equipment operators in the specialized field of hydraulic backhoe operation. Only unemployed men with previous operating experience qualified for the course.

The Day of the Rebel

"Fast they come, fast they come,
See how they gather!
Wide waves the eagle plume,
Blended with heather."

This week Wednesday falls on April 16. It is a day not as celebrated as, say March 17, St. Patrick's Day, or July 1, Canada Day. Most of us, Canadians newly arrived, and others of older stock, could not recall it as a day to remember unless we happened to have April 16 as a birthdate.

Here in Mississauga and in Streetsville, it is just another Wednesday, the day the local weekly newsmagazine "come out", like the Review which has been "coming out" for 123 years, bringing local news to people who live in the area.

Few here would recall their history sufficiently to place an even earlier April 16, 100 years prior to the founding of the Review in 1846. So much has gone by in the past three generations, that a happening in the year 1746 is obscured to comparative oblivion by the fast-paced events of modern life.

We quickly become blasé nowadays, or if not, then we find it easier to adjust our ideas concerning our local world by a process of rationalization. The newspapers continue to "come out", to entertain, to enlighten, but not to bestir, please.

It was different, then. On that earlier April 16, 223 years ago, to a weary, embattled army in a distant land, "coming out" meant family, honour, blood, death, and the end that historically is always another springtime, a beginning anew. Parallel events have happened since, with various results, in America, in France, in Poland, in Germany, in Russia, in Greece, in Canada, and more recently in Hungary and in Czechoslovakia.

The tiny army of long ago was composed of the rebel clans of the Scottish highlands. They were led by Prince Charles Edward Stuart, a Roman citizen of Polish blood, whose grandfather had been king of England and Scotland. During the previous year, 1745, the clans had actually invaded England from the north, with little if any protest from the border tribes. It was the first and only successful invasion since William the Conqueror, in 1066.

But on this day the sands ran out for the clans. Their long swords were no match for concentrated cannon and practiced musketry. The highlanders were defeated decisively at Drumossie moor on Culloden moor in northeastern Scotland. It was their only defeat of the campaign, inflicted by the regiments of England and Hesse assembled by the Duke of Cumberland, a brother to England's King George II, of Hanover.

For the highlanders, and the Stuart dynasty, the defeat was an end to a romantic episode, the end to the feudal clans and an age-old way of life, the end of almost impossible rebellion against the developing progress of one nation toward the modern forms of organized endeavour we see today in many nations.

Yet the rebels are with us in Canada, two centuries later. They are different in their protests. A highlander would "come out" for a cause or a battle. It made no difference. Today we have the hippies, the artists, the nationalists, the separatists, the students, the workers, the self-seekers, the pro-and the anti -, the meek and the bold, the drunk and the sober. Not enough factions for a typical highland army, but representative.

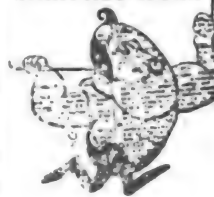

May they always be with us, in our imperfect world that seeks perfection. They look for love and glory, for liberty and independence, for friendship and beauty, for far horizons and the long march, and possibly a little loot. Even though they could die for their rebellion, perhaps not on the field of battle, but as the young have been known to die, for love, or for the worms are hungry?

Named Principals

G. COLMAR RUSSELL

NORMAN F. HODGSON

Photos by Larry Gooder

J. A. Turner, Director of Education, the Peel County Board of Education, announces the following appointments: G. Colmar Russell has been appointed Principal of Clarkson Secondary School. Mr. Russell was born and educated in London, Ontario. He is a graduate of University of Western Ontario and began his teaching career in Windsor. He moved to Oakville - Trafalgar Secondary School 3 1/2 years ago as head of the geography department and most recently was Vice-Principal, Lorne Park Secondary School, Clarkson.

Waiting completion of the new Clarkson Secondary School, Mr. Russell is working out of the Board Office in Mississauga.

Norman F. Hodgson has been appointed Principal, Glenforest Secondary School in Mississauga. Born in Edmonton, Alberta, Mr. Hodgson was educated in Kirkland Lake and is an honours history graduate of University of Western Ontario. He has taught history and geography in Peterborough and Picton, and in 1966 was appointed Vice-Principal, Port Credit Secondary School. In 1968 he was appointed Vice-Principal, Erindale Secondary School.

Mr. Hodgson is also temporarily located in the Board Office, Mississauga, while waiting completion of the new Glenforest Secondary School.

Wendy Bliss - winner of the Toronto Archdiocesan Public Speaking Contest held Sunday, April 13 in Blessed Sacrament Church Hall, Toronto. Wendy is a grade 8 student at St. Martin's School, Mississauga. This annual contest is sponsored by the Archdiocesan Catholic Women's League.

Spring Meeting

The spring meeting of the South Peel Progressive Conservative Women will be held Tuesday, April 29 at 8 p.m. in the Texaco Room of Port Credit Library.

Mrs. Nance Horwood, Warden of Peel County will speak on Regional Government. This meeting is important to everyone - Women - Men - and Liberals!

** CANCER CAN BE BEATEN! **

OF INTEREST TO WOMEN

HISTORICAL FOUNDATION INC. HOLDS ANNUAL MEETING

The Township of Toronto Historical Foundation, Inc. held its annual meeting recently. R. K. Harrison was elected chairman, Mrs. W. B. Lawrence, Secretary and Mrs. Albert Fix, treasurer.

The past year has been a mixture of success and sorrow to this Corporation. Miss Marjorie Twitchell, the first curator, died after a long and distressing illness. Mrs. T. E. Watson and Mrs. Graham Gildner have resigned and have been replaced by E. M. Halliday, Director of Parks for the Town of Mississauga; Mrs. W. B. Lawrence and Mrs. R. K. Harrison. Mrs. Fix has given notice that her resignation will become effective May 18.

There were over 5000 visitors who signed the book last year and the duties of the Directors (all voluntary) were extremely onerous even though generous assistance was forthcoming from the Kumeen Club of Clarkson and the Mississauga Historical Society. About 60 other individuals from all over the Township helped out on crowded days.

FIRE LOSSES LISTED

The Ontario Fire Marshall's annual report listing the number of fires, and the dollar and cents losses involved for each municipality, must make the members of the Streetsville Volunteer Fire Department justifiably proud of themselves.

Streetsville - with a population of 6123 had a fire loss in 1968 of \$12,295 - or just over \$2.00 per capita of population. Next on the totem pole of local area municipalities, comes Mississauga, with a population of 107,540 and a fire loss of \$509,963 which works out to just under \$5.00 per person in the municipality. A 'high' is recorded by Port Credit. It has a population of 8,089 - and it had a fire loss of \$49,409 - which totals over \$6.00 per capita.

The Museum will open May 2 and the hours are Friday and Sunday 1 - 5 p.m. and Saturday from 10 a.m. to 5 p.m. The opening special exhibit on May 4 will be "Toys and Dolls". The Oakville Spinners and Weavers Guild will demonstrate

Square Dancing Season Draws To A Close

Despite a hockey game and the long Easter weekend, a good crowd showed up for a regular dance on Saturday, April 6. Members of the Four Corners Square Dance Club enjoyed a very good time and are now looking forward to the Club's big SPRING SWING on April 19.

On Tuesday, April 8, a committee meeting was held at the home of Bert and Helen Ev-

erett, Port Credit. A number of items were on the agenda. The major item was the Spring Swing Square Dance. Dave Greenfield gave his report on the publicity that had been done for this event. Then Alex Woods gave his summary on Decorations. Spring flowers, real and artificial, a swing, a wheelbarrow, a nicker fence and many more items are to be used to turn T. L. Kennedy High School's Cafeteria into a scene of spring.

Please take notice that the organization which operates the Lewis Bradley Museum is an Incorporated Body and its name has not changed from the date of its incorporation, December 6, 1960. It is also registered with the Department of National Revenue as Number 0244947-50-13 and any donations or legacies made to the Corporation (under its proper name) will be exempt from income taxes.

A special committee meeting will be held on Monday, April 28 at Cec and Irene Gordon's home in Port Credit, to plan the summer activities and wind up the year.

East Promenade, Agincourt, had an enthusiastic crowd dancing to well-known caller and television personality, Johnny Davidson of Hamilton, March 29. East Prom expects a record crowd for Dave Taylor, April 19. Dave will also be back in Islington April 24 for his last workshop of the season. And speaking of workshops, Stu Robertson's March session was a "dilly" with rotates, spin-chain-stars and many variations of known (and unknown) basics. Next Burlington workshop - April 26, experienced dancers.

The "biggest and best yet" - was the verdict regarding Peterboro's Lift Lock Squares' Spring Soree, with visitors from Lindsay, Ottawa, Scarborough, Willowdale; bus-loads of dancers arrived from Oshawa and Mississauga to share the dancing with friends from all over the province. Two squares of teen dancers drew applause both for their good dancing and good manners. Dancers are hoping for a speedy recovery for Ham Wolfraim, well-known square dance caller, who is ill in hospital. Bill Cooper, Cooksville, Caller for Swing-In Squares says that Club will be hosts to many visitors from other areas on the occasion of the Intermediate level dance to be called by Jack May of Ohio, April 24.

ALL ROUND CORD PRESENTED TO GUIDE

At Springfield School on April 9, Mississauga Divisional Commissioner Mrs. R. A. Sutherland presented Barbara Worsley of the 1st Mississauga Air Rangers with her All Round Cord.

A Candlelight Ceremony highlighted the fact that this was the first time in 5 years that a Guide has earned this

award in the Woodlands District. Mrs. J. A. Henry, District Commissioner, presented the All Round Cord pin. Parents of the 2nd Erindale Company, Barbara's former Company, were entertained with dancing and songs by the Guides.

Janet Iles of the Ranger Company showed slides of her trip last summer to "Our Chalet" the Guide International Home in Switzerland. Mrs. Ted Nichols, the Guide Captain, led a bright Camofire to close the evening.

Annual Meeting April 16

The annual meeting of the Toronto West Branch, Association of Administrative Assistants or Private Secretaries, will be held at the Vahlia Inn on Wednesday, April 16.

Guest speaker for the evening will be the National President - Mrs. Molly Allen. She will also install the new slate of officers and committee chairmen for the forthcoming year.

An insight into the work of a Placement Agency was given the members by Mrs. Audrey Ford and Mrs. Olive Webb of Mutual Placement Agency, guest speakers at the March 19 General Meeting.

Secretaries in the area interested in obtaining further information concerning the Association are asked to contact Membership Chairman, Miss Eileen Barclough, Box 191, Islington.

\$41 MILLION FOR EDUCATION IN PEEL THIS YEAR

The Peel County Board of Education revealed their 1969 operating budget last Thursday night at a special public Board meeting. The budget is calculated at \$41,228,759 for the year. \$23,368,496 headed for the 97 Peel County public schools, \$17,677,921 for 16 secondary schools and \$182,342 for the two retarded children's schools - Parkholme and Red Oaks. The 1969 budget shows an increase of \$8,399,503 over the combined 1968 budget of the 10 county boards. The actual amount to be levied within the county is \$23,551,113 - an increase of \$5,337,200 over 1968. The balance of provincial grants and miscellaneous revenue, complete the 1969 budget is made up from \$17,658,646 required to

CHAIRMAN COMMENTS

"I agree that many people in the County will suffer a tremendous increase in their education taxes this year," said Glenn Grice, chairman of the Peel County Board of Education, this week.

"This comes for several different reasons, one being that they are now part of a large system which receives a much smaller percentage of Provincial Government grants. Some areas were fortunate enough to have a surplus in their 1967 budget, which caused the 1968 budget to levy a smaller amount of municipal taxes, than it cost that area in 1968. The hardest hit are those with farms and those who are 'real farmers' making their living from farming."

Mr. Grice continued "By way of balance, Mississauga residents still pay a larger proportion of school taxes than any other municipality in Peel. Most areas north of Steeles Avenue would still be in the bottom one-third of the total County scale. We certainly have to come quickly into a totally different expenditure-income to be related only to the farm or house you live in.

REMEMBER HELP YOUR RED CROSS

TO HELP

THE RED CROSS IS PEOPLE LIKE YOU HELPING PEOPLE LIKE US

GRICE SAYS SYSTEM OF TAXATION IS POOR

Taxation, as it is now, has forced many people to buy a larger home than their wants or needs (a 2 bedroom

house is almost out of existence.) The municipalities have been forced to restrict construction in new homes to

allow only very large homes, and land prices dictate this also. This truly affects older people and those newly-

married. Our system of taxation is poor and doesn't necessarily serve the needs - but I do feel

that the County system of education is a good one. We are conscientious of costs. We have cut down in many areas.

Our salary negotiations were realistic this year - and we did bring everyone in the county

to scale." Mr. Grice was commenting on the current Board of Education budget.

Mr. Grice was commenting on the current Board of Education budget.

RURAL AREAS ARE HARDEST HIT BY SCHOOL TAX HIKE

The change to a county education system has made for increased costs.

Salaries, fringe benefits, special services which varied across the county prior to the

January change-over were equalized. The ratio of teacher to pupils was standardized county-wide. Attendance counselling and psychological guidance services were extended across Peel.

"It has become evident, with the calculation of this budget, that the economic significance of Bill 44 - where by County Boards were established by the Provincial government in an effort to standardize

educational opportunities in both rural and urban areas.

"Those areas," said Mr. Grice, particularly north of Steeles Avenue are required to absorb their share of costs

of the more complex educational systems in urban areas. At the same time, the rural areas have lost the benefit of substantially higher government grants."

Conover of Chingua-couy that "... the budget as approved by the Department of Education for further consideration of the rate of grants especially to the rural areas of the County and request that immediate attention be taken to relieve the financial hardships resulting from the reduction of the rate of grants and the

creating by the Provincial Government of the County system of Education." It appears, from this corner, that Mr. William Davis will be receiving letters from a whole lot of rural rate-payers.

Some increases in local areas are:

Streetsville \$20.50
Brampton 50.94
Caledon 139.64
Chingua-couy 67.85
Toronto Gore 95.94
Mississauga 28.10

Board cuts - cuts - cuts - still Tax bill will be up across Peel

Preparing a budget is no easy chore. Dealing with millions of dollars may sound like a childhood dream but when 20 board members, elected by the tax-payers, have to provide the best facilities for Peel County youngsters' education and yet keep the pocket-books of the citizens in mind - the dream fades.

In the preparation of the Peel County Board of Education 1969 operating budget, it became apparent that when all the factors were taken into account - the equalization of salaries across the county, the Department of Education formulas used to equate the tax-rate in the county and the reduction of grants as a percentage of total operating costs over last year - that some plans were destined for the shelf - or at least reduced in scope.

The budget, as originally presented on the first of two evenings "smoker sessions" found itself greatly altered on the second. Board plans for - \$512,000 to be spent on library books were cut to \$409,000. Money set aside for field trips and excursions was reduced \$56,000 to \$15,000. A \$90,000 Field Centre building

program, including transportation costs from schools to the field study centre were deferred. The Audio-Visual aids budget lost over \$50,000. The General Supplies budget dropped from \$155,000 to \$115,800. Proposed textbook expenditures were reduced \$10,000 to \$190,000. Funds available from

current accounts for capital expenditure during the school year were reduced from - \$1,250,000 to \$353,000. Maintenance costs were curtailed by over \$60,000. In preparing the budget the Board has tried to provide sunlites, equipment and services that would sustain and, in some areas, improve the educational program in Peel County.

Legislation - tax jump interlock

In some Peel County communities, the tax levy will appear abnormally high as the result of substantial surpluses carried forward from 1967 to 1968.

In these communities the surplus was applied to the public school rate last year, keeping the taxes lower. However, under the controversial Bill 44, the newly-formed cour-

ty boards must include in the calculation of the 1969 rate, what the 1968 rate should have been - just as if the previous year's surplus had not existed.

ties to communities showing a deficit two years ago. Caledon, Toronto - Gore, Brampton, Chingua-couy and Streetsville taxpayers will see tax increases due, in part, to this legislation.

U.N.A. TO HEAR STANLEY BURKE

The May 4 meeting of the United Nations Association, Peel Branch, will have the well-known newscaster, Stanley Burke as guest speaker. Mr. Burke will speak on "Blatant".

The meeting will take place at 8 p.m. in St. Luke's-on - the - hill, 3101 Constitution Blvd. (north side of #5 highway between Cawthra and Dixie).

Overseas students are being invited to this meeting so if you are able to entertain any of

these young people to supper before the meeting please call Diana Walden at 822-0915, as soon as possible. This should be an extremely interesting meeting and you are invited to come and bring a friend or neighbour.

Leaving Accident Charge Laid

On Friday, April 11 at 12.15 a.m. a vehicle driven by Walter Sadha age 36 of 1554 Sherway Drive, Mississauga, struck a vehicle driven by Michael Carben, age 21 of 17 Avon Park Dr. Toronto. The accident took place on O.E. Way

westbound at 27 Highway. Sadha failed to remain at the scene. At Q.E. Way westbound at Dixie Road he struck a second vehicle operated by George Hundman of Etobicoke and again failed to remain. Walter Sadha was arrested

shortly thereafter by Prov. Const. Wayne Skelley of OPP Port Credit Detachment and charged with Failing to Remain at the scene of an accident. Further charges are pending. Damage was estimated at \$250.00.

Constable Aubrey Gibson of Streetsville shows Mike Robinson the proper way to make a stop signal while Lion Howard Parker looks on. All of this is a reminder that the annual bicycle rodeo is coming up on May 10 beginning at 9.00 a.m. sponsored by the Streetsville Lions and the Police Department. Photo Credit AL BETTS

DAM TOUR THIS WEEK

With recent news headlines dealing with floods in the U.S.A. and Canada

In the Canadian midwest and U.S.A., the public may be interested in seeing how a flood control dam operates to control the stream flow during the spring runoff.

REPORT

NEW DETACHMENT COMMANDER

On April 1 Staff Sergeant J. H. Murphy was transferred to OPP Port Credit Detachment as Detachment Commander. Staff Sergeant Murphy was from the Midland Detachment of the OPP prior to his new posting.

STUDDER SNOW TIRES Studded snow tires may not be used after the end of April in Ontario. Check the tires on your car for spring and summer driving ahead. The lives of yourself, your family and other motorists depend on it.

STOPPING ON THE HIGHWAY

One place NOT to stop your vehicle is on the travelled portion of a highway. This is both dangerous and illegal. If for any reason you must stop on a highway, ALWAYS pull off onto the shoulder. When pulling back on the road after a stop, make sure the road is clear and signal your intentions. These are simple rules but they can help prevent serious accidents.

The Metropolitan Toronto and Region Conservation Authority is providing the public with a first-hand look at the operation of its Clairville Dam on Sunday, April 20 from 1 p.m. to 5 p.m.

The Clairville Dam, one of the Authority's major flood control projects completed to date, is located on the Indian Line Road, 1 1/2 miles south of the village of Clairville (at highway #50 and Steeles Ave.) or two miles north of Rexdale Boulevard. There will be half-hour tours of the dam and the control tower. A model of the project will be displayed and Authority personnel will be on hand to explain the dam's operation as well as the overall Metro and region flood control program.

Visitors will also be able to take a guided tour of the five-storey building, including a trip through the inspection tunnel which is built under the lake. There is a small admission charge of 25 cents per person, and there is ample free parking for cars. Further information may be obtained by telephoning the Authority offices at 889-5425.

YOU ARE INVITED TO THE PREVIEW PARTY ON THURS. APRIL 17 AT 7:30 P.M.

Four Painting Hints

There are four things to remember in order to get a satisfactory paint job and save you time and work, advises the Canadian Paint Manufacturers Association. First, prepare the surface properly. Second, select the right type of paint or varnish. Your dealer can help you with this. Third, be sure to use only quality paint products. Fourth, apply it properly, as directed on the label.

Salty hint for cleaning

Salt and soda cleans will not scratch the enamel as stronger cleaners sometimes do.

Dianne Petersen, Lynda Lawrence, Julie Kup, Dave Barker, and Gail Petersen gathered around M.P. Hyl Chappell to ask questions after his very interesting talk during their history class

at Lorne Park Secondary School on Monday, March 31. Mr. Chappell mentioned that he is available Monday mornings to talk to students during classes. Al Betts Photo

Magnet for visitors to the 1969 National Home Show in the Coliseum C.N.E., is the ASTEROID, all-gas, space age model house created by imaginative architect Harry B. Kohn, sponsored by The Consumers' Gas Company and built by Wimpey Homes Ltd. Ten home uses for natural gas are on display in the four separate 20-foot square living units, connected by glassed-in walkways around a central swimming pool and

courtyard. By re-arrangement of the four units the concept can be a two-storey house, a one-storey square or a house with units connected by "weather links". Construction features use of a new building material developed from coarse aggregate and cement poured in forms. The material is only two-thirds the weight of cement and is said to have better insulating qualities.

Dr. Bejoy Das accompanied his wife Chhanda as she played the sitar during the Indian program presented at T. L. Kennedy auditorium on Sunday, March 30. Al Betts Photo

EARLY MORNING HEALTH PROGRAM

Jim Clarke and Jim Rowland, the Huron Park HEALTH CENTRE INSTRUCTORS, have kindly consented to organize and run a programme of EARLY MORNING JOGGING & EXERCISE, starting Monday, April 21, 1969. There have been many requests for such a programme. Business is so demanding for time these days, there is very little left for any Health Activities.

Because of this, the EARLY MORNING CLUB has been devised mainly for the benefit of those who cannot find time for exercise during the day or evening. TAKE ADVANTAGE OF IT

LOCATION: HURON PARK RECREATION CENTRE
TIME: 6:45 a.m. and 7:30 a.m. - 1/2 hour sessions - Monday to Friday
TERM: April 21 to October 17, 1969.
RAIN or SHINE
FEE: Only \$12 a month OR \$60 a Term.

If you wish to use the Health Centre facilities, including showers, towel and toiletries, an extra charge of \$8.00 per month will be required.

STREETSVILLE, ONTARIO • TA 6-1098

Letter Writing

Dear Mrs. Williams

Wild birds are facing another hazard, now that winter has gone.

Children in the suburbs have taken up a new kind of sea-shooter, and the newest game is hiding in the bushes in back gardens where birds come to the bird-feeders and trying to hit them with the hard pellets from the sea-shooters.

These youngsters, boys primarily, seem to feel that any small creature that moves and can't strike back is fair game for their stringing marksmanship.

With so many thinking people concerned about conservation and the effects of pesticides on our wildlife...and knowing the sheer joy of hearing the robin and the warbler come back in the Spring...how can parents let their children take up such sadistic pastimes?

Won't mothers please convince the children they'll have more fun and make more noise shooting at tin cans?

Streetsville Review

122nd YEAR, NO. 37

STREETSVILLE'S ONLY LOCALLY-OWNED WEEKLY - 93 Queen St. S.

WEDNESDAY, APRIL 30, 1969

HIGH SCHOOL STUDENTS ATTEND ANNUAL MEETING - The fourth year business class at Streetsville Secondary School attended the annual general meeting of Imperial Oil in the Canadian Room of the Royal York Hotel last Thursday as part of their planned program of visits to business and financial institutions. In this picture T. B. Bryk, the class teacher, (right) talks to (from right to left) Trevor F. Moore, senior vice-president of Imperial, J. A. Armstrong, executive vice-president, and W. O. Tvalta, president.

Following the general meeting of Imperial Oil which was attended by the fourth year business class of Streetsville Secondary School students they had a chat with the president of Imperial, W. O. Tvalta.

an Imperial Oil Photo

Haida inspection May 11

The Annual Inspection of the R.C.S.C.C. Haida will take place Sunday, May 11 at 1:30 p.m. at the Streetsville Arena.

Sea Cadets, Army Cadets and Air Cadets will muster at the Centre Plaza parking lot for the March to the Arena where Capt. (N) T. C. Turner, C.D., the C.O. at H.M.C.S. York will be the Inspecting Officer.

At the Arena the members of Haida will fall in at centre of the ice surface area, and following inspection there will be a march past, and training displays. They will demonstrate rigging, sailing a dinghy, navigation, berthing a ship, communication, first aid, and care of kits, when this is completed Haida Corps will fall - out, and the Tri-Service Cadet Day ceremonies will begin.

The R.C.S.C.C. Scarborough Band will be present. The 1888 Cadet Corps R.C.E. will construct a Bailey bridge. Of interest here is the fact that Town Engineer Bill Hamilton has been a member of this Regiment for quite a number of years.

During this portion of the programme R.C.S.C.C. Haida will present physical training displays; the 283 Squadron Air Cadets will demonstrate the flying of model planes, and K. Co. 2736 Cadet Corps Royal Regiment of Canada will perform a Pioneer Platoon Drill, complete with appropriate pioneer uniforms.

Thank you

After four successful Minstrel Shows and playing before a packed house on the final evening, Saturday, April 26, the Streetsville Lions Club would like to thank everyone who supported this endeavour through attendance and advertising. Your patronage was greatly appreciated. So another great show passes and the Lions are already planning and looking forward to next year.

Don't forget - the Streetsville Lions Club and Police Department Bicycle Roadshow - May 10 - commencing at 9 a.m. at the Streetsville Arena.

Then the Inspecting Officer will make presentations to Haida's - (1) Cadet of the Year (2) Attendance Awards (3) Trophies for high marks in Cadet examination. The ceremonies will come to a conclusion when the R.C.S.C.C. Lion (Hamilton) will present the Sunset Ceremony. After which all these local and visiting cadets will be well fed.

A very successful Brothers Night was held at the April meeting of the Peel Chapter #96 Order of the Eastern Star held at the Masonic Hall, Streetsville.

Raymond C. Tomkins, Worthy Patron, opened and closed the meeting and presided over the initiation assisted by Les Peer, Associate Patron. Mrs. Margaret Auckland and Mrs. Muriel Graham were initiated into Peel Chapter. Guest of honour for the evening was Don Rusing a Past Grand Patron from Delhi who was presented with an Honourary Membership into Peel Chapter by Mr. Tom Emmans, Past Patron. Other guests included Mrs. Pearl McDonald, past Grand Patron and three other Past Grand Patrons, Rev. Wm. J. Province, Rev. Joseph Stewart and Mr. Alex McDonald. Grand Chapter was also represented by Mrs. Don Rusing of the Grand Benevolent Committee and three Past District Deputy Grand Matrons, Mrs. Marie Parker, Mrs. Aileen Trenouth and Mrs. Mary Alpine. Guests also included several Brothers and Members from other Chapters.

The Worthy Matron Mrs. Emmie H. Barker presided over the business portion and presented Mrs. Viola Caves Past Matron with a farewell gift from Peel Chapter. Mrs. Caves has been a member of Peel Chapter for many years and a wonderful worker, but is leaving to reside in Thornbury.

A Crazy Auction was held by Mrs. Emmie Blake and Mrs. Hazel Dalg-

Plans for a new town which will stretch north from Dundas Street almost to Steeles Avenue and from the Credit River into Oakville on the west, were officially unveiled last Friday.

Officials from Streetsville, Mississauga and Oakville with Hon. William Davis, Minister of Education and Hon. Darcy McKeough, Minister of Municipal Affairs, were present to witness a most interesting and complete presentation for a new town which will be made up of seven separate but integrated communities and will include two lakes, a graceful parkway, educational facilities and cable TV in every home, plus jobs for 68,000 people.

Markborough Properties Ltd. will develop the Meadowvale area and Don Mills Developments Ltd. will develop the Erin Mills holdings.

The project will take 15 to 20 years to complete.

Two questions arise - when will the project commence; what will they call the new town.

The first question at the moment can not be answered until some form of Regional government is adopted.

The second question you may want to answer for yourselves.

Mayor Jack Graham had these comments for The Review: "It's the greatest thing that has happened to Streetsville in the last 100 years."

The Mayor explained that all new towns, i.e. Bramalea near Brampton - are planned adjacent to an established community to give identity and character to the new town.

"They (the developers) have to have some nucleus in which to create a town and it would be the easiest course for them to continue to identify it as Streetsville."

About the plans for the new town the mayor comments: "They have demonstrated what planning can do - it shows how we can live according to good planning when developers choose to listen to professional planners."

"We are located right in the centre of a beautiful planning accomplishment. I feel definitely that Streetsville Council should take immediate action in considering the new structure to implement this plan. I hope we'll be invited to participate. We will be willing to vacate our own jurisdiction to become a part of a larger jurisdiction" the Mayor said.

leish followed by a delicious lunch served by Mrs. Bernice Turner and Mrs. Ellen Trevor and their committee.

Library news

On Tuesday morning to Thursday afternoon of last week, Mrs. Ingils was pleased to welcome the kindergarten children of Vista School. The children, accompanied by their teachers, toured the Library. They listened to a story read by Mrs. Ingils. Mothers of some of the children provided the transportation to and from the Library. Each child received an elephant tag as a reminder of Saturday morning Story Time - 10:30 to 11 a.m. for preschool to Grade 1 and 10:30 to 11:30 a.m. for older children.

New books in the Children's Library include -

THE NEW TENANTS; CLUES IN THE WOODS; SIRE UNKNOWN; LAND AND PEOPLE OF PORTUGAL; VIETNAM AND OTHER COUNTRIES OF THE MEKONG;

And for the little ones: SANDMOUSE; THE LITTLE WOOD-EN FARMER; HOW TO READ A RABBIT and many others.

Rummage Sale

A Rummage Sale will be held on Saturday, May 10, 10:00 - 12:00 at Streetsville United Church.

ANOTHER 'FIRST' FOR STREETSVILLE

CORE OF MAMMOTH DEVELOPMENT

He feels this new project is a magnificent thing for the merchants who will have about five years inside track, and good for the residents who will be able to rely on predictable and fixed planning. He also feels the new project will enhance the value of the single residential dwelling in Town and that it (the plan) will do great things for parks. "Nothing can be hurt by this project. We are very fortunate these developers are willing to listen to planners" the Mayor said.

Vic Dale, Chairman of the Planning Board said "It is quite clear that a town must have a core - a town centre - to set up the project."

He feels any change for Streetsville will be a gradual process -

It cannot come about rapidly. He feels Streetsville's Boundary Survey has been an influence to the planners especially plans for park area which are identical to plans in the Boundary Survey.

Transportation via the GO system points in the direction of Streetsville.

About the plans Mr. Dale had this to say: "Because of the virgin land involved, the planners achieved their plans more rapidly than in other areas with established houses and buildings. The program for the new town shows the intelligent use of land bearing in mind our sophisticated area and society taking into consideration our needs and requirements."

The community of Streetsville has a background and history of "firsts" which could give a new town the best background of history in Ontario.

Streetsville was the first settled village in Peel County. The community was part of New Survey in 1819 by T. Ridout surveyor James Glendenning was first settler.

John Barnhart arrived in 1821 and opened a small store.

About the same time Timothy Street, after whom the Town is named, erected a saw and grist mill. He had been granted 1800 acres in return for surveying Peel Halton and Wentworth Counties. In 1825 he moved permanently from St. David's and erected the first brick house in Peel County, overlooking Credit River in 1825.

The first Post Office was opened in 1829 under postmanship of Israel Ransom.

Dr. John Crumley tirelessly worked as community doctor from 1828 - 74.

Streetsville had the first newspaper in Western Ontario when John and Solomon Barnhart started the STREETSVILLE REVIEW in 1846 with Rev. Geo. MacGeorge as editor.

The first County Grammar School was erected in 1851 with Rev. John Davis, Master.

First County Library was incorporated in 1854 as Streetsville Farmers' and Mechanics' Institute, located in John Emberton's Store at the corner of Main and Queen streets.

Dr. John Barnhart served as village Doctor from 1834. He helped to start the Streetsville Review in 1846 and was appointed the first Warden of Peel County in 1867. The Village was incorporated in 1858 with John Street as first Reeve.

Taking part in the presentation "Sleeping Princess Recital" on May 10 at 8:00 p.m. in the Streetsville Secondary School are five of the group in the below recital demonstration - Upper left corner, clockwise, Barbara Shortt, Terrie MacDonald, Susan Liles, Cindy Kirkham and Louise Kirkham. The dance recital is sponsored by the Streetsville Recreation Association. Photo by AL BETTS

Tri-Club dinner enjoyed

The Lionettes, Kinettes and Rotary Anna of Streetsville met together for their annual tri-club dinner on April 22 at the "Tannenhof" in Huttonville.

A get-acquainted hour was enjoyed by all members previous to the dinner.

A warm welcome was extended to everyone by Mrs. Hazel Howell as President of the Rotary Anna who were hosts for the evening. During dinner several draws were made and lucky ticket holders were pleased with gifts received.

After the delicious meal Mrs. Helen Reid introduced the guest speaker, Maxwell G. Moffatt, President of "Moneen Ltd." and a graduate engineer of Trinity College, University of Dublin, Ireland.

A man of many talents, Mr. Moffatt gave an informal talk called "The Story of Michael" in reality his own boyhood in Ireland; of how his friend "Michael McGlavin" taught him to appreciate the miracles of nature and to later apply them to life.

Among his many accomplishments was the creation of the "Science Pavilion" for the Festival of Britain in 1966. He also had the honour of working with the renowned "Frank Lloyd Wright" a brilliant architect. As a lover of theatre and music he performed the lead roll in an Irish

To speak to UCW

Streetsville United Church Women will hold a General Meeting at 8 p.m. Tuesday, May 6. Special speaker will be Patricia Clarke, Acting Editor of "The Observer" who will speak about her experiences as a delegate to the World Council of Churches Assembly in Sweden.

All churches are invited to participate in this Ecumenical Night.

Festival winners

Adrian Lazenby, 13 Shady Lawn, won second place in the Toronto Conservatory Arietta, winning a silver medal. Adrian who is a pupil of Mrs. P. Dimitroff has completed grade 7.

Another pupil of Mrs. Dimitroff, Janet Lewis who won a gold medal in singing will sing again at the Peel Music Festival being held Saturday evening, May 3 at Huron Park.

HMS Pinafore

Grades 7 and 8 of St. Joseph School Senior Choir and Drama Club are presenting "H.M.S. Pinafore" by Gilbert & Sullivan at Trinity Anglican Church Hall on May 8 and 9. Curtain time will be 7:30 p.m. and tickets are \$1.00 for adults and 50 cents for children.

Under the direction of Peggi McNeill of the Streetsville Recreation Association, the Sailor's Hornpipe group are preparing for their presentation in the "Sleeping Princess Recital" which will take place on May 10 at 8 p.m. in the Streetsville Secondary School. Photo by AL BETTS

Saturday, May 3 is the date for the Dawn to Dusk Miles for Millions Walkathon. The walkers will hit the road at 7 a.m. starting and finishing at St. Mary's Auditorium in

Brampton.

If you wish to take part in the walk or if you would rather sponsor a walker, forms are available at the Streetsville Public Library.

V.O.N. NEWS

The regular meeting of
the Peel Branch of the
V.O.N. was held Mon-
day, April 21 at South
Peel Hospital. Twelve
members and Nurse
Lois McElheron were
present along with Miss
Mataford from V.O.N.
head office. President
Howard Stewart pre-
sided.

Following a recent
time study, it was dis-
covered that over 60%
of the V.O.N. time on
duty is spent in the pa-
tient's home, the rest is
spent in travelling,
office routine and hospi-
tal programmes.

Visits in Peel have in-
creased by almost 100
in March with 809 pa-
tients visited.

Any person requiring
home nursing visits
should contact the Vic-
torian Order of Nurses
at either South Peel or
Peel Memorial Hospi-
tals.

STREETSVILLE KINSMEN DANCE "KIN CARABANA" JUNE 14
Streetsville ARENA

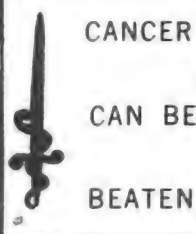

With the co-operation and help of the local citizens of Streetsville the Canadian Cancer Society slogan "Cancer Can Be Beaten" is closer to reality. The canvassers have topped last year's record, however, if any donors have been missed during the month they can still make their donation by calling Mrs. F. R. Walker at 279-3761. An attractive window display on behalf of the Cancer Society was in the Streetsville Pharmacy for the month of April.

PHOTO BY AL BETTS

FREEDOM SOUND MAKE COMEBACK - April 11 and 18 saw the first local appearance of THE FREEDOM SOUND, a local rock group of Port Credit and Gordon Graydon Secondary Schools. These are the first local appearances of the group since its reorganization. Other appearances have included Hart House and The Town and Country Restaurant in Toronto. The Freedom Sound was one of the Best Teenage groups in the area last year. A change of personnel and weeks of rehearsal has produced, once again, a solid instrumental show. A 5-part vocal show rounds out the new Freedom Sound. Many of the 800 teenagers in attendance at Port Credit Secondary School said the new group was even better than the previous one. This was echoed last Friday night at Gordon Graydon where the gym was packed with some 600 teens. Personnel of The Freedom Sound are Ernie Ripco on lead guitar; Graham Wilkinson on rhythm guitar; Doug Pepino on bass guitar; Bill McLean on organ and Bill Millar on drums.

Manager of the group is Don J. Mountford. The Freedom Sound is planning a tour to the east coast this summer, an upcoming appearance on the CBC's "Sunday Morning" show on Channel 6 as well as numerous other appearances in and around Ontario. The group is available for bookings through D. J. Productions, 7 Brule Terrace, Suite 3, Toronto 3. Telephone - 769-7816. Photo by McCracken

Provincial Court

Robert Hannah, 24, wanted to phone his wife and could not find a pay telephone on Lakeshore Road. So he reached through the window of a nearby dwelling and made his phone call, breaking the window in the process. He was fined \$25 and ordered to pay for the damage to the window, which came to \$2.00.

Luigi Passarelli, 27, pleaded guilty to stilling four brake drums from his place of employment. The drums were valued at \$48. This was the first and only time the accused had strayed, his lawyer told the court. A fine of \$75 was imposed.

PEEL COUNTY BOARD OF EDUCATION CALENDAR OF EVENTS

GALA VARIETY CONCERT TO BE HELD IN BRAMALEA

A program of Bach to rock, jazz, vocal with instrumental numbers by more than 60 young area musicians will be given May 5 with a donation to Big Brothers of Brampton-Bramalea association.

The young guitarists, accordionists and pianists are students at the Lloyd LaVaux School of Music in Malton. The variety concert will be held at the Clark Boulevard Public School, 201 Clark Boulevard, Bramalea with curtain time at 7 p.m. During intermission a voluntary collection will be taken and presented to a representative of the Big Brother organization.

Among participating musicians will be Canadian Accordion Teachers' Association competition winners Diane Miller of Brampton and Ian Baird of Malton. Diane and Ian, with Chris Hinkman of Malton, will represent the school this week in the accordion section of the Peel Music Festival. Hosi Patel of Malton, formerly of Bombay, will be vocalist for Mr. LaVaux's arrangement of "Greater Love

Hath Mo Man."

The students in making the contribution, will be assisting in the work of the Big Brothers of Brampton -

Bramalea. The organization, formed early in 1967, provides assistance, guidance and counselling to accepted fatherless boys, a Little

Brother, by an adult male, a Big Brother. The teacher of the students, Lloyd LaVaux, accordion virtuoso and entertainer.

participated in the Peel County United Appeal concert sponsored by Big Brothers of Brampton - Bramalea in Brampton last October.

THE CORPORATION OF THE TOWN OF MISSISSAUGA PUBLIC NOTICE

TAKE NOTICE THAT:

1. The Council of the Corporation of the Town of Mississauga intends to construct as a local improvement the works described in Schedule 'A' below and intends to specially assess a part of the cost upon the land abutting directly upon the work.
2. The estimated cost of the work is \$82,700.00 of which \$38,450.00 is to be charged against the rateable property in the Town of Mississauga Sewer Area, described below in Schedule 'B'. The estimated cost per foot frontage is \$5.00. The estimated annual rate per foot frontage is \$0.528. The estimated cost of each residential drain connection is \$21.13. The special assessment is to be paid in twenty (20) equal annual instalments.
3. Application will be made by the Corporation to the Ontario Municipal Board for its approval of the undertaking of the work and any owner may within twenty-one (21) days after the first publication of this notice file with the Clerk his objection to the work being undertaken.
4. The Board may approve of the work being undertaken, but before doing so it may appoint a time and place when any objections to the work will be considered.

DATED AT MISSISSAUGA this 23rd day of April 1969.

HENRY E. STEWART,
DEPUTY-CLERK,
THE TOWN OF MISSISSAUGA,
MUNICIPAL OFFICES,
100 DUNDAS STREET WEST,
MISSISSAUGA, ONTARIO.

SCHEDULE 'A'

A 10" diameter sanitary sewer on Donnavale Drive from King Street to Rudar Road, a distance of 630 feet at a total estimated cost of \$14,300.00.

A 10" diameter sanitary sewer on Rudar Road from Cliff Road to 160' west of Donnavale Road, a distance of 650 feet at a total estimated cost of \$12,500.00.

A 10" diameter sanitary sewer on Genevieve Drive from the north limit to Daphne Avenue, a distance of 1,350 feet at a total estimated cost of \$36,300.00.

A 10" diameter sanitary sewer on Foley Road from 90' west of Genevieve Drive to Edenhurst Drive, a distance of 290 feet at a total estimated cost of \$8,000.00.

A 10" diameter sanitary sewer on Daphne Avenue from Edenhurst Drive to 100' east of Genevieve Drive, a distance of 380 feet at a total estimated cost of \$11,600.00.

SCHEDULE 'B'

NOTE: The lands described in Schedule 'A' to By-law 7478 being the lands forming the Town of Mississauga Sewer Area are set out below:

Schedule 'A' to By-law No. 7478
DESCRIPTION OF TOWN OF MISSISSAUGA SEWER AREA
(SEPTEMBER 1968)

ALL AND SINGULAR that certain parcel or tract of land and premises situate, lying and being in the Town of Mississauga (formerly the Township of Toronto), County of Peel and Province of Ontario and which said parcel may be more particularly described as follows:

COMMENCING at the intersection of the water's edge of Lake Ontario with the centreline of the allowance for road between the Town of Mississauga and the Town of Oakville;

THENCE in a northwesterly direction along the said centreline of the road allowance between the Town of Mississauga and the Town of Oakville, being along the southwesterly limit of the said Town of Mississauga across the allowance for road between Concessions 3 and 4, South of Dundas Street; the allowance for road between Concessions 2 and 3, South of Dundas Street; the allowance for road between Concessions 1 and 2, South of Dundas Street, in all a distance of 21,350 feet more or less to its intersection with the northwesterly limit of the original allowance for Dundas Street;

THENCE northeasterly along the said northwesterly limit of the original allowance for Dundas Street 6,660 feet more or less to its intersection with the production southeasterly of the northeasterly limit of the proposed allowance for Southdown Road, being the southwesterly limit of that part of Lot 1, Range 1, North of Dundas Street, in the Racey Tract, owned by The Board of Education for the Town of Mississauga;

THENCE north 46 degrees 27 minutes 40 seconds west along the said southwesterly limit of the lands of The Board of Education for the Town of Mississauga, 1400 feet more or less to the most westerly angle of the said lands of The Board of Education for the Town of Mississauga;

THENCE north 43 degrees 32 minutes 20 seconds east 660.36 feet to the most northerly angle of the said lands of The Board of Education for the Town of Mississauga, being a point in the existing division line between Lots 1 and 2, Range 1, North of Dundas Street, Racey Tract;

THENCE south 46 degrees 05 minutes 30 seconds east along the said division line between Lots 1 and 2, a distance of 230.52 feet to an angle in the limit of the said lands of The Board of Education for the Town of Mississauga;

THENCE south 46 degrees 53 minutes 10 seconds east continuing along the said division line 461.19 feet to a further angle in the limit of the said lands of The Board of Education for the Town of Mississauga;

THENCE south 39 degrees 19 minutes 50 seconds west 183.35 feet to a further angle in the limit of the said lands of The Board of Education for the Town of Mississauga;

THENCE south 46 degrees 40 minutes east 395.74 feet to a further angle in the limit of the said lands of The Board of Education for the Town of Mississauga;

THENCE south 40 degrees 06 minutes 30 seconds west 322.16 feet to a further angle in the limit of the said lands of The Board of Education for the Town of Mississauga;

THENCE south 45 degrees 17 minutes 20 seconds east 267 feet more or less to where the same is intersected by the northwesterly limit of the original allowance for Dundas Street;

THENCE northeasterly along the said northwesterly limit of the original allowance for Dundas Street to where the same is intersected by the centreline of the Credit River;

THENCE in a general northwesterly direction upstream along the said centreline of the Credit River in all its windings to where the same is intersected by the southeasterly limit of the right-of-way easement lands of The Hydro-Electric Power Commission of Ontario

in Lot 4, Range 4, North of Dundas Street, Credit Indian Reserve;

THENCE in a general northeasterly direction along the said southwesterly limit of the right-of-way easement lands of The Hydro-Elec-

tric Power Commission of Ontario, across part of Lot 4, Lot 5, and part of Lot 6, Range 4, North of Dundas Street, Credit Indian Reserve; across the right-of-way lands of the Canadian Pacific Railway; continuing across part of Lot 6 and Part of Lot 7, Range 4, North of Dundas Street, Credit Indian Reserve; across the allowance for road between Ranges 4 and 5, North of Dundas Street, Credit Indian Reserve (McConnell Road); across part of Lot 7 and part of Lot 8, Range 5, North of Dundas Street, Credit Indian Reserve; across a road confirmed by Justices in Session, May 3, 1836 (Creditview Road); continuing across part of Lot 8, Range 5, North of Dundas Street, Credit Indian Reserve across the unopened allowance for road along the east side of the Credit Indian Reserve; across Lots 23, 22 and 21, Concession 2, North of Dundas Street; across the allowance for road between Lots 20 and 21, Concession 2, North of Dundas Street (Mavis Road); across Lots 20, 19, 18, 17 and 16, Concession 2, North of Dundas Street; across The King's Highway Number 10 (Hurontario Street); and across Lots 15, 14, 13, 12 and 11, Concession 2, North of Dundas Street, in all its irregularities 24,130 feet more or less to where the same is intersected by the southwesterly limit of the allowance for road between Lots 10 and 11, Concession 2, North of Dundas Street;

THENCE northwesterly along the last mentioned southwesterly limit 2,639 feet more or less to where the same is intersected by the southeasterly limit of Base Line Road East, according to Municipal Survey Number 844;

THENCE southwesterly along the last mentioned southeasterly limit to where the same is intersected by the production southeasterly of the southwesterly limit of the allowance for road between Concessions 1 and 2, East of Hurontario Street (First Line East);

THENCE northwesterly to and along the said southwesterly limit of the allowance for road between Concessions 1 and 2, East of Hurontario Street (First Line East) to the most northerly angle of Lot 5, Concession 1, East of Hurontario Street;

THENCE northwesterly in a straight line across the allowance for road between Lots 5 and 6 (Britannia Road east) to the most easterly angle of Lot 6, Concession 1, East of Hurontario Street;

THENCE northwesterly continuing along the southwesterly limit of the allowance for road between Concessions 1 and 2, East of Hurontario Street (First Line East) to the most northerly angle of Lot 7, Concession 1, East of Hurontario Street;

Letters to the Editor

Mrs. Williams,
The Review.

Dear Madam:
re "HOMEBREW" TV
PRODUCTIONS

So-called "Mickey - Mouse" Television productions such as student - produced programmes and Community Antenna Television programming are becoming "thorns in the sides" of some professional people. I believe that there is an admirable attempt being made by persons putting their video-tape recorders and TV cameras where others have their mouths.

The experimental programming going on in the Clarkson area is a fine example of truly Community Information to the people in the area. Two such programmes have been recorded, and, as I understood from the Park Royal people, appreciated and accepted as it was intended - a local programme for and by local people.

It is by no means the intention, nor the belief that these programmes are to be compared with ETVO or META, let alone the good commercial programmes, but as a purely LOCAL "of the people - for the people and by the people". Of course it is understood that educational television, in order to have a proper impact, and total validity must be professionally researched, produced, directed, and above all with technical operations at a level equal to the very best available.

SPRING SWING A HUGE SUCCESS

The Spring Swing is all over, but it is still in the memories of about two hundred members and guests of the FOUR CORNERS SQUARE Dance Club. The Club's fifteenth annual spring dance was a supreme success. Angus McKinnon and his Scotts Canadiana kept the dancers happy with a variety of tunes as Bert Everett called such gay dances as Never on Sunday, Venus and Mars, Dip and Dive, Duck for the Oyster, the Gay Gordons and many more.

A vote of congratulations must be given to Alex Woods and his decorating committee. The hall never looked nicer and a tremendous amount of work had been put into transforming the room into a beautiful spring scene. On entering the room through a white arbor covered with colourful flowers, one found himself in a room full of spring flowers and dimmed lights. Huge paper flowers, lambs, flower boxes and vases of enormous artificial flowers or busy willows and flower pots hanging from the lights transformed the plain walls. Real pots of spring flowers lined the stage and were later given as door prizes.

Two three-foot plants were on either side of the orchestra and a plastic garbage van, and Dolls but a few of full of evergreens and pussy willows added still more to the spring scene. Of course, swings were also in evidence. Two of the

However, in recent years developments have been made in electronic equipment, such as the video tape recorders, many quite as simple to operate as an ordinary audio tape recorder, although I must add that the MAJORITY of home audio tape recorder owners are only knowledgeable in a very small degree with their "oride and joy" because it is only a part of their inventory of electronic collections. Professional use of this equipment would soon show up the actual problems that confront those in the BROADCAST INDUSTRY. What may seem "good enough" for the amateur - owner - operator might prove to be quite unacceptable to the general public. Nevertheless it is better, in my opinion, to do it than to keep on talking about doing it, whatever

It is, if the quality needs improving it will be even if by elimination, one of those who cannot update and improve.

A professional television crew has the great advantage of working with costly, intricate equipment, and have earned their positions as cameramen, audio-men, researcher, technical and programme producers, etc. through long, hard study and practical experience, often over many years. The "Mickey-mouse" TV producers should be encouraged to "have-a-go", and, I am sure, will find the answers to the questions, if necessary by trial and error. It is my belief that "motivation through PARTICIPATION is EDUCATION".

More power to you "mickey-mouse" producers, and good luck!

Al van Haften

Remember the Centennial Train that took square dancers across Canada, coast to coast on a fabulous journey of fun and friendship? Well it seems that was just the beginning of an epidemic of travelling - and who knows where it will stop. This summer, Centennial-Plus-Two is planning at least two trips; one to Moncton, N.B. where to tie in with

Canusa Games July 18-20, a huge square dance festival will invite visitors from all over Canada and the U.S.

Then there's a bus trip for Centennial-plus-Two, to travel across Canada to the Calgary Stampede, stopping overnight for rest, sight-seeing and dancing with host clubs at various places, spending several days around Calgary with side trips to Banff, Bob and Jane Jaffray, Peterborough, directors of this trip say it's open to all dancers. The Centennial - Plus group, founded on the original 350 dancers on the centennial trail, has grown and now is open to all square dancers.

Many dancers from Mississauga and New Toronto area accompanied their caller Bill and Barbara Cooper, Cookville, to Cobourg April 12 to take part in a square dance festival. A record crowd danced in two halls that were decorated to resemble flower gardens with wishing well's flowers climbing up trellises, and other reminders of spring. Neil and Shirley Cane and their Swingin' Squares Club were hosts Bob Jaffray and Bill Cooper were Visiting Callers.

Of the hundreds of square dancers in southern Ontario, there must be few, indeed, who haven't danced to the calling of popular young Norm Wilcox of Brampton. Norm who has called for many clubs in the U.S. and Canada, was a feature caller for the Toronto Square Dance Convention last year, and is regular caller for Circle B Club in Bramalea. Congratulations to Norm and Nina who have welcomed a baby boy (David) to their family.

VON Meet May 8 & 9

The Victorian Order of Nurses for Canada will hold its 71st annual meeting in Ottawa on May 8 and 9. The theme for the meeting will be Planning - Preparation for Action. Reuben Baetz, Executive Director, C.V.C. will be a guest speaker. A highlight of the meeting will be a tour of the National Arts Centre.

A Letter From Home

By a Member of the
Mississauga Historical Society

Dear Ruth:

Leigh, Lynn, and the children have just left to go to their home in Merriln, and the house is quiet again; so I thought this would be a good time to write your letter.

It was so nice to see them again, and my goodness, the children have grown. Kim is in Grade six, Christine in Grade four, Janet in Grade three, Valerie in Grade 1, Randy will start kindergarten in September, wee Robert will then hold the fort!

Kim, Christine, and Janet sing in the choir now. Christine will be singing in a duet next Sunday. They are enjoying life in the small town. Speaking of small town choirs reminds me of a story of years ago. Sometimes, after choir practise, the choir of St. John's Dixie would be invited to my Grandmother Belford's home in Cooksville. Grandpa had one of those old recording Gramophones with the big horn -

you've seen pictures of them. The choir would sing and Uncle Sid would record it, then play it back for them to hear. Well, it must have been something, because my aunts have told me it was a riot. If we just had some of those old records now eh? they would sound quite different from our music of today, I would imagine.

And speaking of music, I'm enclosing a picture of the Cooksville Band of years ago, they are marching along Dundas Street toward the Fair grounds, no doubt practising for the Big Day!

Cooksville had a fair years ago which was more popular than the Toronto Exhibition. A special train would bring the folks from Toronto, and pull onto a siding up the Centre Road (Huronario) at about 8 o'clock in the morning. They would be met by Cooksville's Brass Band, this band would lead the way and the people would follow

down Centre Road to the Four Corners and thence westerly to the Big Gates of THE FAIR! So you see even in those days they had "marches". And Papa said all the local folks would watch the marchers from the side lines - men in their bowler hats, women with big hats decorated with flowers and feathers, and little girls with wide sashes, boys in "Fauntelroy" suits nodding and waving at friends as they passed. In my early days the train was no longer necessary, since folks had cars instead, all the school children of the area, carrying flags and singing patriotic songs, marched to the fairgrounds, and then the fair would begin. Oh, incidentally, children who marched got in free!

Fair Day was a big day for Grandma Belford. Once again she would have to get around early in order to get her chickens plucked and in the pot for chicken and dumplings. The fire in the big kitchen stove at the old Crofton Villa (Sheppard Place), would be crackling away as the bread, buns, tarts, pies and apple dumplings baked and simmered in the big oven - all must be ready for the hungry Fair visitors, who would be ready and eager to eat at 12 o'clock. How the laughter would ring in that old house, as friends and cousins teased and kidded each other, there was so much to talk about and in such a short time - because all must get back to the Fair again - (horse racing took place in the afternoon, well now, not quite all would be back to the Fair, Grandma didn't go, she had dishes to wash, and more food to prepare, meat to get ready, because all those friendly, lovable, people would be back for supper. No one

went away hungry from Grandma's place. The Toronto folks had a long way to go and the train didn't leave until 8 o'clock at night. Oh yes, the Band would lead the people to the train. Now wasn't that a friendly way to treat visitors to our town?

Recently, while I was on duty at our Museum, The Bradley House, a visitor, on seeing the name Belford, asked me if there was any connection here to the Belford's who farmed in Cooksville years ago. When I told her they were my grandparents, she recalled those tables that my grandmother prepared, just "groaning" with good. Her father, she stated, had been a storekeeper and had bought produce from Grandma Belford. The cucumbers would be loose in the big wagon, and she, as a little girl, recalled helping her father count them. She said her father remarked many times on the honesty of "Mr. Belford".

Uncle Sydney had a dog they called

"Burnie". He would help Uncle Sid deliver the milk and buttermilk to villagers. Lard pails were used for milk in those days. Burnie would take the handle in his mouth and take the pail to the person named and leave on the door-step. One day Grandmother said, "Sydney, I'm one pail short, where is it? Uncle Sid said, "Burnie where did you leave the pail?" Burnie hesitated but a moment then was off like a shot, down under the Cooksville bridge, where he and Uncle Sid had stopped earlier to watch the flooding waters. The pail was there, and Burnie was the "gully" one. He always helped Uncle Sydney fill the woodbox, after school. He would pick up the morning paper for Grandpa - The Mail and Empire. One morning, the postmaster gave him the "Globe" as the other papers were late, and besides a dog couldn't know the difference. As Burnie trotted along the walk, he met Mr. Morley. Every one knew Burnie. Seeing

the Globe paper, and knowing how "seriously" Lurnie took his politics, Mr. Morley said, "Burnie, what will the Boss say when he sees that Grit paper? I'm surprised at you". This was too much for Burnie, he dropped the paper, and tore it into shreds and left it scattered on the walk then

to shut the door. Burnie would be told to "shut the door" and how

When Grandma called the men to dinner with the dinner bell, Burnie would race for the house, and by jumping up and hitting the latch with his paw, he could always had a spot at the table. If someone forgot

From you Mother.

NOTICE OF APPLICATION BY THE CORPORATION OF THE TOWN OF MISSISSAUGA TO DISPENSE WITH A VOTE OF THE ELECTORS

TAKE NOTICE THAT:

1. The Council of the Corporation of the Town of Mississauga intends to apply to the Ontario Municipal Board for approval of the works referred to in Schedule 'A' hereto, at an estimated cost in respect of each work as shown in such schedule and that the sum of \$25,000.00, shall be raised by the sale of debentures payable out of the general rate over a period not exceeding 10 years.
2. Application will be made to the Ontario Municipal Board for an order to dispense with the assent of the electors to the undertaking of the said works, any ratepayer may, within twenty-one days after the first publication of this notice, send by post prepaid to the Clerk of the Town of Mississauga, at the address given below, a notice in writing stating his objection to such approval and the grounds of such objection.
3. The Ontario Municipal Board may order pursuant to the statute that the assent of the electors shall not be required and may approve of the said works, but before doing so it may appoint a time and place for a public hearing when any objections will be considered.

DATED at the Town of Mississauga this 23 day of April, 1969.

H. E. Stewart,
Deputy-Clerk,
Town of Mississauga,
Municipal Offices,
100 Dundas Street West,
MISSISSAUGA, Ontario.

SCHEDULE 'A'

The reconstruction of Confederation Parkway from Western Avenue to a point 150 feet south of Floradale Drive (the construction of storm sewers, excavation, grading of the sub-base, applying granular material, the removal of existing driveway culverts, construction of curb and gutter and asphalt paving and a 5 foot wide concrete sidewalk located on the east side of Confederation Parkway.)

Total Cost \$50,000.00

by IRENE GABON

A combined investment of \$1.7 billion dollars by two developers, Markborough Properties Limited and Don Mills Developments Limited, will produce in the next 15-20 years, a "new urban life-style" that is planned for people.

Plans for the developments which will be called Erin Mills and Meadowvale, and which will be integrated at a later date, border on Mississauga Road to the East; Ninth Line in Oakville to the west; Steeles Avenue to the north; and the Dundas Highway to the south, were outlined by planners at a special presentation at the Seaway Towers Motor Hotel, last Friday, April 25.

Elected representatives and senior officials from Mississauga, Streetsville and Oakville were present at the meeting. Hon. William Davis, Minister of Education, and Hon. Darcy McKeough, Minister of Municipal Affairs were also in attendance, as well as representatives from both public and separate school boards in Peel-Halton counties. Meadowvale and Erin Mills will be built on 9,000 acres of adjoining lands in the towns of Mississauga, Streetsville and Oakville. Their ultimate combined population will be some 200,000 people.

Since most of the property in the development lies in the Town of Mississauga, it was necessary to reach agreements with Town officials. H. Peter Langer, Vice-President, Operations, of Markborough, hastened to add that "without the tremendous co-operation and assistance of Mayor Speck, the council of Mississauga, its staff and in particular its Treasurer and Chief Administrative Officer, M. D. Henderson, these development agreements would still be in the negotiating stage."

Other major factors enabling the developments to proceed have been the recent commitment of the Ontario Water Resources Commission, to construct a sewer and water system from Lake Ontario, to serve the area, plus the conformation with the official plan of the Metro Toronto Planning Area.

Development of Meadowvale

The agreements reached provide that the developers will build this "region" in stages, starting first with Meadowvale. The 2,300 acres lie astride Highway 401, intersecting at Mississauga Road, extends into Streetsville

on the east and Oakville on the west. The first building stage will be divided into three parts, to be called Meadowvale South, Meadowvale West and Meadowvale North, respectively.

MEADOWVALE SOUTH - located south and east of Mississauga Road - 401 interchange. This development will contain industrial development and housing. Since its boundaries stretch into the Town of Streetsville (which will serve as the Town centre) the developers believe that Streetsville's history and tradition will be an attractive counterpoint to the boldness of Meadowvale's design. There is sufficient space allowed for both public and separate schools, as well as for community parks.

MEADOWVALE WEST - 827 acres located south of Derry Road, between 5th Line West and Winston Churchill Boulevard.

Consisting mainly of low density residential developments, ranging from detached homes to high-rise apartments. There will be extensive town centres, with integrated housing and shopping, commercial, recreational, cultural and social amenities. MEADOWVALE NORTH - extending north of Highway 401 interchange well beyond Derry Road.

The last of these areas to be developed will be Meadowvale North. The emphasis here, will be on apartments and new types of cluster housing. The Town centre will be set around a 25 acre lake.

DWELLINGS

Based on an estimated 3.6 persons per dwelling unit, the ultimate population of Meadowvale is expected to be around 70,000 people. It will take 12 to 15 years to complete Meadowvale. During the first 6 years, an average of 1,100 dwellings will be built annually. During the latter stages of development this will increase to about 1,600 to 2,000 dwellings a year. 19,000 dwelling units will be built in total. 19% will be single-family detached, semi-detached and attached garden court homes. 46% will be town houses

and terraced multiple family homes (quite similar to Habitat). 35% will be apartments. All housing, whether it is new or conventional, will be within easy walking distance of schools, parks and shopping centres. Walkways will be predominant, in safe scenic patterns. Neighbourhood streets will be short and winding. As the demand arises, condominium housing will be provided.

Meadowvale's housing will be designed for everybody; single, couples, large and small families, and for senior citizens regardless of age or income.

Accessibility

Meadowvale has been designed to allow for the easy and rapid flow of people and goods in and out of the community. It sits astride Highway 401, the major free-way route from Windsor - Detroit to Montreal and Quebec City and the backbone of Canada's greatest urban transportation corridor. The community is close to Highways 7, Queen Elizabeth, Highways 10

and 27 and the proposed Highway 403, which will provide alternate expressway connections to Toronto and Hamilton.

The design of Meadowvale ensures that the road pattern will amply accommodate expected traffic volumes, eliminating congestion and hazards and provide a basis for road widening and relocations and intersection design. The main C.P. rail line cuts through Meadowvale lands in a north-west direction towards Guelph, London and Windsor. A GO Station in Meadowvale is just as logical.

Parks Rec. & Open Space

A maximum use of natural assets within the community boundaries will be stressed here. Approximately 5.3 acres per 1,000 population (double Mississauga's needs) will be reserved. The parks will range from small to large featuring swimming pools, tennis courts, bicycling and riding trails, picnic facilities, golf courses and a small lake. Walkways will follow drainage patterns slop-

ing toward the Credit Valley. Multi-purpose recreation centres will be close to or will be part of the town centres, featuring every athletic and social-cultural interest. Larger parks will be maintained in their natural state to provide both active and passive forms of recreation. In Meadowvale North, a small existing spring-fed lake will be tripled in size by a dam.

TOWN CENTRES

All paths in Meadowvale will lead to the Town Centres, to draw the community to its downtown cores and to communicate the spirit of the community among the greatest number of its residents.

The Town Centre in Meadowvale North will occupy 47 acres and will accommodate a hotel among its facilities. In Meadowvale West, the Centre will occupy a 40 acre site, which will house retail, entertainment and commercial enterprises ranging from boutiques to cinemas to supermarkets. Provision has been made in the centres for churches, libraries, auditoriums and rec-

reaction complexes. Each centre will be related in design and will function to the needs of the community.

INDUSTRY

Because of its transportation advantages, by car, rail and air, Meadowvale will grow into the largest location of industry in Ontario.

The Credit Valley will service all of the industry's water and sewage disposal needs. The presence of industry will secure the stability of the community's economy, with employment opportunities equal to about 75% of Meadowvale's working population. Meadowvale South, the proposed community's principal industrial area, is one of the largest in the Metro area ever to be developed by a single owner.

Four hundred acres or 17 per cent of Meadowvale's land area will be devoted to industrial - commercial purposes.

Elementary schools in Meadowvale will be adjacent to parks, connected to the neighbourhood by pedestrian walks which will give safe and easy access to the children's homes.

Fourteen junior public schools, senior public schools, three secondary schools and three separate schools are planned for Meadowvale. There will also be day care centres for pre-schoolers. Erindale College in Mississauga south, will service the community's needs at the University level through its regular program and its extension courses.

A publicly - endowed 100 acre botanical garden will be established in the Credit Valley, just east of Meadowvale North. The whole community will be serviced by cable television providing resources for educational enrichment as well as entertainment.

In all its aspects, one might say that Meadowvale is "Planning for People".

THREE IN ONE - Meadowvale, with a projected population of 70,000 on the northwest flank of Metro Toronto, will be three complementary communities in one. At the lower left of the model is Meadowvale West, with its town centre adjacent to Winston Churchill Boulevard; to the

right below Highway 401 is Meadowvale South, with its landscaped industrial belt on both sides of the Mississauga Road interchange; above 401 is Meadowvale North, with its town centre just east of Mississauga Road.

DEV. OF ERIN MILLS NEW TOWN WITH MAN-MADE LAKES

Following many years of land assembly and close liaison with municipal and provincial authorities, Don Mills Developments and Markborough Properties Limited, are planning to move ahead in the spring of 1970 with their balanced diversified communities.

Of the two developments, Erin Mills New Town, as it will be called, will be the larger of the two, with a population expected to be around 130,000 people on more than 6,500 acres.

Provisions in the Mississauga official Plan have been approved by the Minister of Municipal Affairs, in 1961, and agreements with the Metro Planning Area, the OWRC, and Oakville have been reached enabling the project to go ahead.

Every aspect in planning was covered by A. E. Diamond, president of Don Mills Developments Limited; J. H. Daniels, architect, and vice-president of Don Mills Developments Limited; Eli Comay, Comay Planning Consultants Ltd.; Professor James A. Murray, of the University of Toronto, an architect and town planner; John R. Bousfield, formerly Planning Director of Scarborough.

DEVELOPMENT OF ERIN MILLS NEW TOWN

New Town will incorporate four communities: Erin Mills South, Erin Mills Centre, Erin Mills Ridge and Erin Mills West.

Erin Mills Centre will feature a man-made lake and a forested Central Park and will be the heart of the new town. Other features will include a 90-acre regional shopping centre, a 50-acre office campus, hotel and entertainment facilities, a transit centre, a site for proposed regional government, library, art gallery, museum, a large medical campus, a concert shell and sports stadium. Residential settings for some 53,000 people will surround this downtown complex.

Strong links between community and neighbourhood parks will be developed on nearly 1000 acres of land and will connect throughout the entire development area.

The four communities will be linked by a network of major and minor roads. A north-south 6 1/2 mile long boulevard called Erin Mills Parkway will connect with the major east-west roads and transportation routes from Highway 401 at the north

to the Q.E. Way in the south.

The first stage of development will centre around Erin Mills South bounded by Highway 5, Winston Churchill Boulevard, future Highway 403 and the Credit River, will total about 2,350 acres and will have an estimated population of 43,000. The Town Centre complex will be initiated as early as possible.

The project will take between 15-20 years to complete.

Employment Opportunities

About 40,000 people will be employed in Erin Mills, with concentration at the town centre and in the major industrial parks and commercial centres. The resident labour force in Erin Mills will be about 60,000 to 65,000 persons but there will be a sizeable amount of cross-commuting to nearby Mississauga and into Metro. Two-fifths of the jobs will be industrial; about 30 percent will be commercial and office workers, and about one-quarter will be in community services and other employment.

SHOPPING

Small convenience shops, neighbourhood shopping centres of up to 50,000 square feet shopping centres will serve the Erin Mills community.

A regional shopping centre will be located at the Town Centre, and will be situated on a 90-acre site, with over one million square feet of space. Its design will allow for three major department stores and parking for over 6,000 cars. Some specialized shopping facilities will also be incorporated in the structure of the office campus and the hotel - entertainment complex. Three areas designated for highway commercial use, where large automotive establishments and other merchandising operations requiring large free-standing sites will be developed. These will be established in conjunction with industrial districts and will be accommodated without impairing the amenities of the surrounding areas. Service stations will be built at specific locations related to road and land use patterns and will be subject to design restrictions. Retail floor space in Erin Mills will be about three million square feet.

Education & Institutions

From elementary school right through to the University level, Erin Mills developers have planned for the systematic establishment of integrated school campuses throughout their new community. Six educational campuses with different mixes of school plant are proposed including a technical and vocational school. These will be integrated with large community parks and shopping facilities. For pre-schoolers, the planners have placed the junior elementary schools within safe and convenient walking distance of its pupils. At the University level, Erindale College located in the south-east

part of the Erin Mills area, has an ultimate capacity of perhaps 15,000 students. (Its present enrolment is 5000.)

A library will be located at the Town Centre with complete regional reference material, and will have branch libraries at each community sub-centre. A grouping of churches of different denominations on 5-6 acre greens in the Town Centre and provision for individual church sites in other areas.

An art gallery and museum will be located at the north end of Central Park, and a major hospital campus just south of Streetsville on Thomas Street.

Mr. Comay feels that Erin Mills will provide an appropriate location for a regional government complex to serve the Peel-Halton areas. A 25-acre site has been set aside, overlooking Central Park and Lake Quentimon for this purpose.

Educational television will play an important part in this development. It will be located at the Erin Mills South school campus and the head end of the commercial cable will have a two-way connection to the main distribution centre. Two-way links will be provided from this point to service Erindale College, the 600 bed town hospital and the technical high school and the proposed regional government centre. One-way cable links will be fed to each of the public and separate schools in the town and each library and each church.

And that's Erin Mills - a corridor of urbanization, extending northward from an existing urbanized base, defined by rural open space to the west, and north by a broad river valley to the east. Erin Mills Centre, the heart of the new community, central town facilities surrounded by a tightly knit residential complex of 50,000 persons. Community shopping centre, with social, cultural and recreational facilities. Churches, educational campuses and extensive parkland. Schools at the neighbourhood level. A TV network linking all dwellings to the educational system and to major institutions. Libraries, parks and employment opportunities. The main elements all contribute to the main concern of the design concept: the quality of living in the town, the livability of every dwelling. Single, semi, terraced, off the ground garden apartments or high rise apartments in horizontal multilevels and mixed multilevels.

You name it and ERIN MILLS has it!

EATONS, AIR CANADA SOME OF MAJOR SHAREHOLDERS IN MARKBOROUGH PROPERTIES LTD.

Markborough is a publicly-owned Canadian company primarily involved in prime residential, commercial and industrial development.

Over 20 of the nations leading financial institutions and business enterprises are among the company's major shareholders. Eatons and Air Canada, the Aluminum Company of Canada, Bank of Nova Scotia, Greenfields Incorporated, Gulf Oil of Canada, Industrial Life Assurance Company, A. E. LePage Limited, George Wim-

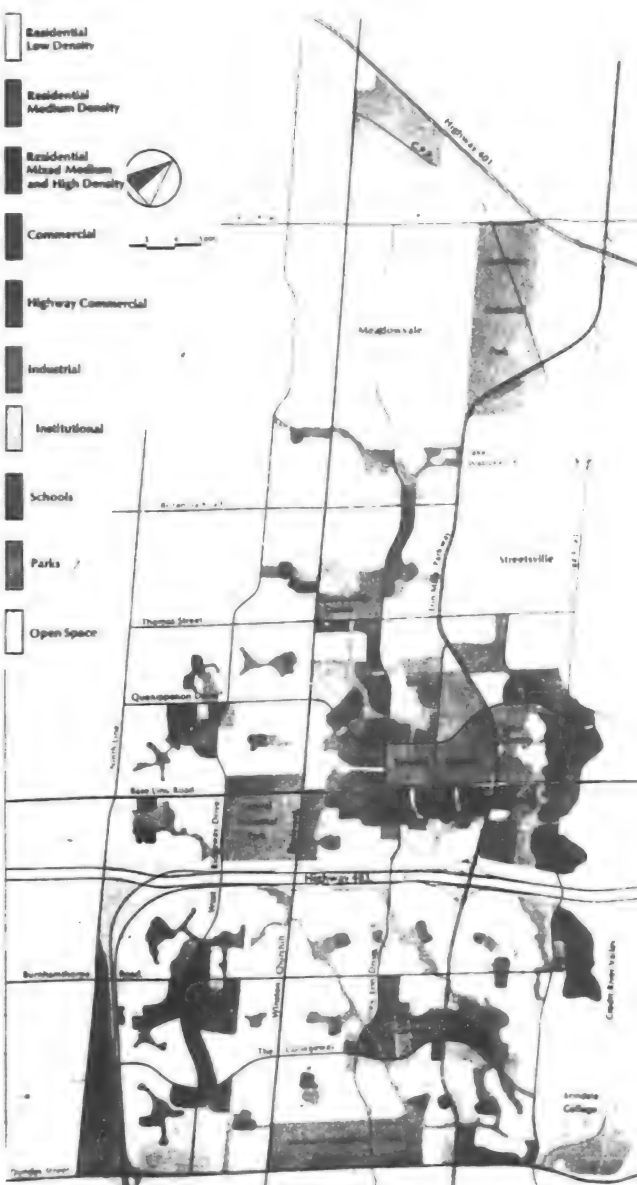

pey Canada Limited, are but some of its major shareholders. Since its inception in August 1965, over 2100

shareholders have invested in the company. At the end of 1966, Regina totalled about the company's total \$30 million. In February 1969, its assets had risen to \$52 million - a 73 percent increase.

TOWN OF MISSISSAUGA ENGINEERING & WORKS DEPARTMENT

CONTRACT P.N. 124-68

TENDERS FOR SANITARY SEWERS

Sealed Tenders, submitted in the tender envelope provided, will be received by the Clerk on behalf of the Council of the Corporation of the Town of Mississauga until 12:00 o'clock noon E.D.S.T.

FRIDAY, May 9, 1969.

for the construction of approximately 4500 linear feet of 10" diameter concrete pipe sanitary sewer and appurtenances on Broadmoor Avenue, Crestview Avenue, Radley Road, Glenview Drive, Oakes Drive, in the Town of Mississauga.

To be opened at a Public Tender Opening on Friday, May 9, 1969, at 2:00 p.m.

Contract documents, specifications, tender envelope and blank Form of Tender may be obtained from the Engineering and Works Department, 3185 Mavis Road, Mississauga, on payment of \$10.00 which is not refundable. They may also be viewed at the office of the Metropolitan Toronto Sewer and Watermain Association, 165 Cartwright Avenue, Toronto 19.

Each tender must be accompanied by a marked cheque in the amount of \$3,500.00.

Lowest or any tender not necessarily accepted.

D. G. McAlpine, P.A. R.W. Speck, Mayor G. Lummiss, Clerk W. J. Anderson, Town Engineer #4062

THE CORPORATION OF THE TOWN OF MISSISSAUGA PUBLIC NOTICE

TAKE NOTICE THAT.

1. The Council of the Corporation of the Town of Mississauga intends to construct as a local improvement the works described in Schedule 'A' below and intends to specially assess a part of the cost upon the land abutting directly upon the work.
2. The estimated cost of the work is \$26,900.00 of which \$18,630.00 is to be charged against all the rateable property in the Town of Mississauga Sewer Area, described below in Schedule 'B'. The estimated cost per foot frontage is \$5.00. The estimated annual rate per foot frontage is \$0.528. The estimated cost of each residential drain connection is \$200.00. The estimated annual cost of each residential drain connection is \$21.13. The special assessment is to be paid in twenty (20) equal annual instalments.
3. Application will be made by the Corporation to the Ontario Municipal Board for its approval of the undertaking of the work and any owner may within twenty-one (21) days after the first publication of this notice file with the Clerk his objection to the work being undertaken.
4. The Board may approve of the work being undertaken but before doing so it may appoint a time and place when any objections to the work will be considered.

DATED AT MISSISSAUGA this 23 day of April, 1969.

HENRY E. STEWART, Deputy-Clerk,
The Town of Mississauga,
Municipal Offices,
100 Dundas Street West,
MISSISSAUGA, Ontario.

SCHEDULE 'A'

A 10" diameter sanitary sewer on the South Service Road from Crestview Avenue to 1100' west of Crestview Avenue, a distance of 1100 feet at a total estimated cost of \$16,500.00.

A 10" diameter sanitary sewer on the South Service Road from Trotwood Avenue to 185' east of Trotwood Avenue, a distance of 190' at a total estimated cost of \$3,000.00.

A 10" diameter sanitary sewer on Crestview Avenue from Radley Road to the South Service Road, a distance of 360 feet at a total estimated cost of \$7,400.00.

SCHEDULE 'B'

NOTE: The lands described in Schedule 'A' to By-law 7478 being the lands forming the Town of Mississauga Sewer Area are set out below:

Schedule 'A' to By-law No. 7478

DESCRIPTION OF TOWN OF MISSISSAUGA SEWER AREA
(SEPTEMBER 1968)

ALL AND SINGULAR that certain parcel or tract of land and premises situate, lying and being in the Town of Mississauga (formerly the Township of Toronto), County of Peel and Province of Ontario and which said parcel may be more particularly described as follows:

COMMENCING at the intersection of the water's edge of Lake Ontario with the centreline of the allowance for road between the Town of Mississauga and the Town of Oakville;

THENCE in a northerly direction along the said centreline of the road allowance between the Town of Mississauga and the Town of Oakville, being along the southwesterly limit of the said Town of Mississauga across the allowance for road between Concessions 3 and 4, South of Dundas Street; the allowance for road between Concessions 2 and 3, South of Dundas Street; the allowance for road between Concessions 1 and 2, South of Dundas Street, in all a distance of 21,350 feet more or less to its intersection with the northwesterly limit of the original allowance for Dundas Street;

THENCE northerly along the said northwesterly limit of the original allowance for Dundas Street 6,660 feet more or less to its intersection with the production southeasterly of the northerly limit of the proposed allowance for Southdown Road, being the southwesterly limit of that part of Lot 1, Range 1, North of Dundas Street, in the Racey Tract, owned by The Board of Education for the Town of Mississauga;

THENCE north 46 degrees 27 minutes 40 seconds west along the southwesterly limit of the lands of The Board of Education for the Town of Mississauga, 1400 feet more or less to the most westerly angle of the said lands of The Board of Education for the Town of Mississauga;

THENCE north 43 degrees 32 minutes 20 seconds east 660.36 feet to the most northerly angle of the said lands of The Board of Education for the Town of Mississauga, being a point in the existing division line between Lots 1 and 2, Range 1, North of Dundas Street, Racey Tract;

THENCE south 46 degrees 05 minutes 50 seconds east along the said division line between Lots 1 and 2, a distance of 230.52 feet to an angle in the limit of the said lands of The Board of Education for the Town of Mississauga;

THENCE south 46 degrees 53 minutes 10 seconds east continuing along the said division line 461.19 feet to a further angle in the limit of the said lands of The Board of Education for the Town of Mississauga;

THENCE south 39 degrees 19 minutes 50 seconds west 183.35 feet to a further angle in the limit of the said lands of The Board of Education for the Town of Mississauga;

THENCE south 46 degrees 40 minutes east 395.74 feet to a further angle in the limit of the said lands of The Board of Education for the Town of Mississauga;

THENCE south 40 degrees 06 minutes 30 seconds west 322.16 feet to a further angle in the limit of the said lands of The Board of Education for the Town of Mississauga;

THENCE south 45 degrees 17 minutes 20 seconds east 267 feet more or less to where the same is intersected by the northwesterly limit of the original allowance for Dundas Street;

THENCE northerly along the said northwesterly limit of the original allowance for Dundas Street to where the same is intersected by the centreline of the Credit River;

THENCE in a general northerly direction upstream along the said centreline of the Credit River in all its windings to where the same is intersected by the southeasterly limit of the right-of-way easement lands of The Hydro-Electric Power Commission of Ontario in Lot 4, Range 4, North of Dundas Street, Credit Indian Reserve;

THENCE in a general northerly direction along the said southeasterly limit of the right-of-way easement lands of The Hydro-Electric Power Commission of Ontario, across part of Lot 4, Lot 5, and part of Lot 6, Range 4, North of Dundas Street, Credit Indian Reserve; across the right-of-way lands of the Canadian Pacific Railway; continuing across part of Lot 6 and part of Lot 7, Range 4, North of Dundas Street, Credit Indian Reserve; across the allowance for road between Ranges 4 and 5, North of Dundas Street, Credit Indian Reserve (McConnell Road); across part of Lot 7 and part of Lot 8, Range 5, North of Dundas Street, Credit Indian Reserve; across a road confirmed by Jus-

tices in Session, May 3, 1836 (Creditview Road); continuing across part of Lot 8, Range 5, North of Dundas Street, Credit Indian Reserve; across the unopened allowance for road along the east side of the Credit Indian Reserve; across Lots 23, 22 and 21, Concession 2, North of Dundas Street; across the allowance for road between Lots 20 and 21 Concession 2, North of Dundas Street (Mavis Road); across Lots 20, 19, 18, 17 and 16, Concession 2, North of Dundas Street; across The King's Highway Number 10 (Hurontario Street); and across Lots 15, 14, 13, 12 and 11, Concession 2, North of Dundas Street, in all its irregularities 24,130 feet more or less to where the same is intersected by the southwesterly limit of the allowance for road between Lots 10 and 11, Concession 2, North of Dundas Street;

THENCE northwesterly along the last mentioned southwesterly limit 2,639 feet more or less to where the same is intersected by the southeasterly limit of Base Line Road East, according to Municipal Survey Number 844;

THENCE southwesterly along the last mentioned southeasterly limit to where the same is intersected by the production southeasterly of the southwesterly limit of the allowance for road between Concessions 1 and 2, East of Hurontario Street (First Line East);

THENCE northwesterly to and along the said southwesterly limit of the allowance for road between Concessions 1 and 2, East of Hurontario Street (First Line East) to the most northerly angle of Lot 5, Concession 1, East of Hurontario Street;

THENCE northwesterly in a straight line across the allowance for road between Lots 5 and 6 (Britannia Road East) to the most easterly angle of Lot 6, Concession 1, East of Hurontario Street;

THENCE northwesterly continuing along the southwesterly limit of the allowance for road between Concessions 1 and 2, East of Hurontario Street (First Line East) to the most northerly angle of Lot 7, Concession 1, East of Hurontario Street;

THENCE northerly in a straight line across the allowance for road between Concessions 1 and 2, East of Hurontario Street (First Line East) to the most westerly angle of Lot 7, Concession 2, East of Hurontario Street;

THENCE in a general northerly direction along the division line between Lots 7 and 8, Concession 2, East of Hurontario Street to the most northerly angle of Lot 7, Concession 2, East of Hurontario Street;

THENCE northerly in a straight line across the allowance for road between Concessions 2 and 3, East of Hurontario Street (Second Line East) to the most westerly angle of Lot 7, Concession 3, East of Hurontario Street;

THENCE in a general northerly direction along the division line between Lots 7 and 8, Concession 3, East of Hurontario Street to the most northerly angle of Lot 7, Concession 3, East of Hurontario Street;

THENCE northerly in a straight line across the allowance for road between Concessions 3 and 4, East of Hurontario Street (Dixie Road) to the most westerly angle of Lot 7, Concession 4, East of Hurontario Street;

THENCE northwesterly along the northerly limit of Dixie Road aforesaid to its intersection with the limit between the northwesterly and southeasterly halves of Lot 8, Concession 4, East of Hurontario Street;

THENCE in a general northerly direction along the said division line between the northwesterly and southeasterly halves of Lot 8, Concession 4, East of Hurontario Street to its intersection with the northwesterly limit of the said Lot 8, Concession 4, East of Hurontario Street;

THENCE northwesterly along the southwesterly limit of the allowance for road between Concessions 4 and 5, East of Hurontario Street and its production northwesterly to where the same is intersected by the production southwesterly of the northwesterly limit of Derry Road East as widened;

THENCE northerly to and along the said northwesterly limit of Derry Road East 4,000 feet more or less to where the same is intersected by a line drawn parallel to and distant 500 feet measured at right angles southwesterly from the southwesterly limit of the allowance for road between Concessions 5 and 6, East of Hurontario Street (Torbarn Road);

THENCE northwesterly along the last mentioned line drawn parallel through Lots 11 and 12, Concession 5, East of Hurontario Street, 3900 feet more or less to where the same is intersected by the division line between Lots 12 and 13, Concession 5, East of Hurontario Street;

THENCE southwesterly along the said division line between Lots 12 and 13, Concession 5, East of Hurontario Street, 1,708 feet more or less to an angle therein;

THENCE southeasterly continuing along the said division line between Lots 12 and 13, Concession 5, East of Hurontario Street, 36.50 feet more or less to a further angle therein;

THENCE southwesterly continuing along the said division line between Lots 12 and 13, Concession 5, East of Hurontario Street, 809.70 feet more or less to its intersection with the southwesterly limit of the lands described in Instrument Number 179223, Township of Toronto;

THENCE northwesterly along the last mentioned southwesterly limit 1081.69 feet more or less to the most westerly angle of the said lands described in Instrument Number 179223;

THENCE southwesterly along the production southwesterly of the northwesterly limit of the said lands described in Instrument Number 179223, a distance of 1454 feet more or less to its intersection with the southwesterly limit of the allowance for road between Concessions 4 and 5, East of Hurontario Street (Bramalea Road);

THENCE northwesterly along the said southwesterly limit of Bramalea Road, 3820 feet more or less to its intersection with the southerly limit of the right-of-way lands of the Canadian National Railways;

THENCE westerly along the said southerly limit of the right-of-way lands of the Canadian National Railways, 1980 feet more or less to its intersection with the centreline of the allowance for road between the Town of Mississauga and the Township of Chinguacousy (Steeles Avenue East);

THENCE northerly along the said centreline of Steeles Avenue East and being along the northwesterly limit of the Town of Mississauga, 10,900 feet more or less to its intersection with the centreline of the allowance for road between Concessions 6 and 7, East of Hurontario Street (Airport Road);

THENCE northerly continuing along the said centreline of Steeles Avenue East and being along the northwesterly limit of the Town of Mississauga to where the same is intersected by the Indian Line, being the limit between the Town of Mississauga and the Township of Vaughan;

THENCE southeasterly along the said Indian Line, being along the limit between the Town of Mississauga and the Township of Vaughan and continuing along the limit between the Borough of Vaughan and continuing along the limit between the Borough of Etobicoke and the Town of Mississauga, to its intersection with the centreline of Base Line Road East, as defined by Municipal Survey Number 844;

THENCE southwesterly along the said centreline of Base Line Road East and continuing along the limit between the Borough of Etobicoke and the Town of Mississauga to its intersection with the centreline of the Etobicoke Creek;

THENCE in a general southeasterly direction downstream along the said centreline of the Etobicoke Creek in all its windings to where the same is intersected by the water's edge of Lake Ontario;

THENCE in a general southwesterly direction along the water's edge of Lake Ontario in all its windings to the point of commencement.

EXCEPTING thereout and therefrom all those parts of Lots 4, and 5, Concession 3, South of Dundas Street, annexed by The Corporation of the Village of Long Branch (now the Borough of Etobicoke) and FURTHER EXCEPTING thereout and therefrom the Town of Port Credit.

#4063 A23.30

Sheridan College News

Students Contribute Bursary

Sheridan College Student Senate has set up a bursary fund in honour of one of the teaching masters at the school, Ray McAfee.

Mr. McAfee, a teacher in the business division has been very active in the two years since Sheridan opened as athletic coordinator for hockey, soccer, basketball, volleyball and other sports.

Mr. McAfee also helped organize the Student Senate elections last fall, and has worked closely with students

on other projects as well.

The teacher has his B. Com. and C.A. degrees, and spent almost 10 years as a partner in a chartered accountancy firm, graduated from OCE with an accountant specialty and taught in North York. He is married and has five children, and has just been appointed to the Vaughan Township Recreation Commission.

The bursary fund will consist of a minimum of five per cent of the activity fees of students

who attend Sheridan at the Brampton Campus, and will be available only to students who attend at that campus.

The letter to Mr. McAfee from Bryan Frank Student Senate President, said "We have done so because we do not know of any better way to repay you for the services you have rendered to students at Sheridan, and - because of the help you have given and the interest you have shown in the welfare of the students at Sheridan College."

Grave mistakes made says planner

Much of our environment has suffered from too rapid change and development, and we've made 'grave mistakes' charged Martin Dake,

Chief of the Planning Department of Project Planners Associates, Toronto, in an address at Sheridan College last Wednesday.

Mr. Dake who came to speak to the municipal government class in place of scheduled speaker Mack Hancock, said a planner's biggest problem was obtaining community involvement. Unless planners discuss every part of their planning with whoever will listen, both the quality of the planning and public's acceptance of the end result, will suffer.

Mr. Dake criticized persons who wait until things happen, then point the finger at those doing them to say they are wrong.

He has little patience with people who knock planners' work after the fact, when they allowed urban sprawl and metropolitan blight to happen, themselves. Particularly when they saw it coming and failed to do anything.

He said the mistaken idea that growth in any form was healthy, had led to the existence of communities where jobs and money were plentiful, but where schools were bad, services poor, and the economic situation hopeless - i.e., there was no money for municipal work. Controlled growth is the key, he said.

Mr. Dake said the new emphasis on regional thinking could not but help planners, who think of the 'community' as a whole entity, not fragmented into rural or urban areas but encompassing real estate, sociological factors, economic needs and the human needs of people.

He warned that continued lack of planning could result in sociological upheavals and expensive urban renewal problems such as face the major cities in the U.S.

"We're letting it happen," said the chief of planning projects.

Speaking to the same group Wednesday night was Mrs. Nance Horwood, warden of Peel County, who outlined the parliamentary procedures in council meetings.

The 6 - week course concludes April 30 with a double-barrelled program featuring William Henry Palmer, Deputy Minister of Municipal Affairs who will address students and present diplomas to them. He is slated to speak on

Local Government in Ontario: Its Future and Yours.

On the same program a four-person panel will discuss participation in local government. Panel members are Mrs. K. G. Thomson of the University Women's Club,

Brampton; Frank Drea of the Telegram's Action Line; Rev. K. Wool-

lard, head of communications for the United Church of Canada and NDP candidate last year and Morris Smith, solicitor of the Town of Brampton.

Sheridan in "Showcase '69"

Sheridan College will be putting a careers booth into the Jaycees sponsored "Showcase '69" to be held in Oakville Arena, May 8, 9 and 10.

A special rear-screen projector will show slides of activities at the college, plus programs being offered, when the college sets up shop, in Booth 18 at the Arena.

This is the first time Sheridan has entered a Jaycees Showcase, although it is the third

annual exhibition that group has put on.

The show is open to the public Thursday and Friday evenings, May 8 and 9, between 7 and 11 p.m. and all day Saturday, May 10 from 10 a.m. to 10 p.m.

The first Showcase was held in 1967, when 45 exhibitors showed up, in Booth 18 at the Arena. Last year's show had 68 exhibitors and an attendance of 9,500. The percentage increase is expected to be surpassed this year.

Will be responsible for extension program

John M. Porter, president of Sheridan College, has announced the appointment of Burton A. Bonnell as Assistant Director of Extension for the college.

Mr. Bonnell, a mathematician and mechanical technology teacher since Sheridan opened two years ago, will be responsible specifically for extension programs in Halton from the new Oakville campus scheduled to open this fall on Trafalgar Road.

With his technological background, Mr. Bonnell also plans to overlap on the technical side supervising courses at Brampton in these subjects as well. He will be responsible to the Director of Extension, Don Hamilton.

Mr. Bonnell's office is currently at the Sheridan School of Design campus, 1460 South Sheridan Way, Port Credit, where he can be contacted at 274-3685 re proposed extension programs for fall. Mr. Hamilton remains at the Brampton campus.

Mr. Bonnell graduated with his engineering degree from the University of Toronto in 1958, is 35, married to a registered nurse, and has two children.

Photo Contest at Pioneer Village

The Metropolitan Toronto and Region Conservation Authority is sponsoring its 8th annual photo contest - in conjunction with the Spring re-opening of Black Creek Pioneer Village, Jane Street and Steeles Avenue.

The competition is open to amateur photographers and will be held between May and December. The pre-Confederation community provides camera enthusiasts with a broad and unique range of subjects, both indoor and outdoor. Prizes will be awarded the winning entries in

both black and white prints and color slides. Entries must be received by the Authority's offices, c/o P.O. Box #720, Woodbridge, by September 2, 1969, and winners will be notified by mail on or before October 14.

Persons wishing additional information about the MTRCA's photo contest may obtain same by contacting the Authority's offices at 889-5425.

GARY FORD

ATHLETE OF THE WEEK

Streetsville's "Athlete of the Week" hasn't engaged in an athletic competition in Streetsville for a few years but he still makes his home in the area. The Hockey News, International hockey weekly credits Gary Ford of Meadowvale of being the top player in the International Hockey League finals even though he played for the losers - the Muskegon Mohawks.

Gary has made quite a name for himself playing in Muskegon. In his first year he led the league in scoring, won the rookie of the year award and was named on the all-star team at centre. This past winter shadowed throughout the season like they watch Bobby Hull in the NHL and switched to left wing, he still came up with forty-two goals and led his team again with no less than 102 points.

Gary moved up from the Meadowvale minor hockey teams, through Brampton and Weston Junior B's before signing for Muskegon (where Carl Brewer was one of his team-mates). His professional rights are owned by Detroit Red Wings and with two very successful seasons at Muskegon behind him, Gary hopes to move up in the Detroit system next winter.

Gary Ford won the "Hugh Tait" Courtney Memorial trophy in 1959, the first year it was presented for the outstanding player in the pee-wee division of the TTHL. The same trophy was again won by a Streetsville area boy in Streetsville's last year in the TTHL (now the Mississauga Hockey League.) Mike Goheen won the trophy in 1968 playing for the Streetsville pee-wees.

SWIMMING

Can you swim almost 200 lengths of a full sized swimming pool without stopping? This past weekend at the Alderwood Swimming Pool in Etobicoke several Streetsville area youngsters did this as their contribution to earn money for the Canadian Amateur Swimming Association. Rod Eisele, 13, Colin Bowman, 10, Christine Davis, 10, Tricia Cook, 10, Ross Eisele, 9, Scott Bowman, 9, and Michael Davis, 7, swam in the C.A.S.A.'s Swim-a-thon. This was phase one of a four-year plan designed to raise money in order to send a strong Canadian Swimming team to the '72 Olympics. These seven young swimmers are to be heartily congratulated for among them they swam 16 miles and earned a total of \$1108.02.

The money raised also indicates the progressive attitude of those citizens of the Streetsville area who sponsored the swimmers. Perhaps a little of this willingness to become involved physically and financially could be a good example to some of our other Olympic teams to plan ahead.

LACROSSE

The Streetsville Kinmen still have room for more lacrosse players in their summer program. The Kinmen are setting up a registration booth at the arena this Saturday from 10 a.m. till 12 noon. Any boy aged 6 to 13 who would like to play but who hasn't signed up yet can take advantage of this extra registration opportunity. The Kinmen have almost enough boys signed up for two complete house-leagues.

This year's executive includes chief convenor Bob Jones, and a capable executive which includes Cliff Armstrong, Earl Lavelle, Bob Holmes, and Bill Walker.

BASEBALL

At least two boys baseball teams will represent Streetsville this summer. The Bantam team which will be sponsored by The REVIEW and be known as the "Newsboys" held their first practice Saturday. The team is having a short work-out at 7 p.m. tonight (Wednesday) weather permitting, and another practice next Saturday at 10 a.m. All boys 13 and 14 (and turned 15 since January 1) are welcome to come and work out with this team. It will not be necessary to sign up to get into the first few practices and the boys can decide after a couple of practices if they would like to play.

There will also be a pee-wee team whose sponsor will be announced shortly. If there is sufficient interest there will be teams for the 9 and 10 year old boys and also a midget team. Boys in these age divisions who wish to play hardball should also come to the baseball diamond Saturday morning at the bantam practice and express your interest to Ross Goheen who will be there with the bantam team, or to Charlie Mullally (who is managing the pee-wee team.)

So if you are keen about playing, be sure to let these men know Saturday as YOU may be the deciding factor whether or not there is a baseball team for your age group. Registrations will likely be \$5.00 this year.

SOCCER

LUSITANIA CLUB

The Lusitania Soccer Club has started its series of Sunday afternoon exhibition games at Streetsville's soccer pitch. Last summer some of the best teams around came in to play against the local club. Director Larry Sousa is, again this year, lining up games for most Sundays with the kick off time set at 4 p.m. In last Sunday's game the Lusitanians lost 4-2 to a strong Toronto club, the Union Micalense. George Pinto and Tony Leonardi scored for Streetsville.

MINOR SOCCER

Two brothers each having his own business, are sponsoring two of the five boys' soccer teams that are organized to play for Streetsville this year. Dave Wilcox proprietor of Wilcox Renta-a-Truck and Rick Wilcox who operates Wilcox Truck Bodies Ltd. have decided to sponsor one team each. The five local teams are practising at the park already and director Ben Petersen says a sixth team, a Junior "A" team may be playing out of Streetsville this summer.

HIGH SCHOOL TRACK & FIELD

In a few weeks the Mississauga area schools track and field championships will be held. Before the final meet most schools hold their own individual meet. A few schools have come up with another type of competition that adds interest to the track season and has the added advantage that it is not subject to the whims of the weatherman who can't be depended on so much of the track season. The competition is the indoor track meet.

Now hold on! Before you start worrying that the board of Education is now erecting field houses to add to the education tax burden, hear the rest of the story. The interschool competitions are held right in the halls and gymnasiums after school is out.

Streetsville high school held two invitational meets recently and won both of them, serving notice that they will have to be reckoned with in the championships. Events are those which can be held on a hardwood floor - sprints, hurdles, high jump and shot put. The shot puts used are soft versions loaded with lead to the same weights as the original steel shots. In a three school meet last week Streetsville bested Lorne Park and Port Credit. Then on Monday after school Streetsville again came out on top in competition with T. L. Kennedy, Westwood, Bramalea and Central Peel.

Coach John Tutty limited each athlete to one event to allow a maximum number of boys to compete. Six boys won their event in both meets. Hugh Preston won the senior mile both times and Stu Wright won the senior 2-lap race twice. A "lap" in this meet is one time around the quadrangle halls, a distance of about a quarter-mile. Chris Leppan won the senior 70 yard dash in each meet.

David Munday was best for the juniors, winning the mile twice. Two bantams were two-time winners, Bob Stanley in the 2-lap race and Bob Chadala in the 70 yard hurdles.

ONT. FIELD HOCKEY ASSOCIATION LEAGUE DIVISION 2

Ookpik 4 Mississauga 0

To the casual observer there would be nothing unusual about the score. After all, there were other games played on Saturday resulting in 4-0 results.

However for Field Hockey in Ontario this was a very significant game.

It was the first League game for Mississauga and the average age of the team was 15. Most of the boys had represented the PROVINCE in the YOUNG ONTARIO team last year and won the Canadian Junior Championship title at their first attempt.

Playing without their star centre forward, Boyd Scott who is suffering from a foot injury, Mississauga began in fine style and soon had the Ookpik penned in their own half of the field.

In the first half Mississauga forced four short corners but were unable to capitalize on any of them.

Alan Hignell made a fine solo run down the left wing but was foiled at the last minute by Marius Moolenburgh the right back for Ookpik and one of the most experienced players in Ontario.

Five minutes before half time Ookpik gained a short corner and A. Swart put a blistering shot over Peter Donkine's shoulder, giving him no chance.

At half time the score was Mississauga 0, Ookpik 1. In the second half the greater experience of Ookpik began to show and C. Clapp, a clever centre forward from Holland, scored 3 fine goals, all from short corners. This was the first hat trick of the season in Ontario.

The Mississauga boys never lost their composure under the relentless Ookpik pressure.

"I know Cancer can be beaten"

Mr. Archie Hall, Agincourt, Ontario.

Cancer can be beaten. Your dollars are needed now to continue the battle. Give hope a boost. When a volunteer calls, be generous.

CANADIAN CANCER SOCIETY

NETTING FOR SALMON

During a recent week-end several small funnel-shaped nets were staked in the Credit River at Erindale to ascertain whether or not the many recently-planted coho smolt were heading downstream to Lake Ontario and also to assess just what proportion of them are successfully moving to the lake.

Already over 90,000 coho smolt have been stocked in the Credit River from Streetsville to Inglewood. Within an hour and a half after the nets were set six smolt were caught in one of them. The nearest salmon planting to the net site was three miles upstream so it is evident that the young salmon were moving downstream. Some are already in Lake Ontario for the din netters and anglers are catching them.

Although there is no season or creel limit on coho, it would be appreciated if dip netters and anglers would throw their fish back or next year when they and give them a chance to mature. After all it is 13 pounds.

Photo News

Even though the television camera is on them the tots of Park Royal Co-operative Nursery School carry on in their usual manner. Clarkson Cable Television and Al van Hatten, C.T.W.S. are co-operating on this venture which can be seen this Thursday night on T.V. AL BETTS Photo

A MAN WITH A PURPOSE

Pictured in the studio until May 6 is two photos in front of his gallery and standing before his two personally favourite paintings is Justin de Santos, Canadian, Artist and Gallery owner.

His dream and ambition is to bring Original art to the suburbs of West Toronto, and to exhibit Original Canadian artists.

He also features art shows from other nations, one exhibit at his John Richmond, pre-

sently working on prints of old Toronto to be published at a later date, former teacher at Ontario College of Art.

Ron Bolt, president of Society of Canadian Artists, has several shows in Toronto and American cities.

Hans Zander, staff of Toronto Star Weekly and formerly Ontario College of Art.

Justin de Santos, graduate Ontario College of Art, and a member of the Ontario Society of Artists.

These are only some of the artists featured at the De Santos Gallery, located at 5132 Dundas E. Kipling in Islington and is open 2:00 p.m. to 8:00 p.m. and Justin will be happy to see anybody interested in Original Art.

Girl of the Week

Glenna Pickell who lives at 3236 Valmarie Avenue, Mississauga, has been selected as "Girl of the Week."

In grade 10 at Erindale Secondary School,

Glenna is undecided as to which career to follow - an airline hostess or possibly a veterinarian.

She moved from Edmonton just a year ago and her hobbies are horseback riding, and sketching. She works as a Candy

Striper at South Peel Hospital. Her likes are puppies and soccer. STEVE MOORE Photo

ROTARIANS

At a recent meeting of the Cookville-Dixie Rotary Club the guest speaker was Art Kennedy, General Manager of the Public Utilities Commission for the Town of Mississauga.

Mr. Kennedy explained how the scope of the Commission has grown and the important part that the availability of water has played in the continual growth of this area.

It is just taken granted by most people that an adequate supply of good clean water is available whenever it is needed, and yet it was not until 1931 that the first water mains were laid between Port Credit and Lakeview.

In 1951 a line was installed, running 13 miles up to Malton to provide the A. V. Roe Company with service. During the past five years service has been extended to the Bramalea and Brampton areas. This fact speaks well for the manner that the Commission has planned to keep pace with the increasing growth of the County.

Another important fact is the Commission has an equity of about 70% in all their capital assets.

Did you realize that the Commission serves over 135,000 people including Brampton?

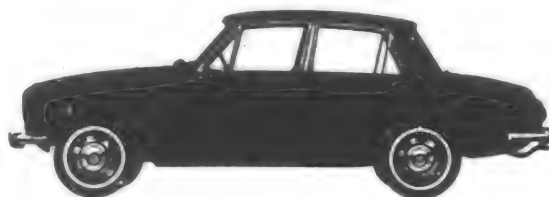

This very interesting speaker was introduced by Rotarian Harry Pridgeon and thanked by Bob Watson.

Earl Swyer Doctor of Chiropractic, of Cookville recently attended a post graduate course on Power Communication. This seminar, sponsored by the Ontario Chiropractic Association, was conducted by Dr. Graham Rockley of Prospect Heights, Illinois, founder of the Rockley Research Academy.

The seminar was concerned with the neurology of chiropractic theory and the development of better understanding between doctor and patient. Recent studies show that patients are searching for doctors with deeper communications and understanding of their health problems. Over one hundred chiropractors took advantage of the opportunity to hear Dr. Rockley. The meetings, held on April 25, 26 and 27, at the Park Plaza Hotel in Toronto, were attended by chiropractic receptionists and students also.

The guest lecturer, Dr. Rockley, was recently cited in the Congressional Record in the U.S.A.

Bahr Auto Sales, Cookville, at an official opening this week are showing the new Toyota and Isuzu cars. Above, the Isuzu Bellett 1500, which has been on the market here for more than three years now, and has been fitted with a re-engineered suspension designed to absorb the winter-raised havoc on Canadian roads. The Isuzu Bellett 1500 also has a new 4-speed all-synchro mesh transmission, and claims great economy of operation.

O.P.P. NEWS

INJURY ACCIDENT #5 HIGHWAY

On Friday, April 25 at 5.30 p.m. an accident occurred on Highway #5 at Southdown Road in the intersection. William Davidson, age 41 of 2394 Pyramid Drive, Clarkson, driver, was treated at South Peel Hospital for facial lacerations. Carson Watson, age 63 of Uxbridge, the driver of the other car, was charged with disobeying a red traffic signal.

Prov. Const. John Burgess of OPP Port Credit Detachment estimated the damage to both vehicles to be \$1400.00.

DISABLED TRANSPORT CAUSES ACCIDENT

On Friday, April 25 at approximately 6.10 a.m. on Highway 401, about 1 mile east of Highway 10 a transport truck operated by Robert Generaux, age 29 of 57 Hilldale Road, Toronto, struck the rear of another truck. This truck was stopped on the driving lane, and had been driven by Donald Hillis, age 20 of Owen Sound. No injuries occurred but property damage was estimated at \$1700.00 by Prov. Const. K. Hancher of OPP Port Credit. Hillis was charged with not having flares placed 100 feet to the rear of a disabled commercial vehicle.

STUDDERED TIRES - Have you been driving this past winter with studded tires on your car? If so, here's a reminder about the laws governing the use of studded tires in Ontario. Studded tires are permitted on motor vehicles from October 1 to April 30 - if you still have studded tires on your car, replace them with standard tires by April 30. It is illegal to drive a car equipped with studded tires after April 30.

SIGNALS PREVENT ACCIDENTS - Motorists! When you're driving and decide to slow down, stop or change lanes, always signal your intentions and help yourself and others avoid accidents. Signals help prevent accidents.

THE CORPORATION OF THE TOWN OF MISSISSAUGA PUBLIC NOTICE

TAKE NOTICE THAT.

1. The Council of the Corporation of the Town of Mississauga intends to construct as a local improvement the works described in Schedule 'A' below and intends to specially assess a part of the cost upon the land abutting directly upon the work.
2. The estimated cost of the work is \$26,900.00 of which \$18,630.00 is to be charged against all the rateable property in the Town of Mississauga Sewer Area, described below in Schedule 'B'. The estimated cost per foot frontage is \$5.00. The estimated annual rate per foot frontage is \$0.528. The estimated cost of each residential drain connection is \$200.00. The estimated annual cost of each residential drain connection is \$21.13. The special assessment is to be paid in twenty (20) equal annual instalments.
3. Application will be made by the Corporation to the Ontario Municipal Board for its approval of the undertaking of the work and any owner may within twenty-one (21) days after the first publication of this notice file with the Clerk his objection to the work being undertaken.
4. The Board may approve of the work being undertaken but before doing so it may appoint a time and place when any objections to the work will be considered.

DATED AT MISSISSAUGA this 23 day of April, 1969.

HENRY E. STEWART, Deputy-Clerk,
The Town of Mississauga,
Municipal Offices,
100 Dundas Street West,
MISSISSAUGA, Ontario.

SCHEDULE 'A'

A 10" diameter sanitary sewer on the South Service Road from Crestview Avenue to 1100' west of Crestview Avenue, a distance of 1100 feet at a total estimated cost of \$16,500.00.

A 10" diameter sanitary sewer on the South Service Road from Trotwood Avenue to 185' east of Trotwood Avenue, a distance of 190' at a total estimated cost of \$3,000.00.

A 10" diameter sanitary sewer on Crestview Avenue from Radley Road to the South Service Road, a distance of 360 feet at a total estimated cost of \$7,400.00.

SCHEDULE 'B'

NOTE: The lands described in Schedule 'A' to By-law 7478 being the lands forming the Town of Mississauga Sewer Area are set out below:

Schedule 'A' to By-law No. 7478

DESCRIPTION OF TOWN OF MISSISSAUGA SEWER AREA
(SEPTEMBER 1968)

ALL AND SINGULAR that certain parcel or tract of land and premises situate, lying and being in the Town of Mississauga (formerly the Township of Toronto), County of Peel and Province of Ontario and which said parcel may be more particularly described as follows:

COMMENCING at the intersection of the water's edge of Lake Ontario with the centreline of the allowance for road between the Town of Mississauga and the Town of Oakville;

THENCE in a northerly direction along the said centreline of the road allowance between the Town of Mississauga and the Town of Oakville, being along the southwesterly limit of the said Town of Mississauga across the allowance for road between Concessions 3 and 4, South of Dundas Street; the allowance for road between Concessions 2 and 3, South of Dundas Street; the allowance for road between Concessions 1 and 2, South of Dundas Street, in all a distance of 21,350 feet more or less to its intersection with the northwesterly limit of the original allowance for Dundas Street;

THENCE northerly along the said northwesterly limit of the original allowance for Dundas Street 6,660 feet more or less to its intersection with the production southeasterly of the northerly limit of the proposed allowance for Southdown Road, being the southwesterly limit of that part of Lot 1, Range 1, North of Dundas Street, in the Racey Tract, owned by The Board of Education for the Town of Mississauga;

THENCE north 46 degrees 27 minutes 40 seconds west along the said southwesterly limit of the lands of The Board of Education for the Town of Mississauga, 1400 feet more or less to the most westerly angle of the said lands of The Board of Education for the Town of Mississauga;

THENCE north 43 degrees 32 minutes 20 seconds east 660.36 feet to the most northerly angle of the said lands of The Board of Education for the Town of Mississauga, being a point in the existing division line between Lots 1 and 2, Range 1, North of Dundas Street, Racey Tract;

THENCE south 46 degrees 05 minutes 50 seconds east along the said division line between Lots 1 and 2, a distance of 230.52 feet to an angle in the limit of the said lands of The Board of Education for the Town of Mississauga;

THENCE south 46 degrees 53 minutes 10 seconds east continuing along the said division line 461.19 feet to a further angle in the limit of the said lands of The Board of Education for the Town of Mississauga;

THENCE south 39 degrees 19 minutes 50 seconds west 183.35 feet to a further angle in the limit of the said lands of The Board of Education for the Town of Mississauga;

THENCE south 46 degrees 40 minutes east 395.74 feet to a further angle in the limit of the said lands of The Board of Education for the Town of Mississauga;

THENCE south 40 degrees 06 minutes 30 seconds west 322.16 feet to a further angle in the limit of the said lands of The Board of Education for the Town of Mississauga;

THENCE south 45 degrees 17 minutes 20 seconds east 267 feet more or less to where the same is intersected by the northwesterly limit of the original allowance for Dundas Street;

THENCE northerly along the said northwesterly limit of the original allowance for Dundas Street to where the same is intersected by the centreline of the Credit River;

THENCE in a general northerly direction upstream along the said centreline of the Credit River in all its windings to where the same is intersected by the southeasterly limit of the right-of-way easement lands of The Hydro-Electric Power Commission of Ontario in Lot 4, Range 4, North of Dundas Street, Credit Indian Reserve;

THENCE in a general northerly direction along the said southeasterly limit of the right-of-way easement lands of The Hydro-Electric Power Commission of Ontario, across part of Lot 4, Lot 5, and part of Lot 6, Range 4, North of Dundas Street, Credit Indian Reserve; across the right-of-way lands of the Canadian Pacific Railway; continuing across part of Lot 6 and part of Lot 7, Range 4, North of Dundas Street, Credit Indian Reserve; across the allowance for road between Ranges 4 and 5, North of Dundas Street, Credit Indian Reserve (McConnell Road); across part of Lot 7 and part of Lot 8, Range 5, North of Dundas Street, Credit Indian Reserve; across a road confirmed by Jus-

tices in Session, May 3, 1836 (Creditview Road); continuing across part of Lot 8, Range 5, North of Dundas Street, Credit Indian Reserve; across the unopened allowance for road along the east side of the Credit Indian Reserve; across Lots 23, 22 and 21, Concession 2, North of Dundas Street; across the allowance for road between Lots 20 and 21, Concession 2, North of Dundas Street (Mavis Road); across Lots 20, 19, 18, 17 and 16, Concession 2, North of Dundas Street; across The King's Highway Number 10 (Hurontario Street); and across Lots 15, 14, 13, 12 and 11, Concession 2, North of Dundas Street, in all its irregularities 24,130 feet more or less to where the same is intersected by the southwesterly limit of the allowance for road between Lots 10 and 11, Concession 2, North of Dundas Street;

THENCE northerly along the last mentioned southwesterly limit 2,639 feet more or less to where the same is intersected by the southeasterly limit of Base Line Road East, according to Municipal Survey Number 844;

THENCE southwesterly along the last mentioned southeasterly limit to where the same is intersected by the production southeasterly of the southwesterly limit of the allowance for road between Concessions 1 and 2, East of Hurontario Street (First Line East);

THENCE northerly to and along the said southwesterly limit of the allowance for road between Concessions 1 and 2, East of Hurontario Street (First Line East) to the most northerly angle of Lot 5, Concession 1, East of Hurontario Street;

THENCE northerly in a straight line across the allowance for road between Lots 5 and 6 (Britannia Road East) to the most easterly angle of Lot 6, Concession 1, East of Hurontario Street;

THENCE northerly continuing along the southwesterly limit of the allowance for road between Concessions 1 and 2, East of Hurontario Street (First Line East) to the most northerly angle of Lot 7, Concession 1, East of Hurontario Street;

THENCE northerly in a straight line across the allowance for road between Concessions 1 and 2, East of Hurontario Street (First Line East) to the most westerly angle of Lot 7, Concession 2, East of Hurontario Street;

THENCE in a general northeasterly direction along the division line between Lots 7 and 8, Concession 2, East of Hurontario Street to the most northerly angle of Lot 7, Concession 2, East of Hurontario Street;

THENCE northerly in a straight line across the allowance for road between Concessions 2 and 3, East of Hurontario Street (Second Line East) to the most westerly angle of Lot 7, Concession 3, East of Hurontario Street;

THENCE in a general northeasterly direction along the division line between Lots 7 and 8, Concession 3, East of Hurontario Street to the most northerly angle of Lot 7, Concession 3, East of Hurontario Street;

THENCE northerly in a straight line across the allowance for road between Concessions 3 and 4, East of Hurontario Street (Dixie Road) to the most westerly angle of Lot 7, Concession 4, East of Hurontario Street;

THENCE southwesterly along the northeasterly limit of Dixie Road aforesaid to its intersection with the limit between the northwesterly and southeasterly halves of Lot 8, Concession 4, East of Hurontario Street;

THENCE in a general northeasterly direction along the said division line between the northwesterly and southeasterly halves of Lot 8, Concession 4, East of Hurontario Street to its intersection with the northeasterly limit of the said Lot 8, Concession 4, East of Hurontario Street;

THENCE northwesterly along the southwesterly limit of the allowance for road between Concessions 4 and 5, East of Hurontario Street and its production northwesterly to where the same is intersected by the production southwesterly of the northwesterly limit of Derry Road East as widened;

THENCE northerly to and along the said northwesterly limit of Derry Road East 4,000 feet more or less to where the same is intersected by a line drawn parallel to and distant 500 feet measured at right angles southwesterly from the southwesterly limit of the allowance for road between Concessions 5 and 6, East of Hurontario Street (Torbarn Road);

THENCE northwesterly along the last mentioned line drawn parallel through Lots 11 and 12, Concession 5, East of Hurontario Street, 3990 feet more or less to where the same is intersected by the division line between Lots 12 and 13, Concession 5, East of Hurontario Street;

THENCE southwesterly along the said division line between Lots 12 and 13, Concession 5, East of Hurontario Street, 1,708 feet more or less to an angle therein;

THENCE southeasterly continuing along the said division line between Lots 12 and 13, Concession 5, East of Hurontario Street, 36.50 feet more or less to a further angle therein;

THENCE southwesterly continuing along the said division line between Lots 12 and 13, Concession 5, East of Hurontario Street, 809.70 feet more or less to its intersection with the southwesterly limit of the lands described in Instrument Number 179223, Township of Toronto;

THENCE northwesterly along the last mentioned southwesterly limit 1081.69 feet more or less to the most westerly angle of the said lands described in Instrument Number 179223;

THENCE southwesterly along the production southwesterly of the northwesterly limit of the said lands described in Instrument Number 179223, a distance of 1454 feet more or less to its intersection with the southwesterly limit of the allowance for road between Concessions 4 and 5, East of Hurontario Street (Bramalea Road);

THENCE northwesterly along the said southwesterly limit of Bramalea Road, 3820 feet more or less to its intersection with the southerly limit of the right-of-way lands of the Canadian National Railways;

THENCE westerly along the said southerly limit of the right-of-way lands of the Canadian National Railways, 1980 feet more or less to its intersection with the centreline of the allowance for road between the Town of Mississauga and the Township of Chinguacousy (Steeles Avenue East);

THENCE northeasterly along the said centreline of Steeles Avenue East and being along the northwesterly limit of the Town of Mississauga, 10,900 feet more or less to its intersection with the centreline of the allowance for road between Concessions 6 and 7, East of Hurontario Street (Airport Road);

THENCE northeasterly continuing along the said centreline of Steeles Avenue East and being along the northwesterly limit of the Town of Mississauga to where the same is intersected by the Indian Line, being the limit between the Town of Mississauga and the Township of Vaughan;

THENCE southeasterly along the said Indian Line, being along the limit between the Town of Mississauga and the Township of Vaughan and continuing along the limit between the Borough of Vaughan and continuing along the limit between the Borough of Etobicoke and the Town of Mississauga, to its intersection with the centreline of Base Line Road East, as defined by Municipal Survey Number 844;

THENCE southwesterly along the said centreline of Base Line Road East and continuing along the limit between the Borough of Etobicoke and the Town of Mississauga to its intersection with the centreline of the Etobicoke Creek;

THENCE in a general southeasterly direction downstream along the said centreline of the Etobicoke Creek in all its windings to where the same is intersected by the water's edge of Lake Ontario;

THENCE in a general southwesterly direction along the water's edge of Lake Ontario in all its windings to the point of commencement.

EXCEPTING thereout and therefrom all those parts of Lots 4, and 5, Concession 3, South of Dundas Street, annexed by The Corporation of the Village of Long Branch (now the Borough of Etobicoke) and FURTHER EXCEPTING thereout and therefrom the Town of Port Credit.

Sheridan College News

Students Contribute Bursary

Sheridan College Student Senate has set up a bursary fund in honour of one of the teaching masters at the school, Ray McAfee.

Mr. McAfee, a teacher in the business division has been very active in the two years since Sheridan opened as a athletic coordinator for hockey, soccer, basketball, volleyball and other sports.

Mr. McAfee also helped organize the Student Senate elections last fall, and has worked closely with students

on other projects as well.

The teacher has his B. Com. and C.A. degrees, and spent almost 10 years as a partner in a chartered accountancy firm, graduated from OCE with an accountant specialty and taught in North York. He is married and has five children, and has just been appointed to the Vaughan Township Recreation Commission.

The bursary fund will consist of a minimum of five per cent of the activity fees of students

who attend Sheridan at the Brampton Campus, and will be available only to students who attend at that campus.

The letter to Mr. McAfee from Bryan Frank Student Senate President, said "We have done so because we do not know of any better way to repay you for the services you have rendered to students at Sheridan, and - because of the help you have given and the interest you have shown in the welfare of the students at Sheridan College."

Grave mistakes made says planner

Much of our environment has suffered from too rapid change and development, and we've made 'grave mistakes' charged Martin Dake, Chief of the Planning Department of Project Planners Associates, Toronto, in an address at Sheridan College last Wednesday.

Mr. Dake who came to speak to the municipal government class in place of scheduled speaker Mack Hancock, said a planner's biggest problem was obtaining community involvement. Unless planners discuss every part of their planning with whoever will listen, both the quality of the planning and public's acceptance of the end result, will suffer.

Mr. Dake criticized persons who wait until things happen, then point the finger at those doing them to say they are wrong.

He has little patience with people who knock planners' work after the fact, when they allowed urban sprawl and metropolitan blight to happen, themselves. Particularly when they saw it coming and failed to do anything.

He said the mistaken idea that growth in any form was healthy, had led to the existence of communities where jobs and money were plentiful, but where schools were bad, services poor, and the economic situation hopeless - i.e. there was no money for municipal work. Controlled growth is the key, he said.

Mr. Dake said the new emphasis on regional thinking could not but help planners, who think of the 'community' as a whole entity, not fragmented into rural or urban areas but encompassing real estate, sociological factors, economic needs and the human needs of people. He warned that continued lack of planning could result in sociological upheavals and expensive urban renewal problems such as face the major cities in the U.S.

"We're letting it happen," said the chief of planning projects.

Speaking to the same group Wednesday night was Mrs. Nance Horwood, warden of Peel County, who outlined the parliamentary procedures in council meetings.

The 6-week course concludes April 30 with a double-barrelled program featuring William Henry Palmer, Deputy Minister of Municipal Affairs who will address students and present diplomas to them. He is slated to speak on the winning entries in

Local Government in Ontario: Its Future and Yours.

On the same program a four-person panel will discuss participation in local government. Panel members are Mrs. K. G. Thomson of the University Women's Club, Brampton;

Brampton; Frank Urea of the Telegram's Action Line; Rev. K. Wool-

lard, head of communications for the United Church of Canada and NDP candidate last year; and Morris Smith, solicitor of the Town of Brampton.

Sheridan in "Showcase '69"

Sheridan College will be putting a careers booth into the Jaycees sponsored "Showcase '69" to be held in Oakville Arena, May 8, 9 and 10.

A special rear-screen projector will show slides of activities at the college, plus programs being offered when the college sets up shop, in Booth 18 at the Arena.

This is the first time Sheridan has entered a Jaycees Showcase, although it is the third annual exhibition that be nating a careers booth into the Jaycees sponsored "Showcase '69" to be held in Oakville Arena, May 8, 9 and 10.

The show is open to the public Thursday and Friday evenings, May 8 and 9, between 7 and 11 p.m. and all day Saturday, May 10 from 10 a.m. to 10 p.m.

The first Showcase was held in 1967, when 45 exhibitors showed 6,000 people what they were doing. Last year's show had 68 exhibitors and an attendance of 9,500. The percentage increase is expected to be surpassed this year.

Will be responsible for extension program

John M. Porter, president of Sheridan College, has announced the appointment of Burton A. Bonnell as Assistant Director of Extension for the college.

Mr. Bonnell, a mathematics and mechanical technology teacher since Sheridan opened two years ago, will be responsible specifically for extension programs in Halton from the new Oakville campus scheduled to open this fall on Trafalgar Road.

With his technological background, Mr. Bonnell also plans to overlap on the technical side supervising courses at Brampton in these subjects as well.

He will be responsible to the Director of Extension, Don Hamilton.

Mr. Bonnell's office is currently at the Sheridan School of Design campus, 1460 South Sheridan Way, Port Credit, where he can be contacted at 274-3685 re proposed extension programs for fall. Mr. Hamilton remains at the Brampton campus.

Mr. Bonnell graduated with his engineering degree from the University of Toronto in 1958, is 35, married to a registered nurse, and has two children.

Photo Contest at Pioneer Village

The Metropolitan Toronto and Region Conservation Authority is sponsoring its 8th annual photo contest - in conjunction with the Spring re-opening of Black Creek Pioneer Village, Jane Street and Steeles Avenue.

The competition is open to amateur photographers and will be held between May and December. The pre-Confederation community provides camera enthusiasts with a broad and unique range of subjects, both indoor and outdoor.

Prizes will be awarded to the winning entries in

both black and white prints and color slides. Entries must be received by the Authority's offices, c/o P.O. Box #720, Woodbridge, by September 2, 1969, and winners will be notified by mail on or before October 14.

Persons wishing additional information about the MTRCA's photo contest may obtain same by contacting the Authority's offices at 889-5425.

Zoo? What Zoo?

Ask any child what the word "zoo" means to him, and his response will probably be "A Zoo is a place where they have all kinds of animals from all over the world. They are locked up in cages and you can walk around the whole zoo and see them without fear that they will get out of their cages and hurt you."

Or, another response would be "I like the zoo because of the variety of animals there, but mostly because we can bring bags of food and feed them through the holes in their cages."

We have been to several zoos. One, at Riverdale; the other small one at High Park, and the ultimate of all zoos, the Buffalo City Zoo.

Last Sunday, we decided to visit the new Jungle Park Zoo located on Highway 10, right here in affluent Mississauga.

And while I must be fair to the managers of this complex, and give them some benefit of the doubt, I must admit that it was a gross disappointment not only to myself, but to the children as well.

We picked a day after a heavy rainfall, and the grounds were muddy. The parking area was small (for approximately 30 cars). And while the children "plowed" ahead through the muck, I was faced with the admittance "\$1.00 for ad-

ults, and 50 cents for children."

It must be really something, I thought, at these prices, for if the Buffalo City Zoo could offer hundreds of animals, for free, the Jungle Zoo must have something better.

They had something, all right: two lions, a donkey, 5 or 6 coyotes, an unfinished muddy lagoon with several ducks and swans, two baboons with the usual scars, and a cougar who appeared very restless. All this, I thought, for \$3.50.

We didn't make it into the adjacent barn, where I understand, were a few more animals waiting to be placed in the wired cages. We were caught in the "quicksand".

A bag of freshly washed carrots and celery (plus a couple of chocolate chip cookies, which the children donated to the baboons) was quickly noticed by one of the operators, who announced that animals were not to be fed "home brought food". The operator mentioned that they would be selling "edibles" to visitors in the next few weeks, which they could feed to the animals. Commercialism!

A total of 20 people were at this "zoo" when we were taking our leave (we had stayed for about 25 minutes) and some of their comments were: "We have never paid

admission to a zoo before, this is most surprising."

While some balked at the admission price, others talked about the poor muddy conditions that existed.

"I wonder what it will be like during the summer. There will probably be dozens of cars parked out on Highway 10, probably creating a traffic jam."

"I didn't like the looks or sounds coming from that cougar. I think she is going to break out of that cage and then, watch

out."

And if I were on Mississauga Council, I would not worry about the "smell" from the zoo itself, but I would work to take over this or any other zoo. Make it publicly owned, permit sufficient space for parking.

Mississauga has come into its own.

Let's add to the Town's growth by putting in facilities that will keep the people coming in, instead of going out in search of better facilities.

Bradley House To Open For 1969 Viewing Season

The Lewis Bradley Museum Clarkson, will open for the summer season on Friday, May 2, and will remain open until the end of October.

This interesting pioneer home is open each

Friday and Sunday from 1 until 5 p.m. and each Saturday from 10 a.m. until 5 p.m.

On Sunday, May 4, a special exhibit will feature Toys and Dolls of the Last Century.

CLOCK CLUB IN LORNE PARK

Fred Kolishenco, an avid collector of old clocks will be holding the first meeting of the Clock Club shortly in his home in Lorne Park. Several interested residents of Mississauga have already contacted

Mr. Kolishenco and are anxious to meet to see and discuss other collections. If you are interested in clock collections please call Fred at 278-9753. He will be pleased to hear from you.

WHAT DO YOU DO, WHEN:

Your weekly newspaper arrived 11 days late. The baby bonus cheque is two days late and your insurance man doesn't like to keep making return calls.

Your regular first class mail arrives sometimes 3 or 4 days after the postmark?

The meeting notice for your particular club's monthly meeting, arrives at its destination after the meeting has taken place?

Several volunteer charity groups send out flyers to the general public, announcing their annual campaign for funds - and no one has received any of these? You complain, that's what you do. And that's what this article is - a complaint.

I recall when in January 1968 I had sent out several birthday cards and addressed them to "Mississauga" (after the December Municipal elections.) They were returned to my home postmarked "NO SUCH PLACE". Funny, I thought, we must be a

place, why, just last week, hundreds of thousands of dollars (tax dollars) were spent to give this place name, and the name was Mississauga.

A quick call to the Mississauga Post Office revealed that they were having problems regarding a main post office -- Poor guys, I thought! Oh well, give them a break, and they'll get organized. My sympathies were all with postmen.

They have to put up with a lot, I thought. Working such long hours, in all kinds of weather, and at hardly any pay, too!

And while I was being sympathetic, these same mailmen were organizing a strike, a means by which they hoped to achieve a higher wage, shorter hours, and AN INCREASE IN POSTAL RATES!

I was still sympathetic. "They still have to pay the same price for items, as someone in the 40% tax bracket does".

But then, the recent mail mix-up! Just mention letters to people in Mississauga, and they will itemize their many post office complaints.

We've had 16 months of merry-mixed-up mail.

The time has come for us to detach our sympathies from the mailman, and to complain to the chief himself, Mr. Klerans in Ottawa.

The unnecessary increase in postal rates is not providing the service that it set out to accomplish - that of regular and efficient mail service.

FIRES

In the Ontario Fire Marshal's report of major fires in the first quarter of 1969 - the Town of Mississauga was in with 2 major fires having a total damage of \$220,000.

First listed was the January 27 fire at the Edward Futterer estate with fire damage amounting to \$120,000.

The second major fire was that of Southdown Estates, on February 20, with a development under construction suffering \$100,000 fire damage.

On Wednesday, April 16 the Peel County Board of the United Nations Association held their annual meeting at Hawthorne Valley Golf Club. Prior to the meeting President Bill Kirkwood spoke with the guest speaker Stanley Ryan, acting co-ordinator and information officer of the U.N.A.C. about his talk on "Why the U.N.A. in Canada". AL BETTS Photo

"MIDDLE YEARS" SERIES ENDS

The final lecture of the series "The Creative Middle Years" sponsored by the South Peel Mental Health Association, was held on Thursday, April 17 at First United Church, Port Credit.

Mrs. Gwen Richardson representing the Central Volunteer Bureau of the Social Planning Council of Metropolitan Toronto was the guest speaker. A graduate of the Toronto School of Social Work, Mrs. Richardson has been actively engaged in the work of Welfare Agencies in Ottawa and Toronto.

In describing the work of the Central Volunteer Bureau, Mrs. Richardson told of many organizations in need of

volunteer help. The opportunities for use of leisure time in volunteer work are numerous and it is apparent that any skills, talent or free time available can be gainfully employed in personal service to others by contacting the Social Planning Council.

She suggested that everyone must have two accomplishments - the first, "something that we can do alone", and secondly, "something that we can do with others". It was stressed that continued learning is beneficial to everyone and that instructional courses are offered at local schools and universities on a wider range of subjects than ever available heretofore.

A question and answer period and general discussion followed.

This lecture concluded the series which was warmly received by the people who attended. The South Peel Branch of the Canadian Mental Health Association has endeavored in this series, as in the past, to present highly qualified people to discuss a subject of wide-spread interest. The problems of the middle years were suggested as a topic for discussion by many people in a roll taken following the series of lectures last year on the problems faced by teenagers. Mental Health Association would like to hear suggestions for future lectures.

MISSISSAUGA'S NEWEST NEW CAR DEALER

TOYOTA

BAHR AUTO TOYOTA SALES

ISUZU

379 DUNDAS HWY. EAST, MISSISSAUGA 277-9518

Most little cars look great on the outside, but what happens when you sit in the backseat or put your foot hard on the gas?

Blah! A pretty looking shell with nothing to back it up. The Sprinter's different. Its beauty is more than skin deep.

OR take the Toyota Corolla 1100 - it has more horsepower than any other car in its class. That means it has more get up and go. You

slow down to a crawl trying to creep up a big hunk of hill - that means you're safer.

Who else offers a 1500 cc economy car with a silky, smooth 5-bearing crankshaft engine developing 71 h.p. up to 40 miles to a gallon - 90 mph top speed, 4-door body with standard equipment whitewalls, all for around two grand? -- ISUZU THAT'S WHO!!!

**YOU'LL SAVE MORE MONEY WHEN
YOU BUY A NEW OR USED BAHR CAR!**
